# Annex: Guide for Virtual Events

## Meet the Program Objectives

- Ensure that the event meets the objectives of the Program.
- Remember that Canada Day celebrations must take place on July 1, and that other celebrations must take place during the period of June 21 to July 1, 2021.

## What is Your Vision?

- Choose a date and time for your event.
- Decide on a platform (your organization's website, YouTube, Instagram, Snapchat, Facebook Live, Twitter Live, Vimeo, Zoom, Teams Live Event, Grenadine, etc.).
- Determine the scope of the project (local, regional, pan-Canadian).
- Determine the type of virtual event you want to have (hybrid, live, semi-live, pre-recorded).
- Form partnerships with other organizations that can help with facilitation, equipment, production and distribution.
- Promote your event in advance so your audience knows how and when to tune in (and don't forget to use #hashtags to widen your reach!)
- Ensure cultural and linguistic representation as you plan: showcase both official languages, and represent the diversity of your community in the content of your event (youth, seniors, multicultural groups, Indigenous people).
- Canadian Heritage may be able to offer you additional visibility via its social media platforms. If you would like us to help you promote your activity, please tag us in your social media messages using the handles below:

**Subject:** Celebrate Canada: Options for 2021 Celebrate Canada Events

Hello,

On behalf of the Department of Canadian Heritage's Celebrate Canada Program, I am writing to you to share the options available for your 2021 event.

### **VIRTUAL OPTION**

The Program strongly encourages all clients holding an in-person event to prepare a virtual option. Due to the constant changes of public health COVID-19 protocols, you may not be able to hold your event as originally planned, and therefore it is important to develop a back-up plan that can be easily executed if you are not able to hold your in-person event.

If you do decide to hold a virtual event instead of an in-person event, please advise us as soon as possible in order for us to accurately list your event on our website.

### **POSTPONE**

Due to the ongoing nature of the COVID-19 pandemic, the Celebrate Canada Program will allow clients to postpone their planned events until **September 6, 2021**, provided the event is the same as described in your funding application.

We ask that you advise us of your new event date as soon as possible in order for us to accurately list your event on our website.

### **CANCEL**

If you have decided to cancel your event this year, please advise us by e-mail as soon as possible so in order for us to accurately list your event on our website. Your departmental representative can give you information on how to return your funds.

If you wish to cancel your activities, but have incurred expenses related to the event since April 2021, you may be eligible for a reimbursement. Please send us an e-mail advising us of your decision and outlining the expenses incurred. Your departmental representative will assess your request and determine the amount of eligible expenses.

Of note, in light of the public health COVID-19 protocols, no promotional items will be sent out for the 2021 Celebrate Canada Period (Canada Day, National Indigenous Peoples Day, Saint-Jean Baptiste Day, and Canadian Multiculturalism Day). The Department of Canadian Heritage is currently working on virtual alternatives that will be offered to Celebrate Canada clients in the future.

Thank you for your quick reply. If we plan to do virtual events but only spend a portion of the grant funding can we defer the rest of the spending of the funds for a in person event in September?

Thanks so much

Hi Laura,

I would be glad to help you out as much as possible. If you were looking at doing a virtual show I could do it in my backyard and stream it via zoom for you. I believe I quoted you \$2500 and I would stick to that quote. If you wanted me to do a show there I would make sure you got one. You are not too late to book at all. As for the turn around I would say to be safe I would need 3-4 weeks lead time. Hope this helps, if you need more please don't hesitate to ask via email or phone call.

Sincerely,

Hi Joe

Hope you are doing well. I am reaching out as our Recreation Committee will be meeting in a few short weeks regarding Canada Day. We are trying to navigate and decide whether we are going to have virtual fireworks or not as it looks like being able to have a gathering will not be able to happen again this year. We had received quotes from you previously and I was hoping you might be able to tell me timelines if we do order how long it takes for the fireworks to come in or if we are too late to order for this upcoming Canada Day.

Stay safe and well
