Message from the Board

Welcome to all those that are entering, showing and attending the Magnetawan Fall Fair in 2024. Our Fair has roots that are embedded into the fabric of our community here in Magnetawan. Although folks have come and gone from Magnetawan, they still return to revisit the nostalgic moments of their time here and our Annual Fall Fair is certainly a big part of it. It draws people from all over to come and be a part of history in the making, as it has been for the past 146 years.

The history of Agricultural Fairs in Canada dates back to very early times. Fairs were a means to spread new ideas in animal husbandry, improving livestock production, and an opportunity to introduce the farming machines that were gradually beginning to appear.

There were flower shows, seed competitions, vegetable displays and exhibits of spinning, weaving, knitting and sewing. One of the most popular categories was Domestic Science: cooking, baking, preserving, canning, where now the men are competing with pride and showing their culinary skills.

While we have seen many changes in the last few years with the pandemic, changes in livestock showing and governmental regulations that have come into play, our commitment to hosting the Fair remains just as strong as it was back when we hosted our first Fair in 1877. Our exhibitors have continued to amaze us with awesome exhibits and contributions to enhancing the Fair in today's standards.

A great deal of time and thought has gone into producing this new Prize Book for 2024. It is our hope that you find some new and interesting changes that appeal to you, our exhibitors and potentially new exhibitors as well.

We would like to take this time to say a very big THANK YOU to our Sponsors of this Prize Book. We would also like to thank our Volunteers, our Community and Organizers for their countless hours of hard work and dedication to make our Fall Fair such a success.

The Magnetawan Fall Fair is great for all ages and offers each of us, young and old the opportunity to come together, to display our skills and to better understand the role agriculture plays in our lives. So come out and celebrate the pioneering spirit with us.

We'll see you at the Fall Fair!
