**NOTICE OF PASSING OF A ZONING BY-LAW
BY THE CORPORATION OF THE
MUNICIPALITY OF MAGNETAWAN**

TAKE NOTICE that the Council of the Corporation of the Municipality of Magnetawan passed By-law No. 2001-26 on the 26th day of September 2001 under Section 34 of the Planning Act. RSO 1990, CP.13 as amended:

AND TAKE NOTICE THAT any person or agency may appeal to the Ontario Municipal Board in respect of the By-law by filling with the clerk of the Municipality of Magnetawan not later than the 23rd day of October, 2001, a notice of appeal setting out the objection to the By-law and the reasons in support of the objection.

An explanation of the purpose and effect of the By-law describing the lands to which the By-law applies is found below. The complete By-law is available for inspection at the Municipal Office during regular office hours.

Dated at the Municipality of Magnetawan, this ____ day of _____, 2001.

Brenda Fraser
Clerk/Administrator

**EXPLANATORY NOTE TO BY-LAW No. 2001-26
OF THE MUNICIPALITY OF MAGNETAWAN**

Lands Affected:

By-law No. 2001-26 is a Comprehensive Zoning By-law that applies to all of the lands within the geographic limits of the Municipality of Magnetawan. For this reason, no key map is attached to this notice.

Purpose and Effect:

By-law No. 2001-26 is intended to regulate the use of all lands, buildings and structures within the Township.

This By-law permits and regulates the use of land as shown on Schedule 'A' to the Zoning By-law. Uses that legally existed prior to the date of adoption of this By-law will be permitted to continue. Any new use not specifically permitted by the By-law is prohibited. New development occurring after this By-law comes into effect must comply with the regulations set out in the By-law.

**CORPORATION OF THE
MUNICIPALITY OF MAGNETAWAN**

BY-LAW No. 2001-26

**A By-law to regulate the use of land and the character,
location and use of buildings or structures
in the Municipality of Magnetawan.**

WHEREAS the Council of the Corporation of the Municipality of Magnetawan passed By-laws 92-22, 11-1985, 1998-28 and 2000-14 to regulate the use of land and the character, location and use of buildings or structures in the former Townships of Chapman, Croft and Spence, and the Village of Magnetawan.

AND WHEREAS the Council of the Corporation of the Municipality of Magnetawan did pass

AND WHEREAS the Council of the Corporation of the Municipality of Magnetawan now deems it desirable and in the public interest to rescind By-laws 92-22, 1998-28, 11-1985 and 2000-14 and all Amendments thereto, and enact a new Comprehensive Zoning By-law under Section 34 of the Planning Act, S.O. 1990, which will serve to regulate the use of the land and the character, location and size of buildings and structures within the boundaries of the Municipality of Magnetawan.

NOW THEREFORE the Council of the Corporation of the Municipality of Magnetawan enacts a By-law as follows:

The requirements of the By-law must be met before a Building Permit is issued by the Municipality for the erection or alteration of any building or structure.

1.4 Enforcement

Any person convicted of a violation of this By-law is liable, at the discretion of the convicting Justice, on first conviction to a fine of not more than \$25,000 and on a subsequent conviction to a fine of not more than \$10,000 for each day or part thereof upon which the contravention has continued after the day on which the person was first convicted.

1.5 Severability Provision

A decision of a Court stating that one or more of the provisions of this By-law are invalid in whole or in part does not affect the validity, effectiveness, or enforceability of the other provisions or parts of the provisions of this By-law.

1.6 Repeal of Existing By-laws

Upon this By-law coming into effect the following By-laws and all Amendments thereto are hereby repealed: 92-22, 1998-28, 2000-14 and 11-1985.

1.7 Effective Date

This By-law shall come into force the day that it was passed in accordance with the provisions of the Planning Act.

1.8 Metric and Imperial Terms

The imperial measurements contained in this By-law are included for convenience only and do not form part of the By-law. The metric measurements contained in this By-law are the only measurements to be used in determining compliance with the By-law.

1.9 Reference to Legislation

Where this Zoning By-law makes reference to legislation, then the references shall be deemed to mean that as presently existing, or as amended, replaced or re-enacted, from time-to-time by the Province, and shall be deemed to include, in addition to the statute itself, all regulations passed thereunder.

SECTION 2 ESTABLISHMENT OF ZONES

2.1 Zones

For the purpose of this By-law the following zones are established and they may be referred to by the name or by the symbol set opposite the name of the zone as indicated below:

RR	-	Rural Residential
RS	-	Shoreline Residential
RV	-	Village Residential
RM	-	Multiple Residential
RMH	-	Residential Mobile Home
RU	-	Rural
A	-	Agricultural
CG	-	General Commercial
CT	-	Tourist Commercial
CV	-	Village Commercial
M1	-	General Industrial
M2	-	Disposal Industrial
MX	-	Industrial Extractive
I	-	Institutional
OS	-	Open Space
EP	-	Environmental Protection

2.2 Zone Schedule

The zones and zone boundaries are shown on Schedules A, B and C, which form part of this By-law.

2.3 Determining Zone Boundaries

- a) A zone boundary which is shown approximately at a lot line, street or lane is considered to be at the boundary of the lot line, street or road.
- b) A zone boundary shown approximately at the centre line of a street or lane is considered to be the centre line of the street or road.
- c) Unless the location of a zone boundary is specified by dimensions on the zoning map, a zone boundary which lies within a lot shall be fixed by the scale of the Schedule upon which it is shown.

- d) A zone boundary shown following approximately a shoreline or the centre line of a creek, stream or channel is considered to be the shoreline or centre line and moved with any natural changes to the waterbody or watercourse.

- e) All lands below the surface of a navigable waterbody or watercourse with the exception of the Distress River shall be deemed to be in the Open Space (OS) Zone. Lands below the Distress River, shall be deemed to be in the Environmental Protection (EP) Zone.

2.4 Compliance with Zoning By-law

No person shall change the use of any building, structure or lot or erect or use any building or structure or use or occupy any lot or building in whole or in part, except in conformity with the provisions of this By-law.

SECTION 3 GENERAL PROVISIONS

3.1 Accessory Buildings, Structures and Uses

a) Permitted Uses

Where this By-law provides that a lot may be used and a building or structure may be erected or used for a purpose, that purpose shall include any accessory building or structure or accessory use provided that a valid building permit for the principal use, if required, is issued or that the principal building or structure is already in existence on the lot.

Accessory buildings shall not be used for:

- i) any occupation for gain or profit conducted within or accessory to a dwelling unit or lot except as specifically permitted in accordance with this By-law; or
- ii) human habitation except where specifically permitted by this By-law.

b) Setback Requirements

Except as otherwise provided by this By-law, any accessory building or structure shall comply with the yard requirement of the zone within which it is located. This provision shall not apply to prevent the construction of docks, marine facilities, gazebos or pump houses as may otherwise be permitted in this By-law.

c) Lot Coverage and Height

The total lot coverage of all accessory buildings and structures, excluding swimming pools, shall not exceed 5 per cent of the lot area nor shall the height of any accessory building or structure exceed 5.0 metres except where otherwise permitted.

d) Accessory Structure Encroachments

Notwithstanding the yard and setback provisions of this By-law to the contrary, drop awnings, clothes poles, flag poles, garden trellises, retaining walls, fences, signs or similar uses which comply with this By-law are permitted in any required yard or in the area between the street line and the required yard. A satellite dish shall be prohibited in a front yard and exterior side yard. Septic systems shall comply with the applicable Setbacks from Watercourses in Section 3.35.

e) Setback from Principal Building

An accessory building may be erected no closer than 2.4 metres from the principal building on the lot.

f) Boat Dock or Launching Ramp

Notwithstanding the yard provisions of this By-law to the contrary, a boat launching ramp or a dock may be erected and used in any yard, or pertaining to a lot abutting on a navigable waterway, provided such ancillary structure is located no closer than 1.5 metres to the side lot line or the 90 degree projection of the side lot line where it meets the tangent of the front lot line at the shoreline.

g) Boathouses

Notwithstanding the yard and setback provisions of this By-law to the contrary, a boathouse may be constructed pertaining to a lot abutting a navigable waterway subject to the following provisions:

i) One-Storey Boathouses

- | | |
|-------------------------|--|
| a) maximum width | 15 metres or 25 per cent of the lot frontage, whichever is the lesser; |
| b) minimum side yard | 6 metres; |
| c) minimum lot frontage | 30 metres; and |
| d) maximum height | 5.0 metres |

ii) Two-Storey Boathouses

- a) maximum width 15 metres or 25 per cent of the lot frontage, whichever is the lesser;
- b) minimum side yard 6 metres;
- c) minimum lot frontage 75 metres;
- d) maximum height 7.6 metres; and,
- e) prior to the issuance of a building permit, the Chief Building Official shall receive foundation plans certified by a professional engineer or professional architect.

iii) Number of Boathouses

Where a lot has more than 180 metres of frontage, a second boathouse shall be permitted, provided that the boathouse is located no closer than 100 metres to an existing boathouse.

h) Garages or Other Accessory Buildings or Accessory Structures

Notwithstanding the yard and setback provisions of this By-law to the contrary, an attached or detached private garage or other accessory building or accessory structure may be erected and used in an interior side or rear yard, provided that:

i) Interior Side Yard

Where such accessory building or accessory structure is located in an interior side yard, and is 5.0 metres or less in height, the minimum setback for the interior side lot line shall be 1.5 metres.

ii) Rear Yard

Where such accessory building or accessory structure is located in a rear yard and is 5.0 metres or less in height, the minimum setback to the rear lot line shall be 1.5 metres except, where the rear lot line abuts a municipally maintained road, it shall not be closer than 10 metres to the rear lot line.

iii) Height

Notwithstanding any other provisions of this by-law to the contrary, a detached garage shall have a maximum height of 7.6 metres, provided all other applicable provisions of this by-law are met.

iv) Commercial and Industrial Uses

Notwithstanding the foregoing provisions, no building or structure accessory to a Commercial or Industrial use shall be erected closer than 3 metres to an interior side lot line.

i) Decks, Steps, Balconies or Patios

Notwithstanding the yard and setback provisions of this By-law to the contrary, decks, steps, balconies and patios may project into any required yard or setback a maximum distance of 2.0 metres, but not closer than 1.5 metres to any lot line. Where the floor of any porch, balcony or deck is in excess of 1.0 metres above finished grade, the side yard and rear yard requirements for the principal building shall apply. For the purposes of calculating the required yards, these structures shall not be considered part of the building.

j) Gazebos

Notwithstanding the yard and setback requirements of this By-law to the contrary, a gazebo may be permitted in the front yard of a lot adjacent to a waterbody provided that:

- i) the maximum area is 10.0 square metres;
- ii) it is setback at least 4.0 metres from the normal average or maintained high water mark;
- iii) it is setback at least 2.0 metres from any side lot line; and,
- iv) the height shall not exceed 5.0 metres.

k) Guest Cabins

Notwithstanding any other provision of this By-law to the contrary, a guest cabin is permitted on a lot provided that:

- i) no cooking facilities are located in the building;
- ii) the building has an area of 40 square metres or less;
- iii) the building has a height not greater than 5.0 metres;
- iv) the building complies with all of the setbacks that apply to the principal building on the lot;
- v) for the purpose of determining the number of Guest Cabins on a lot, the second storey of a habitable boathouse that existed as of January 1, 2023, or other accessory building shall be considered a Guest Cabin; and,
- vi) on the lands abutting a navigable waterway, where a lot has at least 45 metres of frontage. An additional Guest Cabin is permitted with each additional 90 metres of frontage.

l) Shoreline Saunas

A shoreline sauna is a permitted accessory building which may be located in any required front yard of a lot abutting a shoreline provided:

- i) Minimum setback of 4.5 metres is maintained from the normal or maintained high water mark;
- ii) A minimum setback of 4.5 metres is maintained from the side lot lines;
- iii) The structure does not exceed 10 square metres in floor area;
- iv) The height of the structure does not exceed 4.2 metres; and
- v) Approval is obtained from any government agency having jurisdiction.

3.2 Antennae, Towers, Satellite Dishes and Windmills

Radio and televisions antenna towers, satellite dishes and dish antennas, windmills less than 10 metres in height and other similar structures are permitted in any zone provided they meet the minimum requirements of the zone in which they exist and are not located in any front yard or exterior side yard.

3.3 Buffer Strips

Where a buffer strip is required in any zone, it shall be located within that zone and shall be the minimum width as specified in the regulations for that zone. It shall not form part of any required landscaped open space or yard requirement. Within required buffer areas, a solid and continuous landscape screen shall be planted and maintained. The landscaping shall consist of such species so as to continually restrict a clear view beyond such buffer strip.

3.4 Construction Uses

A tool shed, not exceeding 20 square metres, construction trailer, storage container, scaffold or other building or structure incidental to construction is permitted in all areas within the Municipality on the lot where it is situated and only for so long as it is necessary for the work in progress and until the work is completed or abandoned. For the purpose of this Section, abandoned shall mean the discontinuation of work for more than 120 consecutive days or the failure to maintain a current building permit.

Notwithstanding the provisions set out in Section 3.6 to the contrary, where a Building Permit for construction of a dwelling has been issued by the Municipality, an existing dwelling may be occupied on a temporary basis only during the period when there is an active building permit for a new dwelling on the subject lands and subject to the occupant entering into an agreement with the Municipality that requires the removal of the existing dwelling or conversion of the existing dwelling to an accessory building.

3.5 Dimensions and Shape

No lot shall have a lot depth exceeding 5 times the lot width.

3.6 Additional Dwelling Units

Additional Dwelling Units are permitted within the Rural Residential (RR) Zone; the Shoreline Residential (RS) Zone; the Village Residential (RV) Zone; the Multiple Residential (RM) Zone; the Residential Mobile Home (RMH) Zone; and the Rural (RU) Zone.

A maximum of two (2) Additional Dwelling Units (one (1) attached and one (1) detached) may be permitted in association with a single detached dwelling, semi-detached dwelling, or townhome dwelling in accordance with the regulations specified by the Zone category in which the Additional Dwelling Unit is permitted. For the purposes of determining the number of dwelling units on a lot, the second storey of an existing habitable boathouse, where equipped with cooking and sanitary facilities shall be considered as an Additional Dwelling Unit (detached).

a) Additional Dwelling Unit (Attached)

- i) A maximum of one Additional Dwelling Unit (attached) shall be permitted within the same building as a single detached dwelling or semi-detached dwelling, with or without an Additional Dwelling Unit (detached);
- ii) The Additional Dwelling Unit (attached) shall be built in accordance with all relevant regulations within both the Building Code and Fire Code;
- iii) The owner of the principal dwelling shall demonstrate to the satisfaction of the North Bay Mattawa Conservation Authority (or alternative) that the individual sewage disposal system has sufficient capacity to accommodate the additional flows from the unit;
- iv) The gross floor area of the Additional Dwelling Unit (attached) shall be limited to a minimum of 450 sq ft to a maximum of 50 percent of the gross floor area of the primary dwelling unit, measured prior to the development of the Additional Dwelling Unit (attached).
- v) An Additional Dwelling Unit (attached) shall only be accessed via an existing residential vehicular entrance;

- vi) An Additional Dwelling Unit (attached) shall not be permitted within the regulated floodplain area; and
- vii) A minimum of one (1) parking space shall be provided for the exclusive use of the occupier(s) of the secondary dwelling unit.

b) Additional Dwelling Unit (Detached)

- i) The Additional Dwelling Unit (detached) shall only be permitted in whole or in part of a building which is accessory to, and subordinate to a single detached dwelling, or semi-detached dwelling, on the same lot, and with or without one Additional Dwelling Unit (attached);
- ii) On the lands abutting a navigable waterway, where a lot has at least 180 metres of frontage, an additional dwelling unit (detached) is permitted in a rear yard, provided that there is not more than one (1) sleeping cabin on the lot;
- iii) Where two (2) or more single detached dwellings exist upon a lot, an Additional Dwelling Unit (detached) is not permitted within an accessory structure;
- iv) An Additional Dwelling Unit (detached) shall not be located more than 50 metres from the Principal or Main Building;
- v) The Additional Dwelling Unit (detached) shall not be larger than 70% of the ground floor area of the principal dwelling unit;
- vi) The maximum height of the Additional Dwelling Unit (detached) shall be 9.0 metres;
- vii) An Additional Dwelling Unit (detached) shall not be permitted within the regulated floodplain area;
- viii) The Additional Dwelling Unit (detached) shall not be severed from the lot containing the single detached dwelling, or semi-detached dwelling;
- ix) A minimum of one (1) parking space shall be provided for the exclusive use of the occupier(s) of the Additional Dwelling Unit (detached);
- x) Minimum Distance Separation (MDS) I shall apply to any new Additional Dwelling Unit (detached);

- xi) The Additional Dwelling Unit (detached) shall be built in accordance with all relevant regulations of both the Building Code and Fire Code;
- xii) The owner of the principal dwelling shall demonstrate to the satisfaction of the North Bay Mattawa Conservation Authority (or alternative) that the Additional Dwelling Unit (detached) can be appropriately serviced with a sewage disposal system;
- xiii) The additional Dwelling Unit (detached) shall be placed upon a permanent footing/foundation; and,
- xiv) Tenants of an Additional Dwelling Unit (detached) must not be required to access the unit through the primary dwelling unit. As such, an Additional Dwelling Unit (detached) must have direct pedestrian access from a public street or laneway. A direct pedestrian access may be by an unobstructed walkway that is built in accordance with the requirements of the Accessibility for Ontarians with Disabilities Act.”

3.7 Environmental Protection Area

Lands zoned Environmental Protection (EP) may be included in the calculation of lot area and yard requirements except that, lands below the normal or maintained high water mark shall not be included as part of the lot area. Setback requirements in this By-law shall be measured from the limit of the normal or maintained high water mark.

3.8 Frontage on Improved Public Road, Private Road or Navigable Waterway

- a) Improved Public Road

No person shall erect any building or structure in any Zone after the date of passing of this By-law, unless the lot upon which such building or structure is to be erected has frontage upon an improved public road.

The above provisions shall not apply to prevent the erection of a permitted building or structure on a lot in registered plan of subdivision where a Subdivision Agreement has been entered into with the Municipality, notwithstanding that the road or roads will not be assumed by the Municipality until the end of the maintenance period, nor shall it apply to prevent

the enlargement, extension, renovation, reconstruction or other structural alteration of an existing building or structure, which is located on a lot which does not have frontage upon an improved public road, provided the use of such building or structure does not change and is permissible within the Zone in which it is located.

b) Frontage on Private Road

Notwithstanding the provision in 3.9 (a) where a lot fronts upon a private road or private right-of-way, a use, building or structure shall be permitted on such lot, in accordance with the applicable provisions of this By-law provided such private road or private right-of-way existed as of the date of passing of this By-law.

c) Navigable Waterway

Notwithstanding the provisions of 3.9 (a) and (b) where a lot is only accessible by a navigable waterway, such lot may be used for a Seasonal Residential Dwelling and accessory uses only.

d) Hunt Camps

Notwithstanding the provisions of 3.9 (a) and (b) a Hunt Camp shall be permitted if it is located on an existing lot which has access onto an unimproved municipal road allowance, a private road or a maintained municipal road.

3.9 Height Exceptions

Notwithstanding the height provisions of this By-law to the contrary, nothing in this By-law shall apply to prevent the erection, alteration, or use of a barn or silo, a church spire, a belfry, a flag pole, a clock tower, a chimney, a water tank, a windmill less than 10 metres in height, a radio or television tower or antenna, an air conditioner duct, a grain elevator, incidental equipment required for processing, external equipment associated with internal equipment or machinery and conveying equipment, which exceeds the maximum height requirements provided the main or principal use is permitted within the Zone in which it is located and provided all other applicable provisions of this By-law are complied with.

3.10 Home Occupation

Where a Home Occupation is a permitted use the following regulations shall apply:

- a) no person, other than a person living on the premises, shall be engaged in the occupation of providing merchandise and/or services to customers with the exception of one employee who is not a resident in the dwelling;
- b) there shall be no display, other than a sign having a maximum area of 0.5 square metres, to indicate to persons outside that any part of the dwelling is being used for a purpose other than residential. In any residential zone, no display or sign to indicate that the dwelling is being used for a purpose other than residential shall be permitted;
- c) not more than 25 per cent of the gross floor area of the dwelling shall be used for the purposes of Home Occupation, and such Home Occupation shall be conducted entirely within the dwelling;
- d) there shall be no outside storage of goods or materials in conjunction with the Home Occupation use; and
- e) a Home Occupation shall not include a boarding or lodging house, a restaurant, or a group home, or kennel.

3.11 Home Industry

Where a Home Industry is a permitted use the following provisions shall apply:

- a) a maximum of four (4) persons, who are not residents, may be engaged in the home industry;
- b) such home industry may be located in part of a dwelling, or in any accessory building located on a lot on which a dwelling is in existence, provided the total gross floor area utilized by the home industry does not exceed a maximum of 150 square metres;
- c) there shall be no outside storage of goods, materials or articles;

- d) Notwithstanding section 3.12I a maximum of four currently licensed motor vehicles associated with the home industry may be parked or stored on the lot but only within an interior side or rear yard;
- e) there shall be no emission of noise, odour or dust which is not normally attributed to the use of the land for residential uses;
- f) a home industry shall be clearly secondary to the main residential use and shall not change the residential character of the dwelling on the lot; and;
- g) the home industry shall comply with the following minimum lot area, yard and setback provisions:
 - i) minimum lot area 1.0 hectares
 - ii) minimum setback from all lot lines 30.0 metres
 - iii) minimum separation from dwelling in existence on another lot 100.0 metres
- h) maximum sign size 1.0 sq m

Existing buildings which do not meet the setback requirements of subsection ii) may be used for home industries provided that all of the other provisions in this section are met.

3.12 Hunt Camps

Hunt camps are permitted in the Rural (RU) Zone subject to the following:

- i) A minimum floor area of 10 square metres;
- ii) A maximum lot coverage of 50 square metres;
- iii) A maximum height of 5 metres;
- iv) A maximum floor area of 65 square metre approx. 700 square feet);
- v) A hunt camp must be a minimum of 100 metres from an existing dwelling or public road;

- vi) A hunt camp shall not include servicing (septic system or well);
- vii) A hunt camp is only permitted where a building permit for a dwelling unit is not available; and
- viii) The provision of municipal road services on unopened road allowances or private rights-of-way will not be available.

3.13 Minimum Distance Separation

No building shall be constructed in the rural and agricultural zoned which does not conform to the MDSI and MDSII Formulas as the Ministry of Agriculture Food and Rural Affairs unless the building or structure is proposed on an existing lot of record.

Setbacks for new dwellings constructed on lots created after the approval of this By-law, other than the lot containing the barn from barns containing livestock shall be required in conformity with the MDSI Formula, attached to and forming part of this By-law as Schedule D.

New barns or expansions to existing barns shall require setbacks in conformity with the MDSII Formula, attached to and forming part of this By-law as Schedule E.

3.14 Minimum Opening Elevation

Where lands abut Lake Cecebe or Ahmic Lake no opening to a habitable building shall be located below the following elevations.

Abutting Lake Cecebe	285.60 m CGD
Abutting Ahmic Lake	283.16 m CGD

3.15 Mobile Homes

Mobile homes may be used as dwelling units in where they meet the following requirements:

- a) the structure must be constructed to C.S.A. Standard Z240 or Z241
- b) the structure is located on permanent foundations with the running gear and towing equipment removed

- c) the structure shall have at least 65 square metres of ground floor area
- d) the structure shall be completely enclosed from the surface of the finished grade to the roof; and
- e) the structure shall be fully serviced with running water, electricity and sanitary sewage facilities.

Building permits are required for the placement of mobile homes on any lands.

3.16 Multiple Uses on One Lot

Where any land, building or structure is used for more than one permitted use, the applicable Zone Provisions of this By-law which serve to regulate each such use shall be complied with.

3.17 Multiple Zones on One Lot

Where a lot is divided into more than one Zone under the provisions of this By-law, each such portion of the lot shall be used in accordance with the Zone provisions of this By-law for the applicable Zone as if it were a separate lot.

3.18 Legal Non-Complying Lots, Buildings and Structure

a) Buildings on Undersized Lots

Where a building or structure is located on a lot having less than the minimum frontage and/or lot area, and/or having less than the minimum setback, front yard and/or side yard and/or rear yard required by this By-law, the said building or structure may be enlarged, reconstructed, replaced, repaired and/or renovated provided that:

- i) the enlargement, reconstruction, replacement repair and/or renovation does not reduce the required front yard, and/ or required side yard, and/ or required rear yard or increase lot coverage beyond the requirements of this By-law;
- ii) the height of the existing legal non-complying building or structure is not increased, within a required yard.
- iii) the building or structure is being used for a purpose permitted within the Zone in which it is located;

iv) all other applicable Provisions of this By-law are complied with.

b) Existing Undersized Lots

Where a lot, having a lesser lot area and/or lot frontage than required herein, existed on the date of passing of this By-law, or where such a lot is created by a public authority or correction of title, such a smaller lot may be used and a permitted building or structure may be erected and/or used on such a smaller lot provided that all other applicable provisions of this By-law are complied with and provided that a sewage system that complies with the regulations under Building Code can be installed on the lands.

Lots which have been increased in lot area or lot frontage following enactment of this By-law shall be deemed to comply to the By-law, and may be used in accordance with the provisions of the By-law.

3.19 Non-Conforming Uses

a) Continuation of Existing Uses

The provisions of this By-law shall not apply to prevent the use of any existing lot, building or structure for any purpose prohibited by this By-law if such existing lot, building or structure was lawfully used for such purposes, prior to the effective date of this By-law and provided that the lot, building or structure continues to be used for that purpose.

b) Exterior Extension

The exterior of any building or structure which was lawfully used prior to the effective date of this by-law for a purpose not permissible within the Zone in which it is located, shall not be enlarged, extended, reconstructed or otherwise structurally altered, unless such building or structure is thereafter to be used for a purpose permitted within such Zone, and complies with all requirements of this By-law for such Zone unless these changes are necessary to provide for flood proofing or insulation of the building.

g) Interior Alteration

The interior of any building or structure which was lawfully used, prior to the effective date of the By-law, for a purpose not permissible within the Zone in which it is located, may be reconstructed or structurally altered for the existing purpose for which such building or structure was lawfully used.

d) Restoration

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any existing, legal non-conforming building or structure or part thereof, provided that the strengthening or restoration does not increase the building height, size or volume or change the existing, lawful use of such existing building or structure or unless these changes are necessary to provide for flood proofing or insulation of the building.

e) Reconstruction Of Existing Dwellings

Nothing in this By-law shall apply to prevent the reconstruction of any existing non-conforming dwelling which is damaged by causes beyond the control of the owner other than flooding, or which is demolished and reconstructed by the owner. The existing dwelling may be reconstructed in the same location on which it existed on the date of the passage of this By-law even if such did not comply with one or more of the provisions of this By-law, but the non-conformity may not be further increased.

Buildings damaged or destroyed as the result of natural flooding shall not be reconstructed except in accordance with the provisions of this By-law.

f) Building Permit Issued

The provisions of this By-law shall not apply to prevent the use of any existing lot, building or structure for any purpose prohibited by this By-law for which the footings or foundations have been constructed prior to the passing of this By-law, so long as the building or structure, is substantially completed within one year after the date of the passing of this By-law and a building permit is issued by the Chief Building Official.

3.20 Outdoor Storage

No portion of a lot shall be used for the storage of goods or materials unless such storage is within a building, or unless specifically permitted by this By-law and the following provisions are complied with, in the event that the storage is in the open:

- a) such open storage is accessory to the use of the main building on the lot;
- b) open storage is behind the front or exterior wall of the main building facing any street, and complies with all yard requirements;
- c) such open storage does not cover more than 15 percent of the lot area; and,
- d) any portion of a lot used for open storage is screened from adjacent uses and streets adjoining the lot, by a building, planting strip, and/or fence. All fences shall extend at least 1.8 metres in height from the ground.

3.21 Parking Area Regulations

- a) **Parking Space Requirements**

Parking spaces and areas are required under this By-law, in accordance with Table 1, the Parking Space Requirement Table. The owner of every building or structure erected or used for any of the purposes listed shall provide and maintain parking spaces and areas accordingly.

If any computation of parking space requirement as set forth in this section results in a number containing a fraction above 0.25, that remaining fraction shall be counted as one parking space.

Commercial uses on lots within the Village Commercial Zone in the Magnetawan Townsite shall not be subject to the parking requirements established in Table 1. The location of the parking area exemptions are identified on Schedule C-1 attached to and forming part of this By-law as Schedule D. (Parking Area Regulations for the Magnetawan Townsite)

b) Parking Area Surface

Parking spaces, areas and driveways connecting the parking space or area with a street shall be maintained with a stable surface which is treated so as to prevent the raising of dust. Such parking spaces or areas shall, before being used, be constructed of crushed stone, gravel, asphalt, concrete or similar material and shall include provisions for drainage facilities.

c) Ingress and Egress Provisions

i) ingress and egress to and from the required parking spaces and areas shall be provided by means of unobstructed driveways or passageways at least 3.0 metres but not more than 12.0 metres in perpendicular width;

ii) the maximum width of any joint ingress and egress driveway ramp measured along the street line shall be 9.0 metres;

iii) the minimum distance between any two driveways on one lot or between a driveway and an intersection of street lines measured along the street line intersected by such driveway shall be 8.0 metres; and,

iv) the minimum angle of intersection between a driveway and a street line shall be 60 degrees

d) More Than One Use on a Lot

When a building or structure accommodates more than one type of use, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use

e) Parking Area Location on Lot

Notwithstanding the yard and setback provisions of this By-law to the contrary, uncovered surface parking areas shall be permitted in the required yards or in the area between the street line and the required setback.

f) Additions To, or Changes In, The Use of Existing Buildings and Structures

The parking space requirements referred to herein shall not apply to any existing building or structure so long as the gross floor area is not increased. If any addition is made to a building or structure which increases its gross floor area, parking spaces for the addition shall be provided as required by the Parking Space Requirement Table. Where a change in use occurs, parking spaces shall be provided for such new use in accordance with the requirements of the Parking Space Requirement Table.

The provision of this paragraph shall not apply to require the establishment of parking spaces for a dwelling which existed at the date of passing of this By-law.

g) Use of Parking Spaces and Areas

Parking spaces and areas required in accordance with this By-law shall be used for the parking of operative, currently licensed vehicles only, and for vehicles used in operation incidental to the permitted uses on the lot.

h) Winter Use

If the parking area is required to be used in the winter, an additional area equal to 20% of the required area shall be provided for snow storage.

i) Barrier Free Parking

Where the parking requirement for any use is 4 or more spaces, barrier free parking spaces shall be provided in accordance with the following:

- a) Each space shall have a minimum width of 4 m and minimum length of 5.5 m
- b) Each space shall be hard-surfaced and level;
- c) Each space shall be located near and accessible to an entrance; and,

- d) Each space shall be appropriately identified for its intended use by persons with limited mobility or other disabilities.
- e) The number of barrier free spaces shall be 20% of the minimum off street parking requirements.

TABLE 1: PARKING SPACE REQUIREMENT TABLE

Type of Use	Minimum Off-street Parking Requirements
