COUNCIL MEETING MINUTES

April 15, 2026

1:00 pm

The meeting of the Council of the Corporation of the Municipality of Magnetawan was held at the Magnetawan Community Centre on Wednesday April 15, 2026, with the following present:

Mayor Sam Dunnett
Deputy Mayor John Hetherington
Councillor Bill Bishop
Councillor Brad Kneller
Councillor Jon Hind

Staff: CAO/Clerk Kerstin Vroom, Deputy Clerk Planning and Development Erica Kellogg, and Deputy Clerk Recreation Communications Laura Brandt were present for the entire meeting. Treasurer Stephanie Lewin, and Public Works Superintendent Scott Edwards were present for their respective section in the meeting.

OPENING BUSINESS

1.1 Call to Order

The meeting was called to order

1.2 Adoption of the Agenda

RESOLUTION 2026-85 Bishop-Hetherington

BE IT RESOLVED THAT the Council of the Municipality of Magnetawan amends the agenda to defer the Planning Act meeting Zoning By-law Amendment – Blyth – 112 Moonwing Drive to a Planning Act Meeting during the next regular meeting of Council on May 6, 2026.

Carried.

1.3 Adoption of the Previous Minutes

RESOLUTION 2026-86 Hetherington-Hind

BE IT RESOLVED THAT the Council of the Municipality of Magnetawan adopts the minutes of the Special Meeting of Council on March 25, 2026 and Regular Council meeting on March 25, 2026, as copied and circulated.

Carried.

1.3 Disclosure of Pecuniary Interest

Mayor Sam Dunnett stated that should anyone have a disclosure of pecuniary interest that they could declare the nature thereof now or at any time during the meeting.

DEPUTATION

Austin Toth – Huntsville Cancer Clinic

RESOLUTION 2026-87 Hetherington-Bishop

WHEREAS the Council of the Municipality of Magnetawan thanks Austin Toth for his Deputation Huntsville Cancer Clinic;

AND WHEREAS the Huntsville Cancer Clinic currently provides vital oncology services to residents of Huntsville and surrounding communities, including residents of the Municipality of Magnetawan;

AND WHEREAS cancer patients often require frequent visits for treatment, making proximity to care a critical factor in patient well-being, treatment adherence, and overall outcomes and relocating these services to Bracebridge would require significantly farther distances for treatment, increasing hardship for individuals already facing serious health challenges;

AND WHEREAS rural and northern residents already experience barriers to accessing healthcare, including transportation limitations, weather conditions, and financial constraints and maintaining equitable access to healthcare services across the region is essential to supporting healthy communities;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Municipality of Magnetawan strongly opposes the relocation of the Huntsville Cancer Clinic to Bracebridge and Council calls upon the Government of Ontario, the Ministry of Health, and Ontario Health to retain cancer care services in Huntsville;

AND FURTHER THAT the Municipality of Magnetawan urges other municipalities and stakeholders to join in advocating for the preservation of this critical healthcare service;

AND THAT this resolution be circulated to the Honourable Doug Ford, Premier, the Honourable Sylvia Jones, Deputy Premier and Minister of Health, the Honourable Graydon Smith MPP Muskoka Parry Sound, the Honourable Scott Aitchison MP Muskoka Parry Sound, FONOM, AMO, NOMA, and all affected Municipalities including Armour, Burk's Falls, Callander, Joly, Kearney, Machar, Magnetawan, McMurrich-Monteith Nipissing, Perry, Powassan, Ryerson, South River, Strong, Sundridge, Whitestone, Bracebridge, Gravenhurst, Huntsville, Lake of Bays, and Muskoka Lakes.

Carried.

Direction to Staff was given to circulate the motion to the Almaguin Highlands Health Council (AHHC).

RESOLUTION NO. 2026-

MAY 6, 2026

Moved by: _____

Seconded by: _____

WHEREAS the Moose Hide Campaign is an Indigenous-led, grassroots movement of men, boys and all Canadians standing up to end violence against women, children and all those along the gender continuum;

AND WHEREAS the Moose Hide Campaign was founded along the 'Highway of Tears' in British Columbia in response to the injustices and violence faced by many women and children in Canada, particularly those who are Indigenous;

AND WHEREAS Intimate Partner Violence (IPV) is at epidemic proportions across Canada with more than 4 in 10 women having experienced it in their lifetime, and this reality is worse for Indigenous women who are twice as likely to experience violence from their current or former partners;

AND WHEREAS the Moose Hide Campaign has distributed over five million moose hide pins that each spark five conversations about issues of violence against women, children and all those along the gender continuum;

AND WHEREAS wearing the moose hide pin demonstrates a commitment to honour, respect and protect the women and children in your life, end gender-based violence and take meaningful action towards reconciliation with Indigenous peoples;

AND WHEREAS participation in the Moose Hide Campaign is a concrete action for all citizens to address the legacies of colonization, residential schools and the reality of more than 1,200 missing or murdered women in Canada;

AND WHEREAS engagement with the Moose Hide Campaign aligns with the United Nations Declaration on the Right of Indigenous Peoples (UNDRIP), the Truth and Reconciliation Commission's Calls to Action, and the Calls for Justice of the National Inquiry into Missing and Murdered Indigenous Women and Girls (MMIWG2S+);

NOW THEREFORE BE IT RESOLVED THAT the Council of the Municipality proclaims May 14, 2026 as Moose Hide Campaign Day.

Subject: Municipal Leaders Standing Together for Safety and Healing

To: <sdunnett2@gmail.com>

Dear Mayor Dunnett,

The nature of the cause:

- The Moose Hide Campaign is an Indigenous-led grassroots movement aimed at reconciliation and ending gender-based violence in Canada. **This May 14, 2026, marks the 15th annual Moose Hide Campaign Day:** A National Day of Ceremony where Canadians from all backgrounds, cities, communities, cultures, and gender identities stand in solidarity against gender-based violence.
- The Moose Hide Campaign gives Canadians who are looking to participate in the nation's journey of reconciliation an accessible and important path forward and an opportunity to help stop violence in our communities once and for all.
- The Moose Hide Campaign is represented by a simple square of moose hide worn on the lapels of so many Canadians. To date, over 7-million moose hide pins have been given to Canadians. All levels of governments are choosing to embrace the Moose Hide Campaign.

Eligibility: non-profit group and national awareness day.

History and background of the organization/cause:

- The Moose Hide Campaign began as a BC-born Indigenous-led grassroots movement to engage men and boys in ending violence towards women and children. It has since grown into a nationwide movement of Indigenous and non-Indigenous Canadians from local communities, First Nations, governments, schools, colleges/universities, police forces and many other organizations – all committed to taking action to end this violence.
- Since the Campaign began over 10 years ago along the Highway of Tears, thousands of communities and organizations across Canada have held Moose Hide Campaign events and joined the annual Moose Hide Campaign Day ceremony. The campaign is grounded in Indigenous ceremony and traditional ways of knowing and being. A cornerstone of the Moose Hide Campaign

is the moose hide pin. Wearing the pin signifies your commitment to honour, respect, and protect the women and children in your life and speak out against gender-based and domestic violence.

We invite your support in the following ways:

Proclamation of Moose Hide Campaign Day

- Issue a proclamation in support of Moose Hide Campaign Day on May 14, 2026, to show the City's commitment to standing against gender-based violence and supporting the movement of reconciliation. You can find a Proclamation Template on our website [here](#).

Lighting of City Monuments

- We ask the City to light significant landmarks or monuments in the colour of the Moose Hide Campaign pin (golden yellow) to raise awareness and show solidarity with those working to end violence.
- The lighting will help spread a powerful message: That our communities have no space for gender-based violence and the community has been a part of the Moose Hide movement for many years: Student groups, families, business leaders, and politicians have all proudly worn the moose hide pin.

The requested date for the lighting:
May 14, 2026

The requested colour(s) for the lighting (RGB number or colour sample)
Golden yellow, similar to the colour of the moose hide pin.

R:255 G:168 B:1
#FFA801

Event Calendar Inclusion:

- We request that the Moose Hide Campaign Day be added to the City's official event calendar as part of ongoing efforts to promote awareness and reconciliation. This inclusion will provide an opportunity for residents to learn more about the campaign and how they can contribute to this important cause.

Newsletter Feature:

- We would greatly appreciate it if the City's newsletter or website could feature the Moose Hide Campaign in the lead-up to May 14, 2026, providing information on how individuals, families, and organizations can participate and make a difference. Sharing the significance of the campaign and offering participation options helps us engage even more community members in the movement.

Why Your Support Matters

- Lighting our landmarks, proclaiming the day, and sharing the campaign in your communications will contribute to a growing network of Canadians working together to create safe, respectful, and inclusive communities.
- The Moose Hide Campaign invites individuals and groups to take action whether by wearing the moose hide pin, sharing stories of healing, or joining events across the country.

A web link to more information on our organization:

- https://marketing.moosehidecampaign.ca/e/1041051/2026-04-23/3cccm/653192133/h/YSnntF4IQmnJDDc_wHangJm7ErnZDQU3Ri_-IUvVia4
- https://marketing.moosehidecampaign.ca/e/1041051/downloads/3cccm/653192133/h/YSnntF4IQmnJDDc_wHangJm7ErnZDQU3Ri_-IUvVia4

Thank you for your time and consideration of this request. We are hopeful that, with your support, we can raise awareness, create opportunities for healing, and promote an ongoing dialogue as part of Moose Hide Campaign Day on May 14, 2026. Reach out to us at info@moosehidecampaign.ca and we would be happy to provide any further details or assistance in bringing this vision to life.

WHEREAS the Council for the Municipality of Magnetawan receives the report from Patrick Townes, Planner MHBC for a Zoning By-law Amendment as a condition of consent, to rezone severed lot one, severed lot two and the retained lands from Residential Shoreline and Environmental Protection to Residential Shoreline exception forty-three (RS-43) implementing site-specific zoning provisions including limiting dock lengths and widths on the Magnetawan River to also include the access to the existing lot on the opposite side of the river;

AND WHEREAS the Zoning By-law Amendment application will rezone an area of severed lot two from Residential Shoreline to Environmental Protection (EP) due to the presence of Type 1 Fish Habitat identified in the Environmental Impact Study prepared by Terrastory Environmental Consulting Inc. dated September 15, 2025;

NOW THEREFORE BE IT RESOLVED the Council for the Municipality of Magnetawan supports the Zoning By-law Amendment application Blyth – 112 Moonwing Road (4944 030 00220100) and a By-law on this matter will be passed later in the meeting.

MUNICIPALITY OF MAGNETAWAN
NOTICE OF COMPLETE APPLICATION and PUBLIC MEETING FOR A ZONING BY-LAW AMENDMENT

TAKE NOTICE that the Municipality of Magnetawan has received a complete application to amend the Municipality's Zoning By-law under Section 34 of the *Planning Act* of the *Planning Act*, R.S.O., 1990. The Corporation of the Municipality of Magnetawan will hold a Public Meeting on:

April 15th 2026

At 1:00 pm. at the

Municipality of Magnetawan Community Centre, 4304 Hwy #520, Magnetawan, Ontario

THE PURPOSE OF THE PUBLIC MEETING is to consider a Zoning By-law Amendment application to amend Zoning By-law No. 2001-26 of the Municipality of Magnetawan, pursuant to Section 34 of the *Planning Act*, R.S.O. 1990, Chapter P. 13. A key map showing the location of the property affected by the Zoning By-law Amendment is attached to this notice.

DESCRIPTION OF THE LANDS The application for Zoning By-law Amendment applies to the subject property located at Con 9 Lot 15, former Township of Croft now in the Municipality of Magnetawan. Municipally known as 112 Moonwing Road.

THE PURPOSE AND EFFECT of the Zoning By-law Amendment is to fulfill a condition of provisional Consent that was approved by the Municipality of Magnetawan's Committee of Adjustment, File No. B07/2025. The Consent application proposed to create two new severed lots on the subject lands, in addition to one parcel for the purposes of providing access to a lot on the opposite side of the river. The Zoning By-law Amendment application if approved would address the following:

- 1) Implement zoning restrictions as outlined in the Environmental Impact Study, prepared by Terrastory Environmental Consulting Inc. dated September 15, 2025.
- 2) Apply site-specific zoning provisions to the parcel to be used for access to the property on the opposite side of the river.
- 3) Apply dock provisions for the shoreline lots, including but not limited to a maximum size to ensure no issues with navigability on the river.
- 4) Ensure all proposed lots meet the requirements of the Zoning By-law.

IF YOU WISH TO APPEAL the decision of the Municipality of Magnetawan to the Ontario Land Tribunal (OLT) in respect to the By-law, you may do so within twenty (20) days of the issuance of this notice by filing a Notice of Appeal via the OLT e-file at <https://olt.gov.on.ca/e-file-service/> by selecting Magnetawan [*Municipality of*] as the Approval Authority or by mail to the Deputy Clerk – Planning and Development, Municipality of Magnetawan, no later than 4:30 p.m. on or before the last date of appeal as seen in this notice. The filing of an appeal after 4:30 p.m., in person or electronically, will be deemed to have been received the next business day. If the efile portal is down, you can submit your appeal to: planning@magnetawan.com. Please consult the Ontario Land Tribunal's website (<https://olt.gov.on.ca/>) or call 1-866-448-2248 for further information regarding how to file an appeal and for the current filing fee.

WHO CAN FILE AN APPEAL

Pursuant to Section 34(19) of the *Planning Act R.S.O 1990, c. P.13*. a Notice of Appeal may be filed to the OLT by the following parties:

- The Applicant;
- A specified person who, prior to the decision, made oral submissions at a public meeting or written submissions to the Municipality of Magnetawan Council;
- A public body who, prior to the decision, made oral submissions at a public meeting or written submissions to the Municipality of Magnetawan Council;
- The registered owner who, prior to the decision, made oral submissions at a public meeting or written submissions to the Municipality of Magnetawan Council;
- The Minister.

No person or public body shall be added as a party to the hearing of the appeal unless, before the by-law was passed, the person or public body made oral submissions at the public meeting or written submissions to the Council of the Municipality of Magnetawan or, in the opinion of the OLT, there are reasonable grounds to add the person or public body as a party.

In accordance with Section 34(19) of the *Planning Act* third party appeals by persons or individuals are not permitted. When no appeal is lodged within the 20 days after the giving of notice, the decision becomes final and binding and notice to that effect will be issued by the Secretary.

The Notice of Appeal must:

- i. set out reasons for the appeal;
- ii. be accompanied by the fee as prescribed by the OLT per application, payable online though OLT e-file or by certified cheque or money order to the Minister of Finance. A copy of the Ontario Land Tribunal Fee Schedule may be found at <https://olt.gov.on>.

DATED at the Municipality of Magnetawan this 26th day of March, 2026

KEY MAP OF SUBJECT PROPERTY:

STAFF REPORT

TO: Erica Kellogg, Deputy Clerk – Planning & Development
Municipality of Magnetawan

FROM: Patrick Townes, BA, BEd and Jamie Robinson, BES, MCIP, RPP
MHBC Planning Limited

DATE: April 15, 2026

SUBJECT: Zoning By-law Amendment Application
Blyth – 112 Moonwing Road

Recommendation

Based on the land use planning analysis contained in this Planning Report, MHBC Planning Limited recommends:

THAT Council receives the Planning Report dated April 15, 2026, respecting the Zoning By-law Amendment application for the subject property located at 112 Moonwing Road (Blyth); and,

THAT Council approves the Zoning By-law Amendment and passes a By-law.

Proposal /Background

A Zoning By-law Amendment application has been submitted for the subject lands that are legally described as Part Lot 15, Concession 9 and are municipally known as 112 Moonwing Road. The subject lands are owned by Gary Blyth.

The purpose and effect of the Zoning By-law Amendment application is to fulfill a condition of provisional Consent that was approved by the Municipality of Magnetawan's Committee of Adjustment, File No. B07/2025. The Consent application proposed to create two new severed lots on the subject lands, in addition to one parcel for the purposes of providing access to an existing lot on the opposite side of the river.

The conditions of provisional Consent included the following:

That the owner obtains approval of a Zoning By-law Amendment to complete the following:

- a. Implement zoning restrictions as outlined in the Environmental Impact Study, prepared by Terrastory Environmental Consulting Inc. dated September 15, 2025.*
- b. Apply site-specific zoning provisions to the parcel to be used for access to the property on the opposite side of the river (shown in purple on Figure 3 of this Report).*

- c. Apply dock provisions for the shoreline lots, including but not limited to a maximum size to ensure no issues with navigability on the river.
- d. Ensure all proposed lots meet the requirements of the Zoning By-law.

The subject lands are shown on Figure 1 and the proposed lot configuration that identifies the proposed lots is shown on Figure 2. The lots that are subject to the Zoning By-law Amendment are identified on Figure 2.

Figure 1: Location of Subject Lands

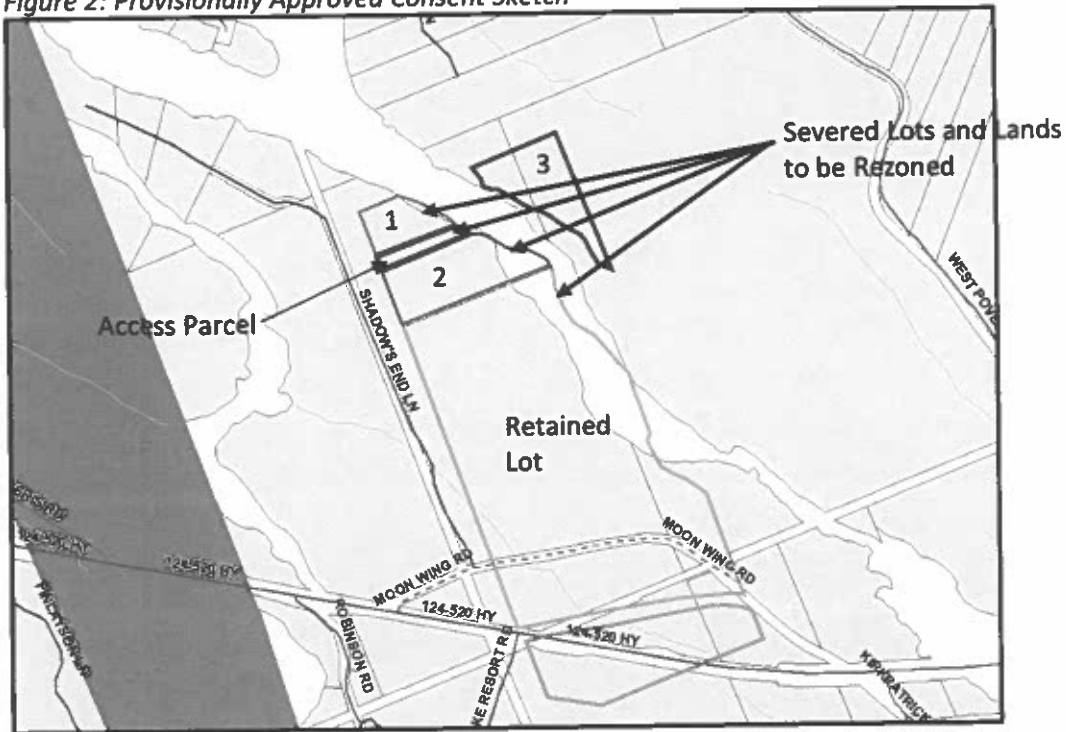

Figure 2: Provisionally Approved Consent Sketch

A copy of the Planning Report that was prepared for the Consent application is included as Attachment 1 to this Report. This Report provides all the background on the proposed lots and the parcel that is to be used for legal access to the existing lot on the opposite side of the river. The parcel to be used for access is located between Severed Lot 1 and Severed Lot 2, as shown on Figure 2.

The proposed Zoning By-law Amendment includes the following:

- To rezone Severed Lot 1, Severed Lot 2 and the Access Parcel to restrict the size and location of docks due to the width of the Magnetawan River at this location and to avoid any potential navigation issues.
- To require a minimum setback of 30 metres for a septic system from the shoreline on Severed Lot 1 and Severed Lot 2.
- To prohibit buildings and structures on the Access Parcel other than docks because the purpose of this land is to provide access to the existing lot on the opposite side the river.
- To include an area to be zoned Environmental Protection (EP) on Severed Lot 2 due to the presence of Type 1 Fish Habitat that was identified in the Environmental Impact Study; and to include minimum setbacks for future development from the proposed EP Zone and Type 1 Fish Habitat.

Policy Analysis

Provincial Planning Statement

The Provincial Planning Statement (PPS) is a document that provides policy direction on matters of Provincial interest concerning land use planning. Ontario has a policy-led planning system, and the PPS sets the foundation for regulating the development and use of land in the Province. Policies are set out to provide for appropriate development while also protecting resources of provincial interest, public health and safety, and the quality of the natural and built environment. When making land use planning decisions, Planning Authorities must ensure that all planning decisions are consistent with the PPS.

The subject lands are located outside of a Settlement Area and are considered Rural Lands in the context of the PPS. Section 2.6 of the PPS outlines policies for Rural Lands, which includes residential development, including lot creation. The existing and proposed residential uses on the lots are permitted in the context of the PPS.

Section 3.6.4 of the PPS states that individual on-site sewage services and individual on-site water services may be used for a new development provided that site conditions are suitable for the long-term provision of such services with no negative impacts. The proposed lots appear to be large enough to accommodate a private well and septic system.

Section 4.1 of the PPS provides for the long-term protection of Ontario's natural heritage features and areas. There is an Other Wetland located on the subject lands and the proposed Retained Lot. The Retained Lot is already developed, and the proposed Severed Lots are more than 120 metres from a wetland and are therefore not subject to the adjacent lands policies for wetlands.

The subject lands contain identified Fish Habitat along the shoreline in the Official Plan and portions of this area is already located within the EP Zone in the Zoning By-law. Section 4.1.6 of the PPS states that development and site alteration shall not be permitted in Fish Habitat

except in accordance with Federal and Provincial requirements. There are policies in the Municipality's Official Plan that require proposed development to be evaluated within 120 metres of Fish Habitat and therefore an Environmental Impact Study was completed. The Study identified a new portion of the subject lands that is Type 1 Fish Habitat and that is proposed to be rezoned to EP Zone on Severed Lot 2. The Study also included recommended minimum setbacks for future development within this area, and these will also be implemented in the proposed Zoning By-law Amendment.

The Environmental Impact Study also provided recommendations in regard to the Deer Wintering Area (Stratum 2) that was identified on the subject lands. Due to the presence of the river, the Fish Habitat and the Deer Wintering Area (Stratum 2), the Environmental Impact Study included the following recommendations to support the Consent application:

- All vegetation removal to occur between October 1 and March 31.
- No development within specified areas which will be rezoned to restrict development.
- No docks within 10 metres of the identified Type 1 Fish Habitat.
- A minimum setback of 30 metres for future buildings and structures from the identified Type 1 Fish Habitat.
- Septic systems to be located a minimum of 30 metres from the river.

The above noted items are implemented through the Zoning By-law Amendment and a Consent Agreement that is required to be entered into by the owner.

Section 5 of the PPS contains policies related to protecting public health and safety. In accordance with Section 5.2 of the PPS, the subject lands are located outside of hazardous lands and hazardous sites and not effected by a flooding hazard or erosion hazard.

The Zoning By-law Amendment application is consistent with the PPS.

Municipality of Magnetawan Official Plan

The Municipality's Official Plan provides policy direction on growth and development within Magnetawan. The policies in the Plan address the environment, cultural and built heritage, natural resources and servicing and transportation. In accordance with Schedule A of the Official Plan, the subject lands are designated Shoreline, Rural and Environmental Protection. There is also Fish Habitat identified along portions of the shoreline, and the subject lands are located within a Deer Wintering Area (Stratum 2).

Permitted uses in the Shoreline designation in the Official Plan are included in Section 5.4.1 and include detached dwellings. Section 5.2 of the Official Plan includes policies for the Rural designation. Permitted uses within the Rural designation include residential dwellings. The existing and proposed residential uses on the lots conform to the Official Plan.

Section 4 of the Official Plan includes general land use policies, including policies regarding wetlands and other natural heritage features and areas. There is an Other Wetland located on the subject lands and the proposed Retained Lot. The Retained Lot is already developed, and the proposed Severed Lots are beyond the adjacent lands of the wetland feature.

Section 4.7 of the Official Plan includes policies regarding Fish Habitat. Development located within 120 metres of Fish Habitat requires the potential impacts be considered. These areas identified in Schedule B of the Official Plan. The Official Plan requires that new lots shall be sufficiently large to provide an area of at least 10 metres of frontage that is outside of the

significant habitat area. Each of the proposed lots are large enough and have sufficient frontage on the river to meet this requirement.

Fish Habitat policies also specify setbacks of 30 metres from cool or cold-water stream and 15 metres from other streams. The Magnetawan River is considered a watercourse and the Zoning By-law requires a minimum development setback of 20 metres from a watercourse. In addition to the minimum setback from the watercourse, the Environmental Impact Study is recommending a minimum setback of 30 metres for buildings and structures from the area identified as Type 1 Fish Habitat on Severed Lot 2. This minimum setback will be implemented in the Zoning By-law Amendment.

Section 4.6 of the Official Plan includes policies regarding Deer Habitat. Within the significant deer habitat areas shown on Schedule B new lots should avoid areas of dense conifer cover or be of a sufficient size to provide a suitable development area including access and services, outside the most significant deer wintering habitat areas described above. The minimum lot size shall be 90 metres frontage and 90 metres depth. The Deer Wintering Area (Stratum 2) on the subject lands has been evaluated through the Environmental Impact Study.

Due to the presence of the river, the Fish Habitat and the Deer Wintering Area (Stratum 2), the Environmental Impact Study included the following recommendations to support the Consent application:

- All vegetation removal to occur between October 1 and March 31.
- No development within specified areas which will be rezoned to restrict development.
- No docks within 10 metres of the identified Type 1 Fish Habitat.
- A minimum setback of 30 metres for future buildings and structures from the identified Type 1 Fish Habitat.
- Septic systems to be located a minimum of 30 metres from the river.

The above noted items are implemented through the Zoning By-law Amendment and a Consent Agreement that is required to be entered into by the owner.

The Zoning By-law Amendment conforms to the Official Plan.

Municipality of Magnetawan Zoning By-law

The subject lands are located within the Shoreline Residential (RS) Zone and Environmental Protection (EP) Zone in the Zoning By-law.

The minimum lot area for properties within the Shoreline Residential (RS) Zone is 1.0 hectare and the minimum lot frontage is 90 metres. In accordance with the proposed lot statistics provided in Table 1, the proposed lots that are to be developed in the future meet these requirements.

Table 1: Proposed Lot Size Requirements

Zoning Provision	Zoning Requirement	Severed Lot 1	Severed Lot 2	Retained Lot
Lot Area	1.0 hectare	1.43 hectares	2.11 hectares	34.4 hectares
Lot Frontage	90 metres	110 metres	90 metres	412 metres

A draft Zoning By-law Amendment has been drafted and is included in this Report as Attachment 2. The proposed Zoning By-law Amendment includes the following:

- To rezone Severed Lot 1, Severed Lot 2 and the Access Parcel to restrict the size and location of docks due to the width of the Magnetawan River at this location and to avoid any potential navigation issues.
 - Docks shall have a maximum length of 15 metres.
 - The approximate width of the river at this location is 80 metres. The proposed maximum width of 15 metres is less than 20% of the width which is the typical threshold for narrow water bodies.
 - Docks shall have a maximum width of 3 metres.
 - Docks shall be located a minimum of 3 metres from the interior side lot line and a straight-line projection of the interior side lot line.

- To require a minimum setback of 30 metres for a septic system from the shoreline on Severed Lot 1 and Severed Lot 2.

- To prohibit buildings and structures on the Access Parcel other than docks because the purpose of this land is to provide access to the existing lot on the opposite side the river.
 - A minimum frontage of 10 metres shall be required on Shadows End Lane and a minimum frontage of 10 metres shall be required on the Magnetawan River.
 - A maximum frontage of 20 metres shall be required on Shadows End Lane and a maximum frontage of 20 metres shall be required on the Magnetawan River.
 - These minimum and maximum standards ensure that the size of the Access Parcel is appropriate for the limited use.

- To include an area to be zoned Environmental Protection (EP) on Severed Lot 2 due to the presence of Type 1 Fish Habitat that was identified in the Environmental Impact Study; and to include minimum setbacks for future development from the proposed EP Zone and Type 1 Fish Habitat.

These measures ensure that the recommendations that are applicable to zoning from the Environmental Impact Study are implemented on the proposed lots.

Comments from Departments

Please note limited comments were received at the time this Staff Report was prepared.

Road Department: no comments were received

Fire Chief: Severed and Retained would receive limited services due to the private road providing primary access.

Building Department: no comments were received

By-law Department: no comments were received

Summary

The proposed Zoning By-law Amendment is consistent with the PPS and conforms to the Municipality's Official Plan. The proposed amendment will satisfy a condition of provisional Consent and will implement the recommendations contained within the Environmental Impact Study that was prepared in support of the Consent application. Additional site-specific zoning items are also included to limit dock lengths on the river and to limit the uses on the parcel to be used to access the existing lot on the opposite side of the river.

Respectfully submitted,

Zoning By-law Amendment Application
Blyth – 112 Moonwing Road**

STAFF REPORT

TO: Erica Kellogg, Deputy Clerk – Planning & Development
Municipality of Magnetawan

FROM: Patrick Townes, BA, BEd and Jamie Robinson, BES, MCIP, RPP
MHBC Planning Limited

DATE: November 19, 2025

SUBJECT Consent Application – 112 Moonwing Road (Blyth)
Municipality of Magnetawan

Recommendation

That the Consent application for the subject lands located at 112 Moonwing Road (Blyth) to create two new lots, Severed Lot 1 and Severed Lot 2 as shown on Figure 3 of this Report. In addition to the proposed Severed Lots, it is recommended that an additional parcel be created with a width of 10 to 20 metres to provide access to the lot on the opposite side of the river and be legally tied together so that they cannot be sold separately. In accordance with the recommended lot configuration as shown in Figure 3, the Consent application be provisionally approved so that the lots are in substantial compliance with the sketch, subject to the following conditions:

1. That the applicant meet all financial requirements of the Municipality, including the payment of the balance of any outstanding taxes, including penalties and interest be paid;
2. That a draft survey of the proposed lots be provided to the Municipality for review and approval;
3. That a registrable description of the proposed lots and a copy of the Reference Plan be deposited to the Land Registry office and be submitted to the Municipality;
4. That the owner obtains approval of a Zoning By-law Amendment to complete the following:
 - a. Implement zoning restrictions as outlined in the Environmental Impact Study, prepared by Terrastory Environmental Consulting Inc. dated September 15, 2025.

- b. Apply site-specific zoning provisions to the parcel to be used for access to the property on the opposite side of the river (shown in purple on Figure 3 of this Report).
 - c. Apply dock provisions for the shoreline lots, including but not limited to a maximum size to ensure no issues with navigability on the river.
 - d. Ensure all proposed lots meet the requirements of the Zoning By-law.
5. That the owner enters into a Section 118 Agreement to tie the parcel to be used for access to the property on the opposite side of the river (shown in purple on Figure 3 of this Report) so that the lots cannot be sold separately.
6. That the owner enters into a Consent Agreement to implement the recommendations within the Environmental Impact Study prepared by Terrastory Environmental Consulting Inc. dated September 15, 2025.
7. That the owner provides written confirmation that sufficient capacity exists for treatment capacity for hauled sewage to the satisfaction of the Municipality.
8. That the applicant pay to the Municipality a parkland contribution fee for the new residential lot to be created as cash-in-lieu of a parkland contribution pursuant to Section 53 (13) of the Planning Act, R.S.O. 1990 c. P. 13; and,
9. That the conditions of Consent be fulfilled within two years from the date of the giving of the notice by the Municipality of Magnetawan.

Proposal/Background

A Consent and Easement application has been submitted for the subject lands located at 112 Moonwing Road in the Municipality of Magnetawan. The subject lands are owned by Gary Blyth. The subject lands are shown on Figure 1.

Figure 1: Subject Lands

The purpose and effect of the proposed Consent application is to create two new lots on the subject lands. The subject lands have a lot area of approximately 34 hectares (84 acres) and a portion of the Magnetawan River traverses the subject lands. Without the area occupied by the river, the subject lands would be considered an original 40 hectare (100 acre) lot.

The subject lands are comprised of lands on the north and south side of Moonwing Road; and on both sides of the Magnetawan River. The proposed severed lots have lot frontage on the Magnetawan River and frontage on Shadow's End Lane. It is understood that the lands on the opposite side of the Magnetawan River and Moonwing Road are eligible for a natural severance. The owner also applied for an access easement near the proposed boundary between Severed Lot 1 and Severed Lot 2 in order to provide access to the lot created by way of natural severance on the other side of the Magnetawan River.

For the proposed severed lots and the retained lot (excluding the natural severance lots), Table 1 provides a summary of the lot areas and lot frontages. The proposed lot configuration is shown on Figure 2. Severed Lot 1 is outlined in green, Severed Lot 2 is outlined in red, the Retained Lot is outlined in orange, and the lots created by natural severances are outlined in purple and blue.

Table 1: Proposed Lot Statistics

Zoning Provision	Severed Lot 1	Severed Lot 2	Retained Lot
Lot Frontage	110 metres	90 metres	412 metres
Lot Area	1.8 hectares	2.5 hectares	27 hectares

Figure 2: Proposed Lot Configuration

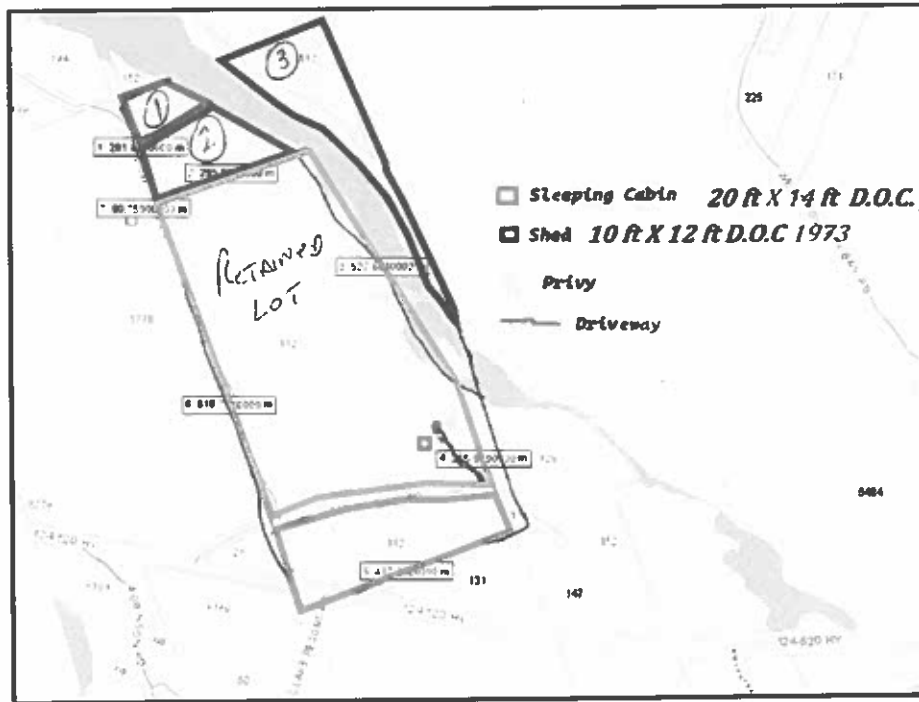

Table 1: Proposed Lot Areas and Lot Frontages

Zoning Provision	Severed Lot 1	Severed Lot 2	Retained Lot
Lot Frontage	110 metres	90 metres	412 metres
Lot Area	1.8 hectares	2.5 hectares	34.4 hectares

Severed Lots 1 and 2 have lot frontage on the Magnetawan River and are accessed by Shadows End Lane which is privately maintained but municipally owned. The Retained Lot has lot frontage on the Magnetawan River and can be accessed from Shadows End Lane or Moonwing Road which is identified as a municipally maintained road.

The subject lands are located within the Shoreline, Rural and Environmental Protection designation in the Official Plan. The Environmental Protection designation is representative of other wetland that is identified on the subject lands. There is also Fish Habitat identified along portions of the shoreline, and the subject lands are located within a Deer Wintering Area (Stratum 2). Due to the presence of Fish Habitat and a Deer Yard, a Scoped Environmental Impact Study was requested to be submitted with the application.

The subject lands are currently located within the Shoreline Residential (RS) Zone, Environmental Protection (EP) Zone, and Rural Residential (RR) Zone.

The owner has indicated that there is an existing dwelling and accessory building on the proposed Retained Lot. The location of the existing development on the Retained Lot is identified on Figure 2.

The surrounding land uses generally include rural, rural residential and shoreline residential uses.

Following a review of the application, including the proposed easement to provide legal access to the one natural severance lot on the opposite side of the river, Planning Staff are suggesting an alternative to the easement. The proposed easement is likely to be used by vehicles and could include a docking facility on the river, in order to provide legal access to the one natural severance lot on the opposite side of the river, identified as the purple lot in Figure 2. It is recommended that a separate parcel be created that has a width of 10 to 20 metres, between the boundary between Severed Lot 1 and Severed Lot 2 instead of the easement. This parcel would not be counted as an additional lot because Planning Staff are recommending that it be legally tied to the purple lot shown on Figure 2 by way of a Section 118 Agreement. These lots would need to be sold together legally. By creating a separate parcel, the Municipality can apply site-specific zone provisions to prohibit buildings and structures and to include maximum dock size/locations on the shoreline of the river as well. In this case a separate parcel is more appropriate based on how the previously proposed easement could be used.

The recommended lot configuration including the additional parcel is shown on Figure 3. The recommended parcel and lot on the opposite side of the river are outlined in purple on Figure 3. A zoomed in image of the purple lot is shown in Figure 4.

Figure 3: Recommended Lot Configuration

Figure 4: Proposed Access Parcel

Policy Analysis

Provincial Planning Statement

The Provincial Planning Statement (PPS) came into effect on October 20, 2024. The PPS is the statement of the government's policies on land use planning and is intended to provide policy direction on land use matters which are in the Provincial interest. All land use planning decisions are required to be consistent with the PPS.

All applications made under the *Planning Act*, must be consistent with the PPS. The subject lands are considered as Rural Lands in the context of the PPS. Section 2.6 establishes permitted uses for Rural Lands within municipalities. Section 2.6.1 c) identifies residential development, including lot creation where site conditions are suitable for the provision of appropriate sewage and water services. Lot creation for the purposes of residential uses is a permitted use on the subject lands. Resource-based recreational uses are also permitted on shoreline residential lots.

Section 3.6.4 of the PPS states that where municipal sewage services and municipal water services or private communal sewage services and private communal water services are not available, planned or feasible, individual on-site sewage services and individual on-site water services may be used provided that site conditions are suitable for the long-term provision of such services with no negative impacts. The proposed lots appear to be large enough to accommodate a private well and septic system.

Section 4.1 of the PPS provides for the long-term protection of Ontario's natural heritage features and areas. There is an Other Wetland located on the subject lands and the proposed Retained Lot. The Retained Lot is already developed, and the proposed Severed Lots are more

than 120 metres from a wetland and are therefore not subject to the adjacent lands policies for wetlands.

Due to the presence of Fish Habitat and a Deer Yard, a Scoped Environmental Impact Study was requested to be submitted with the application. The Study was prepared by Terrastory Environmental Consulting Inc., dated September 15, 2025. The conclusions of the Study support the creation of the Severed Lots, in accordance with the following:

- All vegetation removal to occur between October 1 and March 31.
- No development within specified areas which will be rezoned to restrict development.
- No docks within 10 metres of the identified Type 1 Fish Habitat.
- A minimum setback of 30 metres for future buildings and structures from the identified Type 1 Fish Habitat.
- Septic systems to be located a minimum of 30 metres from the river.
- Other items to be implemented in a Consent Agreement.

It is recommended that the conditions of provisional Consent include the requirement to obtain a Zoning By-law Amendment to implement additional development restrictions for the specific areas identified in the Study and to require a Consent Agreement to require future owners to implement the mitigation measures as outlined in the Study.

Subject to the recommended conditions of provisional Consent, the proposed Consent application is consistent with the PPS.

Municipality of Magnetawan Official Plan

The Municipality's Official Plan provides policy direction on growth and development within Magnetawan. The policies in the Official Plan address the environment, cultural and built heritage, natural resources and servicing and transportation.

The subject lands are located within the Shoreline, Rural and Environmental Protection designation in the Official Plan. The Environmental Protection designation is representative of an other wetland that is identified on the subject lands. There is also Fish Habitat identified along portions of the shoreline, and the subject lands are located within a Deer Wintering Area (Stratum 2).

The location of the proposed Severed Lots and the Retained Lot are connected to the shoreline. Permitted uses in the Shoreline designation in the Official Plan are included in Section 5.4.1 and include detached dwellings.

Section 5.4.2 of the Official Plan includes policies regarding shoreline development and states that new lots should be no smaller than 1 hectare with 90 metres of water frontage. The proposed lots meet these requirements.

Section 7.1.1 of the Official Plan contains consent criteria that are applicable to Consent applications. Table 2 below summarizes the Consent policies.

Table 2: Official Plan Section 7.7.1 Summary

Policy 7.7.1 Severance Criteria	Does the Application Conform?
a) A registered plan of subdivision is not necessary for the orderly development of the lands.	A Plan of Subdivision is not required. A Consent application is appropriate for the creation of two new lots on the subject lands in accordance with the policies of the Official Plan.
b) The lot size and setback requirements will satisfy specific requirements of this Plan and meet the implementing zoning by-law requirements.	The proposed Severed Lots and Retained Lot meet the lot requirements in the Zoning By-law. Site-specific zone provisions are recommended for the new parcel in place of the proposed easement, to prohibit buildings and structures and to allow the Municipality to establish dock provisions. This area is outlined in purple on Figure 3.
c) The proposed lot must front on a publicly maintained road or, within the Shoreline designation, between existing lots on an existing private road with a registered right-of-way to a municipally maintained road or be a condominium unit, which may be created on private roads having access to a municipal year round road.	Severed Lots 1 and 2 have lot frontage on the Magnetawan River and are accessed by Shadows End Lane which is privately maintained but municipally owned. The Retained Lot has lot frontage on the Magnetawan River and can be accessed from Shadows End Lane or Moonwing Road which is identified as a municipally maintained road.
d) Lots for hunt camps, fishing camps, wilderness tourist camps or similar uses may be permitted on unmaintained municipal road allowances or on private right of ways to publicly maintained roads provided that the appropriate agreements are in place to ensure that the Municipality has no liability with respect to the use of these roads.	This policy is not applicable.
e) The lot must have road access in a location where traffic hazards such as obstructions to sight lines, curves or grades are avoided;	No traffic impacts are anticipated as a result of the proposed lots. An entrance would be required for the proposed easement or the separate parcel to access the purple lot on the opposite side of the river shown on Figure 3.
f) The lot size, soil and drainage conditions must allow for an adequate building site and to allow for the provision of an adequate means of sewage disposal and water supply, which meets the requirements of the Building Code, the lot must have safe access and a	The existing development on the proposed Retained Lot is serviced with a well and septic system. The proposed Severed Lots appear large enough to accommodate septic systems.

Policy 7.7.1 Severance Criteria	Does the Application Conform?
building site that is outside of any flood plain or other hazard land.	
g) Notwithstanding subsection c), lots created for seasonal or recreational purposes may be permitted where the access to the lot is by a navigable waterbody provided that Council is satisfied that there are sufficient facilities for mainland parking and docking.	Planning Staff are recommending that a separate parcel be created and tied with the purple lot on the on the opposite side the river to provide legal access.
h) Any lot for permanent residential use shall be located on a year round maintained municipal road or Provincial highway.	The Severed Lots are shoreline residential lots. Severed Lots 1 and 2 have lot frontage on the Magnetawan River and are accessed by Shadows End Lane which is privately maintained but municipally owned. The Retained Lot has lot frontage on the Magnetawan River and can be accessed from Shadows End Lane or Moonwing Road which is identified as a municipally maintained road.
i) In the Rural designation, new lots created by consent shall be limited to the following: <ul style="list-style-type: none"> i. The Township will permit the creation of up to eight new lots per year. The new lots must comply with the regulations as set out in the implementing Zoning By-law. ii. two lots per original hundred acre lot; iii. one lot for each 50 acre parcel which existed as of the date of approval of this Plan; and iv. infilling between existing residences within 300 metres of each other on the same side of a municipal road or Provincial highway 	This policy is not applicable. The proposed lots are connected to the shoreline and therefore considered to be located within the Shoreline designation.
j) The creation of any lot will not have the effect of preventing access to or land locking any other parcel of land.	<p>The proposed lot configuration will not prevent access to any other parcel of land nor prevent any other parcel from obtaining water access.</p> <p>Planning Staff are recommending that a separate parcel be created and tied with the purple lot on the on the opposite side the river to provide legal access.</p>
k) Any severance proposal on land adjacent to livestock operations shall meet the Minimum	The subject lands are not adjacent to livestock operations.

Policy 7.7.1 Severance Criteria	Does the Application Conform?
Distance Separation Formula I in accordance with the MDS Guidelines and shall demonstrate that the proposed water supply has not been contaminated from agricultural purposes.	

The Official Plan includes policies regarding adjacent lands to other wetland features, Deer Habitat and Fish Habitat.

There is an Other Wetland located on the subject lands and the proposed Retained Lot. The Retained Lot is already developed, and the proposed Severed Lots are beyond the adjacent lands of the wetland feature.

Due to the presence of Fish Habitat and a Deer Yard, a Scoped Environmental Impact Study was requested to be submitted with the application. The Study was prepared by Terrastory Environmental Consulting Inc., dated September 15, 2025. The conclusions of the Study support the creation of the Severed Lots, in accordance with the following:

- All vegetation removal to occur between October 1 and March 31.
- No development within specified areas which will be rezoned to restrict development.
- No docks within 10 metres of the identified Type 1 Fish Habitat.
- A minimum setback of 30 metres for future buildings and structures from the identified Type 1 Fish Habitat.
- Septic systems to be located a minimum of 30 metres from the river.
- Other items to be implemented in a Consent Agreement.

It is recommended that the conditions of provisional Consent include the requirement to obtain a Zoning By-law Amendment to implement additional development restrictions for the specific areas identified in the Study and to require a Consent Agreement to require future owners to implement the mitigation measures as outlined in the Study.

Subject to the recommended conditions of provisional Consent, the proposed Consent application conforms to the Official Plan.

Municipality of Magnetawan Zoning By-law

The subject lands are located within the Shoreline Residential (RS) Zone and Environmental Protection (EP) Zone in the Zoning By-law. The minimum lot area for properties within the Shoreline Residential (RS) Zone is 1.0 hectare and the minimum lot frontage is 90 metres. All of the proposed lots meet these requirements.

It is recommended that a separate parcel be created that has a width of 10 to 20 metres between the boundary between Severed Lot 1 and Severed Lot 2. This would not be counted as an additional lot because Planning Staff are recommending that it be legally tied to the purple lot shown on Figure 3 on the opposite side of the river, by way of a Section 118 Agreement. By creating a separate parcel, the Municipality can apply specific zone provisions to prohibit buildings and structures and to include maximum dock size/locations as well. In

this case a separate parcel is more appropriate based on how the previously proposed easement could be used.

A Zoning By-law Amendment is recommended to implement restrictions as outlined in the Environmental Impact Study and to implement site-specific provisions for the proposed parcel to access Lot #3 on the opposite side of the river.

Comments from Departments

The following comments have been received:

Road Department: Shadows End Lane is privately maintained but municipally owned, an Entrance Permit will be required for new driveways off Shadows End Lane and Moonwing.

Fire Chief: No concerns.

Building Department: No concerns.

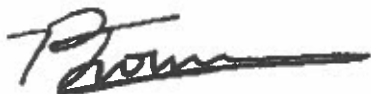

By-law Department: No concerns.

Summary

Subject to the recommended conditions of provisional Consent, the Consent application is consistent with the PPS and conforms to the Municipality's Official Plan. It is recommended that proposed Consent application be provisionally approved, subject to the conditions outlined in this Report.

The recommendation includes an additional parcel to be created and to be used to access the purple lot shown on Figure 3 on the opposite side of the river. It is recommended that this parcel be tied together with the property on the opposite side of the river so that they cannot legally be sold separately.

THE CORPORATION OF THE MUNICIPALITY OF MAGNETAWAN

BY-LAW NO. 2026 -

Being a By-law to amend By-law No. 2001-26, as amended, the Zoning By-law for the Corporation of the Municipality of Magnetawan with respect to lands located at Concession 9, Part Lot 15 PCL 16252 SS REG 82 45AC 1320 00FR, municipally known as 112 Moonwing Road, Croft (Blyth 030 00220100).

WHEREAS the Council of the Corporation of the Municipality of Magnetawan is empowered to pass By-laws to regulate the use of land pursuant to Section 34 of the *Planning Act*, R.S.O. 1990;

AND WHEREAS the owner of the subject lands has filed an application with the Municipality of Magnetawan to amend By-law 2001-26, as amended;

AND WHEREAS the Council of the Corporation of the Municipality of Magnetawan deems it advisable to amend By-law No. 2001-26, as amended, to rezone a portion of the subject lands from the Shoreline Residential (RS) Zone and the Environmental Protection (EP) Zone, to the Shoreline Residential Exception Forty Three (RS-43) Zone and to the Shoreline Residential Exception Forty Four (RS-44) Zone and to add a new portion to the Environmental Protection (EP) Zone;

NOW THEREFORE the Council of the Corporation of the Municipality of Magnetawan enacts as follows:

1. That Schedule 'A-2', to Zoning By-law No. 2001-26 as amended, is further amended by zoning a portion of the subject lands legally described Concession 9, Lot 15 PCL 16252 SS REG 82 45AC 1320 00FR, municipally known as 112 Moonwing Road, Croft Township, Municipality of Magnetawan, from the Shoreline Rural (RS) Zone and the Environmental Protection (EP) Zone, to the Shoreline Residential Exception Forty Three (RS-43) Zone, to the Shoreline Residential Exception Forty Four (RS-44) Zone and a new portion to the Environmental Protection (EP) Zone as shown on Schedule 'A' attached forming part of this By-law.
2. That Section 4.2.4 of Zoning By-law No. 200-26 as amended, is further amended by adding the following:

4.2.4.32 Shoreline Residential Exception Forty Three (RS-43) Zone

Notwithstanding the provisions and permitted uses of this By-law to the contrary, within the Shoreline Residential Exception Forty-Three (RS-43) Zone, the following shall apply:

1. *A dock shall have a maximum length of 15 metres;*
2. *A dock shall have a maximum width of 3 metres;*
3. *A dock shall be setback a minimum of 3 metres from an interior side lot line and the straight-line projection of the interior side lot line;*

4. *A dock shall be located a minimum of 10 metres from an Environmental Protection (EP) Zone on the shoreline;*
 5. *Buildings and structures shall be located a minimum of 30 metres from an Environmental Protection (EP) Zone on the shoreline; and,*
 6. *Septic systems shall be setback a minimum of 30 metres from a watercourse or waterbody.*
3. That Section 4.2.4 of Zoning By-law No. 200-26 as amended, is further amended by adding the following:

4.2.4.33 Shoreline Residential Exception Forty Four (RS-44) Zone, as amended Lot 15, Concession 9, PCL 16252 SS REG 82 45AC 1320 00FR, Croft Township (112 Moonwing Road)

Notwithstanding the provisions of this By-law to the contrary, within the Shoreline Residential Exception Forty-Four (RS-44) Zone the following shall apply:

1. *A maximum of 1 dock shall be permitted;*
2. *A dock shall have a maximum length of 15 metres;*
3. *A dock shall have a maximum width of 3 metres;*
4. *A dock shall be setback a minimum of 3 metres from an interior side lot line and the straight-line projection of the interior side lot line;*
5. *No buildings and structures shall be permitted other than one (1) dock;*
6. *A minimum frontage of 10 metres shall be required on Shadows End Lane and a minimum frontage of 10 metres shall be required on the Magnetawan River; and,*
7. *A maximum frontage of 20 metres shall be required on Shadows End Lane and a maximum frontage of 20 metres shall be required on the Magnetawan River.*

This By-law shall take effect on the date of its passage, subject to the provisions of Section 34 (30) and (31) of the *Planning Act* (Ontario).

READ A FIRST, SECOND AND THRID TIME, passed, signed and the Seal of the Corporation affixed hereto, this 15th day of April, 2026.

**APPLICATION FORM
ZONING BY-LAW AMENDMENT**

Date Received by Municipality: Feb 27 2016

1) APPLICATION INFORMATION

Name of Applicant: GARY BLYTH
Mailing Address: 125 TOLL ROAD HOLLAND LANDING ON LGN 168
Telephone Number (Home): 905 252 5712 Fax Number: _____
Telephone Number (Business): _____ Fax Number: _____

2) REGISTERED OWNER

If the Applicant is not the Registered Owner of the subject lands, then authorization from the Owner is required, as well as the following information:

Owners Name: _____
Mailing Address: _____
Telephone Number (Home): _____ Fax Number: _____

Correspondence to be sent to: Owner Agent Both

3) MORTGAGES, CHARGES OR OTHER ENCUMBRANCES

Name: _____
Mailing Address: _____
Name: _____
Mailing Address: _____

4) SUBJECT LANDS

Geographic Township: Croft Concession: 09 Lot: 15
Reference Plan: 4944 030 000220100 Part/Block/Lot: _____
Street Name and Number: 112 MOONWING ROAD
(If corner lot, please include both Street Names)

Water Access only: _____
(Name of Waterbody)

Area of subject lands (ha): _____ Frontage (m): _____ Depth (m): _____

See attached draft Survey

5) **OFFICIAL PLAN / ZONING STATUS**

What is the current designation of the *subject lands* in the approved Official Plan?

What is the current Zoning?
Rural

6) **REASONS FOR REQUEST**

Please describe the reasons for and extent of, the request:

Severance

7) **ACCESS**

Are the subject lands accessible by:

- Provincial Highway
- Municipal Road (seasonal maintenance)
- Municipal Road (year round maintenance)
- Right of Way
- Unopened Road Allowance
- Water Access
- Other (describe) _____

8) **BUILDINGS, STRUCTURES AND USES**

What are the existing buildings on the subject land? No

What are they used for? _____

Please complete the following for each building or structure:

	Building One	Building Two	Building Three
Type of Building			
Setback from Front Lot Line			
Setback from Rear Lot Line			
Setback from Side Lot Line			
Setback from Side Lot Line			
Height (metres)			
Dimensions			
Floor Area			
Date of Construction			

What is the proposed future use of the subject lands: Residential Use

Are any buildings or structures to be build on the subject lands?

yes no

If yes, please complete the following for each building or structure:

	Building One	Building Two	Building Three
Type of Building			
Setback from Front Lot Line			
Setback from Rear Lot Line			
Setback from Side Lot Line			
Setback from Side Lot Line			
Height (metres)			
Dimensions			
Floor Area			
Date of Construction			

When were the subject lands acquired by the current owner? 2009 Approx

How long have the "existing uses" continued on the subject lands? 2009 or more

9) **SERVICING**

	<u>Municipal</u>	<u>Private</u>	<u>Other</u>
Water Supply	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Sewage Disposal	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Frontage on Road	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Is storm drainage provided by:	<input type="checkbox"/> Sewer	<input type="checkbox"/> Ditch	<input type="checkbox"/> Swale
	<input type="checkbox"/> Other (describe) _____		

10) **OTHER APPLICATIONS**

Are the subject lands also the subject of an application under the Planning Act for approval of a Plan of Subdivision or a Consent? yes no

If yes, what is the file number? 307 1025

What is the status of the application? _____

Have the subject lands ever been the subject of an application under Section 34 of *The Planning Act* (rezoning)? yes no

If yes, please provide a brief explanation: _____

11) DRAWINGS

Please include a sketch showing the following:

- the boundaries and dimensions of the subject land;
- the location, size and type of all existing and proposed buildings and structures on the subject land, indicating the distance of the building or structures from the front yard lot line, rear yard lot line and side yard lot lines;
- the approximate location of all natural and artificial features on the subject land and on land that is adjacent to the subject land that, in the opinion of the applicant, may affect the application. Examples include: buildings, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas, wells and septic tanks;
- the current uses on land that is adjacent to the subject land;
- the location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right-of-way;
- if access to the subject land is by water only, the location of the parking and docking facilities to be used; and
- the location and nature of any easement affecting the subject land.

Required Sketch

See attached
draft survey

Required Sketch should include the following:

- ✓ Lot dimensions
- ✓ Major Physical Features
- ✓ Surrounding Land Uses
- ✓ Buildings and Structures
- ✓ Sewage and Water Systems

THE CORPORATION OF THE MUNICIPALITY OF MAGNETAWAN

BY-LAW NO. 2026 -

Being a By-law to amend By-law No. 2001-26, as amended, the Zoning By-law for the Corporation of the Municipality of Magnetawan with respect to lands located at Con 9, Part Lot 15, municipally known as 112 Moonwing Road, Croft (Blyth 030 00220100).

WHEREAS the Council of the Corporation of the Municipality of Magnetawan is empowered to pass By-laws to regulate the use of land pursuant to Section 34 of the *Planning Act*, R.S.O. 1990;

AND WHEREAS the owner of the subject lands has filed an application with the Municipality of Magnetawan to amend By-law 2001-26, as amended;

AND WHEREAS the Council of the Corporation of the Municipality of Magnetawan deems it advisable to amend By-law No. 2001-26, as amended, to rezone a portion of the subject lands from the Shoreline Residential (RS) Zone and the Environmental Protection (EP) Zone, to the Shoreline Residential Exception Forty Three (RS-43) Zone and to add a new portion to the Environmental Protection (EP) Zone;

NOW THEREFORE the Council of the Corporation of the Municipality of Magnetawan enacts as follows:

1. That Schedule 'A-2', to Zoning By-law No. 2001-26 as amended, is further amended by zoning the subject lands legally described Concession 9, Lot 15, municipally known as 112 Moonwing Road, Croft Township, Municipality of Magnetawan, from the Shoreline Rural (RS) Zone and the Environmental Protection (EP) Zone, to the Shoreline Residential Exception Forty Three (RS-43) Zone and a new portion to the Environmental Protection (EP) Zone as shown on Schedule 'A' attached forming part of this By-law.

2. That Section 4.2.4 of Zoning By-law No. 200-26 as amended, is further amended by adding the following:

4.2.4.32 Shoreline Residential Exception Forty-Three (RS-43) Zone

Notwithstanding the provisions and permitted uses of this By-law to the contrary, within the Shoreline Residential Exception Forty-Three (RS-43) Zone, the following shall apply:

1. *The intended purpose of the easement is singularly for mainland parking and docking, and the 'easement' as shown on Schedule 'A' shall remain vacant;*
2. *One dock shall be permitted per identified lands known as "easement", severed lot one, severed lot two and retained lot as shown on Schedule 'A';*
3. *Docks shall have a maximum length of 15 metres;*
4. *Docks shall have a maximum width of 3 metres;*
5. *Docks shall be setback a minimum of 3 metres from an interior side lot line and the straight-line projection of the interior side lot line;*
6. *Docks shall be located a minimum of 10 metres from an Environmental Protection (EP) Zone on the shoreline;*
7. *Buildings and structures shall be located a minimum of 30 metres from an Environmental Protection (EP) Zone on the shoreline; and,*
8. *Septic systems shall be setback a minimum of 30 metres from a watercourse or waterbody.*

This By-law shall take effect on the date of its passage, subject to the provisions of Section 34 (30) and (31) of the *Planning Act* (Ontario).

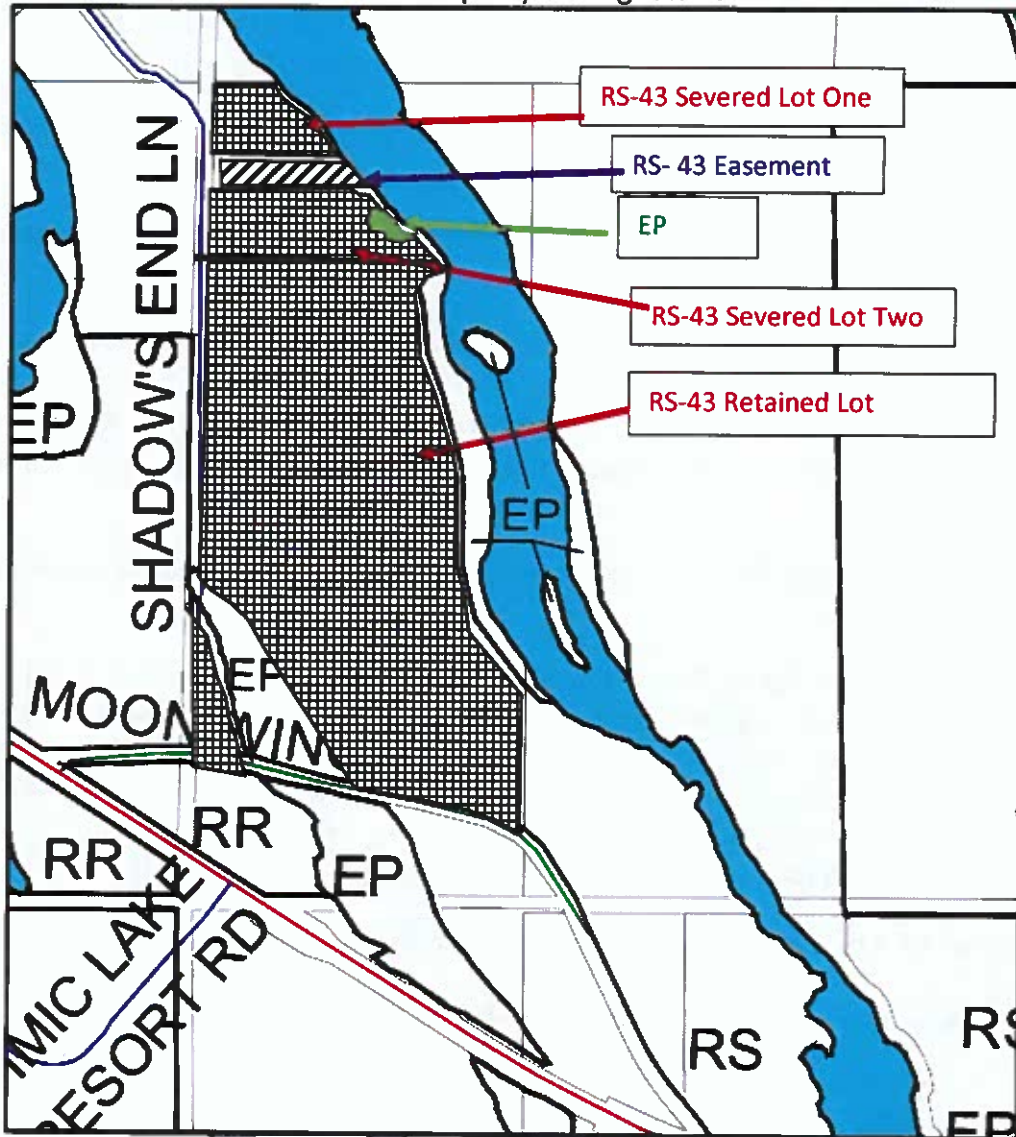

READ A FIRST, SECOND AND THRID TIME, passed, signed and the Seal of the Corporation affixed hereto, this 6th day of May, 2026.

THE CORPORATION OF THE
MUNICIPALITY OF MAGNETAWAN

Sam Dunnett, Mayor

Kerstin Vroom, CAO/Clerk

SCHEDULE 'A'
 Part Lot 15, Concession 9,
 Croft Township
 Municipality of Magnetawan

-  Lands to be Rezoned from the Shoreline Residential (RS) Zone to the Shoreline Residential Exception Forty Three (RS-43) Zone
-  Lands to be Rezoned from the Shoreline Residential (RS) Zone to the Environmental Protection Zone

This is Schedule 'A' to Zoning By-law 2026-
 Passed this 6th day of May 2026.

 Mayor

 CAO/Clerk

Moved by: _____

Seconded by: _____

WHEREAS the Municipality of Magnetawan passed Resolution #2025-295 supporting a request to create two new lots located on Shadows End Lane which is a privately maintained municipally-owned road (Blyth 4944 030 00220100), legally described as CON 9LOT 15, being in the former Township of Croft hereinafter referred to as "the Lands";

AND WHEREAS the consent application included two natural severances one of which is due to the Magnetawan River and one due to Moonwing Road;

AND WHEREAS the parcel naturally severed due to the Magnetawan River received support to create mainland parking and docking via a separate parcel with a width of 10 metres being subject to a Section 118 *Planning Act*, located between the boundary of the Severed Lot 1 and Severed Lot 2;

AND WHEREAS the Committee of Adjustment supports the creation of a registered easement over Severed Lot 2 for the purpose of mainland parking and docking for the naturally severed lands due to the Magnetawan River;

NOW THEREFORE BE IT RESOLVED THAT the Committee of Adjustment for the Municipality of Magnetawan supports in principle the consent application for the Lands, subject to the following conditions:

- Draft Reference Plans to be approved by the Municipality prior to registration;
- Two (2) true certified paper copies of the registered plans and electronic versions for the proposed severed lots prepared by an Ontario Land Surveyor with a certification that it is a true copy be provided to the Municipality for review and approval which conforms substantially with the applications as submitted;
- Draft copy of the deeds (with all schedules) to be approved by the Municipality prior to registration;
- A copy of the original executed transfers (deeds) with all schedules be provided to the Municipality;
- Confirmation from the North Bay Mattawa Conservation Authority (NBMCA) that all the proposed Severed and the Retained Lots can be adequately serviced by individual on-site septic systems;
- Payment of all taxes, municipal legal fees, planning fees and fees as per the current Fees and Charges By-law, Park Land Dedication By-law and all other fees associated with the processing of these applications;
- The Applicant enter into a Limited Service Agreement to be registered on title;
- That the Applicant receive confirmation from the Municipality of a suitable location for an entrance to the severed lots from Shadow's End Lane municipally owned and privately maintained road;
- The Applicant enter into a Road Use Agreement for the maintenance of Shadow's End Lane;
- That the Applicant's Solicitor establish a registered easement over the identified 10m wide Part 2 as shown on the draft survey supplied by IBW Surveyors encompassed with severed lot 2, for the sole purpose of mainland parking and docking;
- That the owner enter into a Consent Agreement to implement the recommendations within the Environmental Impact Study prepared by Terrastory Environmental Consulting Inc. dated September 15, 2025;
- That the Applicant apply for and be approved for a Zoning By-law Amendment to complete the following:
 - a. Implement zoning restrictions as outlined in the Environmental Impact Study, prepared by Terrastory Environmental Consulting Inc. dated September 15, 2025;
 - b. Apply dock provisions for all shoreline lots, including but not limited to a maximum size to ensure no issues with navigability on the Magnetawan River.
 - c. Ensure all proposed lots meet the requirements of the Zoning By-law.

WHEREAS the Municipality of Magnetawan has received a request to support an application for consent to create 2 new lots located on Shadows End Lane which that portion is a privately maintained municipally owned road, (Blyth 4944 030 00220100). The property is legally described as CON 9LOT 15, being in the former Township of Croft hereinafter referred to as "the Lands"; AND WHEREAS the consent application is to create two new lots. There are two natural severances on this property. AND WHEREAS the parcel naturally severed due to the Magnetawan River will receive access from a separate parcel that will have a maximum width between 10 to 20 metres, between the boundary of the Severed Lot 1 and Severed Lot 2 for the purpose of mainland parking and docking; AND WHEREAS the Municipal planning consultant has provided a report in support of the application with conditions; AND WHEREAS the foregoing conditions be fulfilled within two years of the notice of decision of the Committee of Adjustment;

NOW THEREFORE BE IT RESOLVED THAT the Committee of Adjustment for the Municipality of Magnetawan supports in principle the consent application for the Lands, subject to the following conditions:

- Draft Reference Plans to be approved by the Municipality prior to registration;
- Two (2) true certified paper copies of the registered plans and electronic versions for the proposed severed lots prepared by an Ontario Land Surveyor with a certification that it is a true copy be provided to the Municipality for review and approval which conforms substantially with the applications as submitted;
- Draft copy of the deeds (with all schedules) to be approved by the Municipality prior to registration;
- A copy of the original executed transfers (deeds) with all schedules be provided to the Municipality;
- Confirmation from the North Bay Mattawa Conservation Authority (NBMCA) that all the proposed Severed and the Retained Lots can be adequately serviced by individual on-site septic systems;
- Payment of all taxes, municipal legal fees, planning fees and fees as per the current Fees and Charges By-law, Park Land Dedication By-law and all other fees associated with the processing of these applications;
- The Applicant enter into a Limited Service Agreement to be registered on title;
- That the Applicant receive confirmation from the Municipality of a suitable location for an entrance to the severed lots from Shadow's End Lane municipally owned and privately maintained road;
- The Applicant enter into a Road Use Agreement for the maintenance of Shadow's End Lane;
- That the owner enter into a Section 118 Agreement tying the naturally severed parcel by the Magnetawan River to the newly created parcel for the purpose of mainland parking and docking;
- That the owner enter into a Consent Agreement to implement the recommendations within the Environmental Impact Study prepared by Terrastory Environmental Consulting Inc. dated September 15, 2025;
- That the Applicant apply for and be approved for a Zoning By-law Amendment to complete the following:
 - a. Implement zoning restrictions as outlined in the Environmental Impact Study, prepared by Terrastory Environmental Consulting Inc. dated September 15, 2025;
 - b. Apply site-specific zoning provisions to the parcel being used to access to the property on the naturally severed due to the Magnetawan River;
 - c. Apply dock provisions for the shoreline lots, including but not limited to a maximum size to ensure no issues with navigability on the Magnetawan River.
 - d. Ensure all proposed lots meet the requirements of the Zoning By-law.

THE CORPORATION OF THE MUNICIPALITY OF MAGNETAWAN

BY-LAW NO. 2026-

Being a By-law to authorize borrowing for the Fire Hall

WHEREAS Section 407 of the *Municipal Act, 2001, S.O 2001, C.25*, as amended, provides that a municipality may at any time during a fiscal year authorize temporary borrowing, until the taxes are collected and other revenues are received, of the amounts that the municipality considers necessary to meet the expenses of the municipality for the current year and of the amounts, whether or not they are expenses for the year, that the municipality requires in the year.

AND WHEREAS Section 407 (2) of the *Municipal Act, 2001, S.O 2001, C.25*, as amended, limits the total amount that may be borrowed from all sources at any one time, except with the approval of the Ontario Municipal Board.

NOW THEREFORE the Council of the Corporation of the Municipality of Magnetawan hereby enacts as follows:

1. Borrowing By-law

The signing authorities of the Corporation of the Municipality of Magnetawan are hereby authorized to borrow from time to time of promissory note or bankers' acceptance during the year current year such amounts as may be necessary to meet, until the taxes are collected and until other revenues are received, the current expenditures of the Municipality and other amounts that are stated in Section 407 (1) of the *Municipal Act, 2001, S.O 2001, C.25*, as amended.

2. Instruments

A promissory note or bankers' acceptance made under Section 1 of this By-law shall be signed by the Treasurer and by the Head of Council or other such person authorized by By-law.

3. Lenders

The Lenders from whom amounts may be borrowed under the authority of this By-law shall be the Kawartha Financial Services, a division of Libro Credit Union Limited, and other such tender(s) and reserve funds of the Municipality as may be determined from time to time by Council resolution.

4. Limit on Borrowing

Except with approval of the Ontario Municipal Board, the total amount borrowed at any one time plus any outstanding amounts of principal borrowed and accrued interest shall not exceed:

- a) from January 1 to September 30 in the year, fifty per cent (50%) of the total estimated revenues of the Municipality as set out in the budget adopted for the year.
- b) from October 1 to December 31 in the year, twenty-five per cent (25%) of the total estimated revenues of the Municipality as set out in the budget adopted for the year.

For the purposes of this By-law, the estimated revenues of the Municipality shall not include revenues derived from or derivable from:

- any borrowing, including any issue of debentures;
- a surplus, including arrears of taxes, fees, or charges; or
- a transfer from the capital fund, reserves, or reserve funds.

5. Borrowing Documents Required

At the time any amount is borrowed under this By-law, the Treasurer shall ensure that the Lender is or has been furnished with a certified copy of this By-law, a certified copy of the resolution mentioned in Section 3 determining the Lender, if applicable, and a certified copy of the estimates of the Municipality adopted for the current year and also showing the total of any amounts borrowed from any and all sources under authority of Section 407 of *the Municipal Act, 2001, S.O 2001, C.25*, as amended.

6. Pending Adoption of the Budget

Until the budget is adopted in the current year, the limits upon borrowing under Section 407 (2) of *the Municipal Act, 2001, S.O 2001, C.25*, as amended, shall be calculated temporarily using the estimated revenues of the Municipality, as adopted in the previous year's budget.

7. Directive to Treasurer

The Treasurer is authorized and directed to apply in payment of any or all amounts borrowed under this By-law together with interest, any or all of the funds collected or received, either on account or realized in respect of the taxes levied for the current year and preceding years, or from any other source that may be applied under prevailing legislation for such purpose.

8. Repeal of Previous By-Laws

That By-law 2026-05 is hereby repealed.

9. Effective Date

That this by-law shall take force and effect on 1st day of January 2026

READ A FIRST, SECOND, AND THIRD TIME, passed, signed and the Seal of the Corporation affixed hereto, this 6th day of May 2026.

**THE CORPORATION OF THE
MUNICIPALITY OF MAGNETAWAN**

Mayor

**Municipality of
Magnetawan**

RESOLUTION NO. 2026-

MAY 6, 2026

Moved by: _____

Seconded by: _____

WHEREAS the Municipality of Magnetawan declared a Significant Weather Event on April 27, 2026, at 8:00 am, due to severe flooding caused by the spring freshet and unprecedented rainfall which caused catastrophic washouts, culvert breaching, sink holes and flooding on our road system as well as flooding public spaces. This storm resulted in the Municipality closing our public docks and parks as well as closing 9 roads. This event caused substantial operating and capital costs.

AND WHEREAS the flooding has subsided and infrastructure has been repaired and/or replaced;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Municipality of Magnetawan hereby declares the Significant Weather Event ended and gives its appreciation to Staff and local third-party contractors for their excellent hard work in carrying out our essential road and dock infrastructure repairs which resulted from this unprecedented event.

REPORT TO COUNCIL

To:	Mayor and Council
From:	Public Works Superintendent
Date of Meeting:	May 6 th 2026
Report Title:	Award 2026-01 Slurry Seal Surface Treatment

Recommendation: THAT Council receives and approves this report as presented and moves forward with the motion to award Duncor Enterprises Inc with the Slurry Seal Surface Treatment Contract for the 2026 Road Construction season in the amount of \$178,000 plus HST.

Background: This report is to update Council on the results of the 2026-01 Slurry Seal Surface Treatment RFP. Slurry Seal Surface Treatment is slated to be completed on Nipissing Rd South from South Street to Roskopf Road, which will ensure the integrity of the Surface Treated road by sealing out the water.

Evaluation: The results from the RFP 2026-01 Slurry Seal Surface Treatment bid amounts from Miller Paving Ltd and Duncor Enterprises Inc are listed below.

Financial Implications: This Project is included in the budget under account 1-4-3032-4010 Sweeping/Crack Sealing Capital Projects.

The RFP results are as follows and do not include HST:

Miller Paving Ltd	\$240,000
Duncor Enterprises Inc	\$178,000

Conclusion: In taking into consideration the needs of the Municipality of Magnetawan to ensure the safety of the traveling public and ensuring the longevity of our roads by the Slurry Seal Surface Treatment Road repair, the Public Works Superintendent recommends the Award of Tender to Duncor Enterprises Inc.

Respectfully Submitted,

Scott Edwards

Scott Edwards
Public Works Superintendent

REPORT TO COUNCIL

To:	Mayor and Council
From:	Public Works Superintendent
Date of Meeting:	May 6th 2026
Report Title:	Award RFP 2026-02 Surface Treatment (Double Lift Tar & Chip) Aggregate Portion only

Recommendation: THAT Council receives and approves this report as presented and moves forward with the motion to award Fowler Construction Company Ltd with the Surface Treatment (Double Lift Tar & Chip) Aggregate Portion Only RFP for the 2026 Road Construction season.

Background: This report is to update Council on the results of the 2026-02 Surface Treatment (Double Lift Tar & Chip) RFP. As part of the 5-year plan, Jackson Rd was slated for the Surface Treatment in 2026. However, given the turbulent world oil market and prices, it was decided to do the aggregate portion and prep the road in 2026 and then go out for Proposal in 2027 for the Surface Treatment portion of the project.

Evaluation: Doing the aggregate repair and preparation in 2026 and letting the ground settle for a year will be beneficial given the heavy truck traffic from the 2 Gravel Pits at the end of the road being Miron's Pit and Kelly Hickey's Pit.

Financial Implications: This Project will be from the Road Construction Repair 1-4-3034-8000 Capital Projects. To note the amounts are strictly for the Aggregate portion of the project as per the RFP.

The RFP results are as follows and do not include HST:

Miller Paving Ltd	\$303,429
Duncor Enterprises Inc	\$212,952
Greens Haulage	\$211,512
Fowler Construction Company Ltd	\$153,217

Conclusion: The Public Works Superintendent recommends the Award of RFP 2026-02 Surface Treatment to Fowlers Construction Company Ltd. for the Aggregate portion only – which is to be completed in 2026.

Respectfully Submitted,

Scott Edwards

Scott Edwards
Public Works Superintendent

REPORT TO COUNCIL

To:	Mayor and Council
From:	Deputy Clerk Laura Brandt
Date of Meeting:	May 6, 2026
Report Title:	Municipal 511

Recommendation: That Council receives and approves this report as presented and directs Staff to enroll in the Municipal 511 service for an annual cost of \$500 (3 year term) and a one time set up cost of \$1,000 to be taken from Budget Line 1-4-2400-2010).

Background: Over the past year, the Municipality has experienced two Significant Weather Events in less than twelve months. These events placed considerable strain on operations, communications, and public awareness, highlighting gaps and reinforced how important timely and accurate information sharing with residents and stakeholders. During the current significant weather event a resident reached out suggesting that the Municipality additionally utilize Municipal 511 when sending out road closure notices.

Evaluation: Municipal 511 is a real-time road information platform that enables municipalities to communicate directly with the public regarding road conditions, closures, and hazards. Importantly, information shared through Municipal 511 is also integrated with widely used navigation platforms such as Google Maps, Waze, and TomTom, significantly expanding the reach of municipal updates.

In addition to emergency related communications, Municipal 511 can also be used to publish and manage seasonal load restrictions (half-loads), road sweeping, road brushing, bridge repairs etc.

Participation would provide the following benefits:

- Improved Public Safety: Residents receive up-to-date information on road conditions, closures, and hazards, helping them make safer travel decisions.
- Enhanced Emergency Communication: During significant weather events, staff can quickly disseminate consistent and verified information through a trusted provincial platform.
- Operational Efficiency: Reduces the volume of public inquiries to municipal staff and emergency services by centralizing information.
- Regional Coordination: Aligns the Municipality with provincial and neighbouring jurisdictions already using the system, ensuring consistent messaging across boundaries.
- Transparency and Accountability: Demonstrates proactive communication and responsiveness to increasingly frequent severe weather events.

Given the increasing frequency and intensity of weather-related disruptions, as evidenced by the two recent Significant Weather Events, adopting Municipal 511 would strengthen the Municipality's preparedness and response capabilities.

Financial:
\$500 Annual Cost (3 year term)
\$1,000 One Time Set up Cost

Conclusion: Staff recommends enrolling in the Municipal 511 service for an annual cost of \$500 (3 year term) with a one time set up cost of \$1,000 (Budget Line 1-4-2400-2010) which will enhance public communication, improve safety, and better manage future Significant Weather Events.

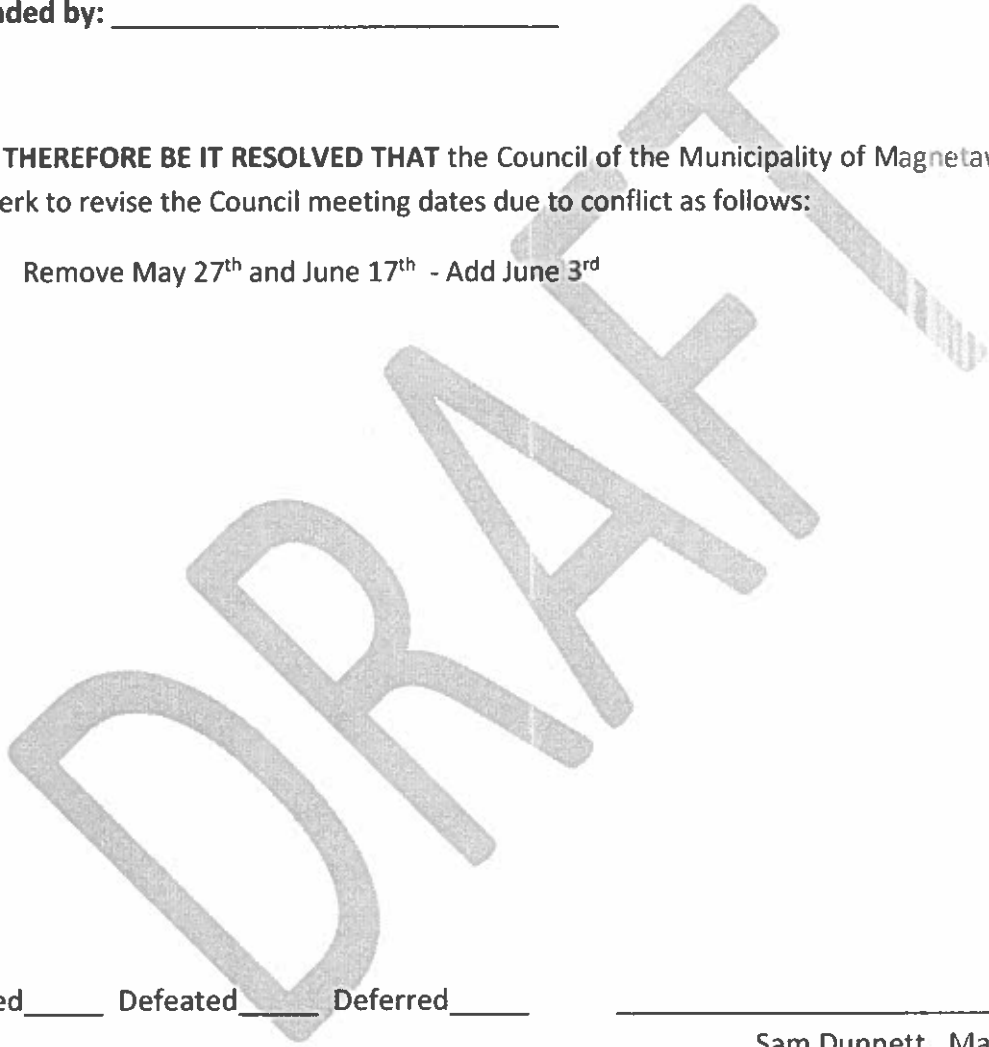

Respectfully Submitted

Deputy Clerk Laura Brandt (Secretary)

1.1 Adoption of the Agenda

RESOLUTION 2026-05 Winston-Johnston

BE IT RESOLVED THAT the Magnetawan Community Centre Board adopts the agenda for this regular meeting of Wednesday April 22, 2026, with the addition of the Lions Letter requesting the placement of a vending machine in the Pavilion.

Carried.

ITEMS BROUGHT FORWARD

2.1 Correspondence from the Magnetawan Lions Club – Request Permission to Place a Vending Machine at the Pavilion. *ON DESK

RESOLUTION 2026-07 Langford-Sohm

BE IT RESOLVED THAT the Magnetawan Community Centre Board respectfully requests Magnetawan Council approves the Magnetawan Lions Club request to place a moneyless vending machine outside the pavilion in the summer months and inside one of the pavilion change rooms in the winter months.

Carried.

The Committee discussed the possibility of having the vending machine (just drinks) at the Pavilion. Vice Chair Langford advised that the vending machine would have to be attached to the floor or wall and be under cover in the Summer months and in the Winter months it would have to be moved to the heated change rooms. The Committee noted that the Community Pantry is already located in the change rooms in the winter months and that it is a much-needed resource for our community. The Committee also noted that one of the change rooms is being utilized for the storage of recreational supplies (archery equipment, roller skating equipment, bar fencing) which needs to be kept in a mouse-free place.

ahmicms@gmail.com

From: Eric Langford [REDACTED]
Sent: April 21, 2026 9:50 PM
To: Lila Langford
Subject: Community center board

Attention: Community Center Board

On behalf of the Lions Club I would like to ask for permission to install a vending machine on the pavilion property. The machine would need to be in a place with a receptacle, under surveillance and fixed to the floor or wall in some way. If possible we would like to have it under cover for the summer months and in the change room for the winter months. The machine would be chip activated- meaning payment would be by way of credit or debit, no cash will be in the machine. All maintenance and re-stocking will be the responsibility of the Lions Club.

Thank you for considering this request.

2025 \$500

2024 \$500

Every year, many individuals and area businesses generously support our community school and students by contributing to the Graduation Awards Program.

Almaguin Highlands Secondary School students and staff have always appreciated this very generous support. It has enabled us to recognize and to reward the outstanding achievements and successes of our students through the presentation of well-earned awards.

We are reaching out at this time to ask whether you are able to support, or continue to support our students this year by making a contribution towards our Graduation Awards Program. The names of donors will be acknowledged in our Graduation Program and an income tax receipt will be issued.

We now have the ability to accept donations online. Below is a link that allows you to donate via credit card or google pay. You do not need a KEV account (you can move forward as a guest). If you do happen to have a KEV account, and a student in Almaguin, there is now a "make a donation" tab, where you can select Almaguin and NNDSB Graduation 2026.

Our school link is:

Additionally, another grad donation link for 2026, has been created.

QR code:

Donors will automatically receive a tax receipt in your email once you have completed the process.

This year our Graduation ceremony is scheduled for the evening of Thursday June 25, 2026 at 6:00 p.m. We welcome donors to join us at 5:15 p.m. to present the award to the recipient and have a photo taken.

If you can make a contribution towards our Graduation Awards Program, we would be pleased to hear from you by June 1, 2026, please email lisa.ferrante@nearnorthschools.ca If you wish to drop off the award at the main office or you can mail it to the school. Thank you for your interest and support of our program, as well as your help in recognizing the excellence of our students.

Sincerely

Heather Hickey
Principal

Women's Own Resource Centre

The Municipality of Magnetawan

April 23rd, 2026

Dear Mayor and Council,

I am writing to you on behalf of the Women's Own Resource Centre (WORC), which is a non-profit, registered charitable organization. We provide information, referral and support to women, girls and families of the Almaguin Highlands to assist them in working toward their economic goals. Our Rural Outreach Program Endeavour (ROPE) provides workshops in self-employment, networking, mentoring and life skills.

The Women's Own Resource Centre was established in 2000, is centrally located in the Almaguin Highlands district and has been successfully helping women and their families for over twenty years. We serve a rural population of approximately 30,000 permanent residents that include many working poor families that are unable to qualify for current forms of government assistance and services. WORC serves northern, low-income, rural women who may have experienced violence or abuse in their lives. Many of these women have poor self esteem, few assets and limited family support. These women face numerous barriers which are worsened by their isolation and increased financial cost of basic social inclusion. The support of WORC is essential in working with them on a plan for recovery and growth.

The Rural Outreach Program Endeavor encompasses workshops which are offered free of charge with financial support being available for transportation and childcare costs to increase accessibility and remove as many barriers as possible. In addition to supporting women in creating sustainable livelihoods through achieving economic independence, WORC provides business services, business plan assistance, one to one consultations, information sharing, support, referrals, resources and hosts a large donation network.

From April 1st, 2025 to March 31st, 2026, our Centre recorded 3,213 drop-ins, 733 phone calls, 3,095 emails and 68 one to one consultations for business development, personal and crisis calls throughout the year. 508 individual clients had direct engagement with one of our programs throughout the year. Our Entrepreneurial Skills Training workshop supported 16 women in 2025/26 through the process of starting a small business with 10 of these women launching businesses throughout the Almaguin Highlands and an additional 4 hoping to launch within the next year. Our Life Skills Training workshop supported 18 women in 2025/26 and 286 individual women participated in local Resource & Business Network Luncheons. WORC responded to 12 crisis calls which includes 7 in regards to violence against women. 1,652 interactions with our donation network this past year which encompasses both donation pickups and dropoffs – the Donation Network continues to be a growing resource in the Almaguin Highlands for those struggling to afford the basic necessities of life. We keep a dedicated room at our office for donated items which includes clothing, linens, household items, shoes, boots, winter jackets, hygiene products and more which anyone can access at anytime with no requirement to prove eligibility.

In addition to core programming, WORC partnered with local organizations including ACED, AHCC, NECO, The Labour Market Group and others to organize and host the RED Gala in December of 2025. WORC also organized and hosted our third annual International Women's Day Celebration in March of 2025. The event was sold out with 125 women attending from across Almaguin. We carried forward our program to support Almaguin children in going back to school – we were able to sponsor 67 local children with backpacks, lunch kits, running shoes and

Women's Own Resource Centre

school supplies to help foster a successful start to the new school year. WORC was also able to support 16 families from across the region for our annual Christmas Sponsorship Program with grocery gift cards and toys for children. These sponsorships were made possible through fundraising initiatives at our office along with support from individuals in the community.

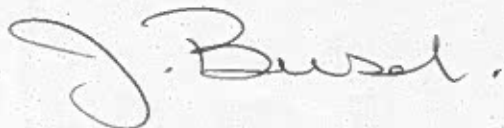

In 2023, WORC received a grant from the Ontario Trillium Foundation to launch a Travelling Community Kitchen Program in response to the increasing struggle we are seeing across the region with food insecurity due to the increase in the price of living. The program was focused on creating affordable homemade meals, budgeting, kitchen skills and reducing social isolation by helping participants to foster connections in their communities. This two-year program was hugely successful with over 600 people participating over the course of 24 full day workshops. This Travelling Community Kitchen Program visited municipalities across the Almaguin Highlands including Powassan, South River, Sundridge, Burk's Falls, Emsdale, Whitestone, Magnetawan and Kearney – every round had full registration with a waiting list. In April of 2026, WORC successfully acquired a Grow Grant through the Ontario Trillium Foundation to continue running these programs throughout the region for the next two years. In addition, a two-year Soup Kitchen Program was included in the new grant which encompasses a volunteer driven program to prepare and distribute ready-to-eat meals to local food banks across the Almaguin Highlands during the months that the Community Kitchen is not running. On April 15th, our first Soup Kitchen saw 675 meals distributed, bringing food supports to those that need it most.

WORC's services continue to be needed in our region, as indicated by engagement numbers, to foster growth and ensure that the most vulnerable are not left without the supports they need to build sustainable livelihoods. As always, we will continue to be there for the residents of the Almaguin Highlands and are continually striving to address needs and create programming that helps to build the resiliency of women and their families in the Almaguin Highlands. These free workshops and programs are helping to create valuable community connections and ease some of the social isolation that is often felt heavily in rural regions such as the Almaguin Highlands.

In order to continue to offer these free programs and supports, the Women's Own Resource Centre is dependent upon funding from several sources. Donations help to ensure that we can continue to make important services and supports available to the women and families of the Almaguin Highlands. Donations also help us to provide outreach to those clients who are made increasingly vulnerable by their severe isolation due to the sheer size of our region.

We are asking for support from each municipality in the amount of .50 cents per capita to support new and continuing initiatives in 2026/27. We thank those who have supported us in the past and look forward to new working relationships and opportunities. Should you wish WORC to make a presentation to your council to discuss upcoming projects, or if you have any questions, please call 705-386-9672 or email jessica@womensownresource.org

We thank you for your time and consideration in this matter and we look forward to continuing our efforts to help women and their families in the Almaguin Highlands thrive.

Jessica Busch

Beth Morton, *Acting Secretary*

ALMAGUIN HIGHLANDS OPP DETACHMENT BOARD
CONSEIL DU DÉTACHEMENT D'ALMAGUIN HIGHLANDS
DE LA POLICE PROVINCIALE

ALMAGUIN HIGHLANDS OPP DETACHMENT
DÉTACHEMENT D'ALMAGUIN HIGHLANDS DE LA POLICE PROVINCIALE

SUBJECT:	Meal Allowance Policy	POLICY #: 2026-01	PAGE 1 of 2
----------	-----------------------	-------------------	-------------

Meal Allowance Policy

Out-of-Town Meetings, Conferences, and Conventions

1. Purpose

To establish clear and consistent guidelines for the reimbursement of meal expenses incurred by Members of the Board while attending approved meetings, conferences, or conventions outside of the Almaguin region.

2. Scope and Eligibility

This policy applies to all Members of the Board who are authorized to travel outside of the Almaguin region to attend meetings, conferences, or conventions while being appointed to the Almaguin Highlands OPP Detachment Board.

3. Meal Allowances

Reimbursement for meals will be provided up to the following maximum amounts:

- **Breakfast:** \$15
- **Lunch:** \$25
- **Dinner:** \$50

The maximum total daily meal allowance shall not exceed **\$90 per day**.

4. Receipts and Reimbursement

- **Original itemized receipts are required** for all meal expense reimbursement claims.
- Reimbursement will be limited to the actual cost incurred, up to the applicable meal and daily maximums.

5. Alcohol

- **Alcoholic beverages are not eligible for reimbursement** under this policy.
- Any costs related to alcohol must be clearly separated on receipts and will be the responsibility of the Board Member.

APPROVED BY:	Almaguin Highlands OPP Detachment Board	ISSUE DATE: April 8, 2026	REVISION DATE:

----------	-----------------------	-------------------	-------------

6. Expenses Exceeding Allowances

- Any meal expenses that exceed the maximum daily meal allowance of \$90 **must receive approval from the Board** before reimbursement.
- Expenses incurred in excess of the allowance without Board approval will not be reimbursed.

7. Administration

Claims for reimbursement shall be submitted to the Secretary within two weeks of returning from meetings, conferences, or conventions so that they may be reimbursed by the Township of Perry Finance Department.

8. Effective Date

This policy shall come into effect upon the passing of the applicable by-law by the Board.

Minutes: March 5, 2026, 10:00 am via Zoom and at the Township of Perry Municipal Office

Present: Rod Ward (Chair), Delynne Patterson, Margaret Ann MacPhail, Vicky Roeder-Martin (Vice- Chair), Sean Cotton, Brad Kneller, Norm Hofstetter, Jim Ronholm, Cheryl Philip, Tom Bryson, Joel Baylis, Courtney Metcalf, David Gravelle, Sandy Zurbrigg, Dr. Sarah Mackinnon, Cheryl Harrison, Sarah Cooke, Deb Raynard, Deb Duce (Secretary)

Regrets: Dr. Sarah MacKinnon

Called to order at 10:00 am by Chair R. Ward

1. 2026-05 Moved by Sean Cotton - Seconded by Delynne Patterson
THEREFORE BE IT RESOLVED THAT the Almaguin Highlands Health Council adopt the amended minutes from the regular meeting of February 5, 2026. Carried.
2. **DECLARATION OF PECUNIARY OF INTEREST:** None
3. **DELEGATIONS:** None
4. **RESOLUTIONS PASSED:** None
5. **ITEMS FOR DISCUSSION:**

a) Updates

- I. **Almaguin Highlands Family Health Team – Deb Raynard**
 - The HCC unattached waitlist is down to sixty-six (66) and the AFHT has hired contractors with MAOHT PC funding to assist with reduction of the internal waitlist.
 - Participated in the first round of trauma-informed training with AFT & SDMC and planning for cancer screening sessions.
 - AFHT welcomed a new nurse practitioner, and the space is at capacity. They are investing next steps. D. Raynard and S. Cotton will coordinate a meeting for discussion.
- II. **MAOHT Recruiter – David Gravelle**
 - At the March 17th HHR Task Force member he reported on the budget, events being attended in 2026, recruitment for SDMC.
 - Noted that the HHR TF will likely be moving to meeting bi-monthly and is also seeking a new co-chair.

III. MAOHT PFCPAC Partner – Sandy Zurbrigg

- Information about guests at the February PFCPAC meeting, overview of SCOPE a service supporting primary care providers with referrals and information access.
- Other topics include succession planning, MAOHT meeting with Jane Philpott on April 28th, and the agenda for the next MAOHT PCAT meeting which will include the McMurrich Monteith access issue.
- Discussion of inviting Marsha Barnes, MAOHT Strategic Advisor to a future AHHC meeting to discuss some OH and MOH items.

IV. Introduction of Joel Baylis, Almaguin Family Dental in South River

- Opened new practice and connecting with communities throughout Almaguin Highlands.
- He will be attending AHHC meeting.

b) Armour Township – Expression of Interest – New Health & Innovation Centres for its property at Pegg’s Mountain Road & Ferguson Road.

- Overview of the EOI that will open March 11th and close April 27.
- Armour Township has purchased the property and donated the land for a health and wellness centre. Looking forward 40 years – what will be needed.
- Seeking input from primary care providers, community members, patient, families & caregivers, and developers.
- Discussion of municipal commitments/steps: costs, funding, fundraising, and agreements, and upcoming election.

c) Update from Space & Building Subcommittee – Meeting on February 23, 2026.

d) Bank Account Statement

- No change from the last month.

e) Progress Report

- Cambridge area dentist keen to come to Almaguin Highlands. Will share email with information.
- Resolution put forward for approval regarding the Mapping of McMurrich Monteith.

2026-07 Moved by Vickey Roeder-Martin - Seconded by Tom Bryson

THEREFORE BE IT RESOLVED THAT the Almaguin Highlands Health Council approved members of Almaguin Highlands Health Council advocating for mapping based on postal codes in healthcare related agreements in the Province of Ontario as per physician letter dated [date] in order to correct the omissions of Kearney & McMurrich Monteith.
CARRIED

f) Other Business’

- Good work of the AHHC and the development of the infographic to share with councils and community members.

- ROI (return on investment) discussion of the size requirement for the health and wellness centre, meetings to date, needs, costs, agreements and municipal responsibilities.
- Also scenarios if the AHHC no longer existed.

6. ADJOURNMENT

2026-06 Moved by Norm Hofstetter - Seconded by Jim Ronholm

THEREFORE, BE IT RESOLVED THAT the Almaguin Highlands Health Council adjourn at 11:33 pm to meet again on April 2, 2026, at 10:00 am at Perry Township. Carried.

**Municipality of
Magnetawan**

**Magnetawan Cemetery Board (MCB)
Meeting Minutes, April 8th, 2026**

The meeting of the MCB was held on Wednesday, April 8th, 2026, 4:30 pm at the Magnetawan Community Centre with the following present:

Garfield Robertson (Chair)
Doris Langford (Vice Chair)
Bill Bishop
MaryJane Campbell
Jack Crossman
Brad Lewis
Keith Miller
Erica Kellogg (Secretary)

Secretary, Erica Kellogg

DRAFT

Magnetawan Economic Tourism Committee (METC)

Meeting Minutes

Monday April 20, 2026

10:00 AM

**Ahmic Harbour Community Centre
4304 Highway 520, Magnetawan**

Committee members in attendance:

Chair Rachel Sullivan
Bill Bishop
Brenda Fraser
Joan Lewis
Rob Ross
Francine Volkowskie

Regrets

Vice Chair Angela Ramsay
Dave Antle

Staff members in attendance:

Deputy Clerk Laura Brandt (Secretary)

OPENING BUSINESS

1.1 Call to order

The meeting was called to order

1.2 Adoption of the Agenda

RESOLUTION 2026-15 Fraser-Lewis

BE IT RESOLVED THAT the Magnetawan Economic adopts the agenda as presented.

Carried.

1.3 Disclosure of Pecuniary Interest

Chair Rachel Sullivan stated that should anyone have a disclosure of pecuniary interest that they could declare the nature thereof now or at any time during the meeting.

1.4 Adoption of Previous Minutes

RESOLUTION 2026-16 Bishop-Lewis

BE IT RESOLVED THAT the Magnetawan Economic Tourism Committee approves and accepts the Magnetawan Economic Tourism Committee minutes for the March 11, 2026, meeting as presented.

Carried.

DISCUSSION ITEMS

2.1 2026 Tourism Forum - Debrief and Identify Next Steps

The Committee discussed the outcome of the Forum and next steps associated with the draft work plan. The budget for the event was \$5,000 and final costs totalled \$1,859.62. Committee Members have heard positive feedback from the attendees.

Tourism Promotional Product Development:

- **Website Enhancement:** Committee Member Yolkowski discussed how attendees were more interested in obtaining tech support rather than reviewing their draft business directory listing. Committee member Ross advised the Committee that Kurt offered to review website content. Chair Sullivan advised that the Secretary had started a new page for the Committee and that currently it is live but hidden. As soon as the content is drafted the Secretary can post it to the website. The Secretary advised that a summer student would not be able to help at this time.
- **Brochure Displays:** Committee Member Lewis is planning a road trip to get brochures and can ask about the business directory listing. Committee Member Lewis has also been investigating an outdoor brochure rack. Algonquin Fine Foods offered to have a rack on their outdoor porch which could be a suitable location as it will be covered and more secure. (Further discussion regarding brochure racks took place under item 2,4)

Establishing on going dialogue with Accommodation Providers

Committee Member Ross and Bishop discussed the small numbers that attended from the accommodation sector. One STA licensed owner attended and Committee Members were able to gain valuable feedback from the owner. The Committee discussed having a workshop to help provide insight to potential STA operators about the licensing process. Committee Member Bishop has reviewed STA platforms and it appears that STA providers are already 80% booked for July and August (or times have been blocked by the owner) as well it appeared a lot of the other accommodation providers are also booked up. The Committee discussed circulating another online exit survey to renters. Similar to the last survey a QR code could easily be distributed to all accommodation providers providing a link to the survey. The Secretary will reach out to Staff to see which accommodation providers gave permission for their contact information to be shared with METC as part of a recent survey. Committee members Ross and

Bishop will look at meeting in person with different accommodation providers. A draft blub will be provided to the Deputy Clerk of Planning and Development to help with reaching out to STAs.

The Committee further discussed what would be helpful tools for accommodation providers. The draft FAQ's could work but maybe the Committee should be looking at a comprehensive community directory. It could be extremely helpful to have all information in one repository which could then be used for different things such as a welcome book and the website.

Merchandise:

Committee member Ross and Antle have a meeting with the owners of the Magnetawan Bait and Tackle about how they manage merchandise. As well they would like to speak to the owner of Silver Screen Printing.

Industry Support:

Based on feedback at the forum, the Committee agreed to maintaining an annual forum around the same time every year so that the community knows when to expect it. Planning can begin earlier. Committee Members discussed that the next forum should have break out sessions covering topics such as tech support and how to use social media. Maybe consider business panels featuring local operators and success stories. Open the forum a half hour earlier to encourage everyone to show up and get settled so presentations can begin at 10am. Committee Members Fraser and Sullivan to look at a few dates to consider.

Proposed changes to Terms of Reference

Chair Sullivan notes she obtained samples from other communities and will work to prepare a draft for review at the next meeting. The Committee recapped the feedback received at the forum regarding the mandate of the Committee which was centred on Committee composition. Composition suggestions included representation from business owners, arts and culture, food and beverage and the accommodations sector.

2.2 Explorers Edge Women in Tourism Event Thursday April 23, 2026

The Secretary advised the Committee that if anyone would like to go to please reach out.

2.3 Visitor Exit Survey with Explorers Edge

The Secretary advised the Committee that Explorers' Edge mentioned in their presentation that they could provide the Committee with a visitor exit survey. Committee Member Ross and Bishop will reach out to see if they could forward us a copy.

2.4 Heritage Centre Museum Sign

The Committee discussed the changing of the current signage at the Heritage Centre Museum. The Secretary advised the Committee that due to the Museum being located on a Provincial Highway that it is subject to obtaining permission from the MTO for a new sign. Committee Member Lewis has taken pictures of the current signage and has obtained a quote from Signcraft in the amount of \$650 to replace one of the existing signs. The Committee discussed colour of lettering as well as the colour of the border. The Secretary advised that one thing the Committee must consider is to minimize obstructions for drivers. Committee Member Lewis's husband will refine the sketches of the design of the sign to include blue lettering.

Committee Member Lewis will collaborate with the Secretary to coordinate the installation of the sign when approved by Council. The Secretary will ensure that the Committee's request is put on a future agenda of Council. Committee Member Lewis will also reach out to Signcraft regarding the purchase of outdoor brochure racks. The Committee approved a budget of \$10,000 for brochure racks and signage. The Secretary advised the Committee that the sign and request for changing the name of the Heritage Centre Museum to the Heritage Museum and Visitor Centre requires Council approval.

2.5 Update on File Transfer for Magnetawan-of-a-Kind Logo

Committee Member Ross advised the Committee that the file is to be completed by April 22 and he will follow up with Les regarding getting the colour finalized and obtaining the final files.

2.6 Umbrella Stands for Branded Umbrellas

The Secretary advised the Committee that the six umbrellas that were purchased last fall do not have any metal stands to go with them. The Secretary advised the Committee that not having the umbrellas secured to a metal stand could be a potential liability. The Committee approved a budget of \$1,000 for the Secretary to purchase six umbrella bases.

FOR INFORMATION

- 3.1 Explorers Edge March 2026 Newsletter**
- 3.2 Almaguin Highlands Chamber of Commerce April 2026 Newsletter**
- 3.3 Almaguin Highlands Chamber of Commerce April 23 Networking Event**
- 3.4 Discovery Routes Adventure Trails Map Partnership Opportunity**
- 3.5 OCAO Newsletter Spring 2026 Magnetawan Article**
- 3.6 Trans Canada Trail April 10, 2026, Newsletter Article**
- 3.7 Music in the Park Poster**
- 3.8 2nd Annual Magnetawan Leekfest Poster, Soup Contest & Foraging Poster**
- 3.9 1st Quarterly Report from Deputy Clerk Laura Brandt**

The Committee discussed purchasing the updated trail map (Item 3.4). 50 maps were purchased last year at a cost of \$10 per map and then offered for sale at a discounted price of \$5.00. Only three maps were sold last year between the Heritage Centre Museum and Municipal Office. The Committee discussed the changes being made to the map. The Committee decided to move forward with the purchasing of 50 maps for \$250. Once the map is updated, the Committee asked the Secretary to reach out to the Trail Map representative to advise them that we will support the initiative in exchange for the new maps.

The Committee also discussed the 2nd Annual Leekfest. Some Committee members have booths at the event but may be able to help other METC members throughout the day. Committee Members Bishop and Lewis can help Chair Sullivan hand out stickers to help have a more accurate attendance number.

ADJOURNMENT

4.1 Confirm the Proceedings of Committee and Adjourn

RESOLUTION 2026-17 Yolkowskie-Bishop

BE IT RESOLVED THAT the Magnetawan Economic Tourism Committee adjourns the meeting at 12:00 pm to meet again on June 4, 2026, at 9am or at the call of the chair.

Carried.

Approved by:

Chair

Secretary

April 11, 2026

2026 Tourism Forum

**Municipality of
Magnetawan**

Land Acknowledgement

The Municipality of Magnetawan recognizes all of Canada resides on traditional, unceded, and/or treaty lands of the Indigenous People of Turtle Island. We recognize our Municipality of The Robinson Huron Treaty territory is home to many past, present and future Indigenous families. This acknowledgement of the lands is a declaration of our commitment and collective responsibility to reconcile the past, and to honour and value the culture, history and relationships we have with one another.

Agenda

- 10am Welcome and Introductions
- 10:05am METC Update
- 10:30am Explorers' Edge Keynote
- 11:30am METC Future Direction:
Where do we go from here
- 12-1pm Working Lunch:
Calls to Action & Information sharing

Mandate

To promote tourism in Magnetawan (which includes the development of tourism products)

METC Work to Date

- Initiated tourism asset inventory (evergreen document)
- Learning events; review of previous studies
- Networking and Relationship Building
- Amendments to social media policy
- Participated in regional Shop Local campaigns with ACED and Almaguin Highlands Chamber of Commerce:
 - 2024: 75% of responses were from Magnetawan businesses
 - 2025: 8 out of 38 participating businesses from Magnetawan

METC Work to Date

- Provided trail map at reduced price
- Promotional products
- Initiated connections with Accommodation Providers
 - Survey re capacity and marketing
 - Fall Meeting

METC Work to Date - continued

- Website Updates
 - Coming Soon Tab – content work in progress
 - Calendar of Events enhanced
 - Directory – enhanced functionality
 - Search function
 - Ability to add images

METC Work to Date - continued

- Focus Group hosted in March 2025
 - Locks opened longer and improved signage
 - Visitor Centre signage and brochure racks
 - Researched food / music festival ideas
 - Tagline & Graphic - Consumer Research to assist process

Consumer Research

To increase tourism in Magnetawan, need to:

- Understand who the target audience is – rifle vs shotgun
- Get their feedback on Magnetawan – what's the draw?

Summer 2025 – survey of people in the area

Consumer Research Results

Over 400 Responses

- 157 Live here
- 181 Regular Visitors
- 38 Occasional Visitors
- 19 First time Visitors

Water activities (canoeing/kayaking/waterskiing)	71%	287
Just relaxing	75%	301
Other (please specify)	21%	85

Survey Results

What Makes Magnetawan Unique?

Three themes:

- Peaceful / Quiet / Tranquil
- Beautiful / Scenic / Picturesque
- Friendly / Welcoming / Community-Oriented

How does Magnetawan get noticed?

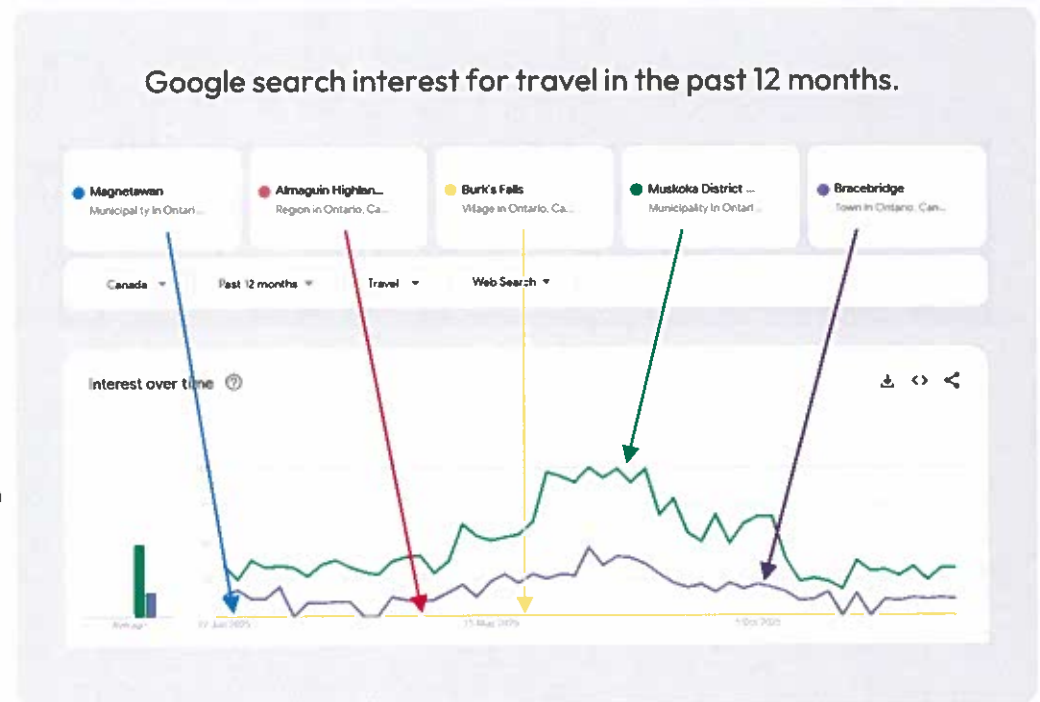

- We have great natural assets, but so do others.
- We need to position Magnetawan as something different & memorable
- Starting point is a tagline - what we stand for - with supporting visual

Tagline and Graphic – The Challenge

1. Awareness of the area is low resulting in unused occupancy at rentals and resorts and low attendance at restaurants and attractions.
2. Need to differentiate ourselves from comparable areas

Source (trends.google.com):

https://trends.google.com/trends/explore?cat=67&geo=CA&q=%2Fg%2F1w4557jy,%2Fm%2F064nn1m,%2Fm%2F03tn7p,%2Fm%2F026k__,%2Fm%2F01ky23&hl=en-GB

Who do we want to reach

1. *Our Bullseye:* Weekly and bi-weekly visitors
2. *Secondarily:* Day visitors
3. *Message must align with:* Residents, Cottagers and Recurrent Visitors

Tagline and Graphic – The Strategy

1. Raise the profile/awareness
2. Offer them something to spend their money on

We're at the 'raise awareness' stage

A strong tagline & visual are -

- Unique
- Meaningful
- Memorable
- Flexible application

Tagline and Graphic – Our Thinking

It's rare for a tourism destination to have a monopoly on nature

- Caribbean Islands strive to differentiate from each other with mixed results. (They all have beaches.)

...Unless you have an entirely unique visual feature like....

- Niagara Falls
- Grand Canyon

You have to differentiate your destination by **making your name memorable.**

- If you have a generic name, it's an uphill battle.

Tagline and Graphic – Our Thinking

The Bad News: Magnetawan cannot own “nature” or “scenic” or “friendly.”

The Good News: Magnetawan is a unique word.

While its Indigenous meaning of “swiftly flowing waters” is accurate and appealing, to the Anglophone ear the word “Magnet” has distinct connotations.

- Magnets attract. They have energy. They symbolize the desirable.
- The name “Magnetawan” is a great asset for us.

Regional Examples

Almaguin Highlands

“Embrace our Nature”

Temiskaming Shores:

“Temiskamazing!”

New Zealand

“100% Pure”

Marathon, ON:

“Built on Paper and Laced with Gold”

Minnesota

“Land of 10,000 Lakes”

Design Direction

We're approaching the overall design as if it's intended to be used in merchandising. Simple, bold and attractive.

Additionally, it should look distinct from the official municipal identity.

Magnetawan-of-a-kind

Rationale

- It's unique and catchy (memorable)
- It builds on our point of differentiation: our name
- Its message of uniqueness supports our natural assets and appeal of the area
- It might be considered 'cool' and have appeal similar to the Downtown Magnetawan phrase.

The direction here is to anchor the design in a 'compass' like visual. This ties in nicely with the 'magnet' approach and reinforces Magnetawan as a destination location.

Graphic Extensions

The design of the compass can be easily used in other applications and as a wayfinding tool.

For example, our compass can direct visitors to different aspects of the community like things to do or where to stay.

Natural extensions for the tagline and graphic

The tagline and graphic create a simple campaignable approach that can be applied to all things coming from Magnetawan.

Magnetawan-of-a-kind Leekfest
Magnetawan-of-kind Farmers' Market

Magnetawan-of-kind products – stickers could brand products from the area

Social Media Extension

The graphic can enhance existing social content and help raise awareness.

Special Thank You

The METC would like to extend a special thank you to
Kurt Hagan and Les Soos!

The creative geniuses behind the tagline and graphic.
Their willingness to share their time and expertise has been invaluable!

Kurt Hagan

Freelance Copywriter

Les Soos

Multidisciplinary Creative Director

<https://www.lessoos.com/>

Where do we go from here?

Taking into account our goals and limited resources, here are the priorities we aim to pursue:

1. Establishing ongoing dialogue with Accommodation Providers
(Accommodations “Network”)
2. Tourism Promotional Product Development
3. Merchandise
4. Industry Support
5. Proposed changes to Terms of Reference (currently referred to as Mandate)

Action Item: Establish Accommodations “Network”

- Reach out & connect with all Magnetawan accommodation providers – motels, B&Bs, licensed STAs, trailer and cottage resorts and others
- Build a network of providers to collaborate on business development
 - Create programs that will help increase your business – web marketing, offers
 - Gather data to measure how we’re all doing – key metrics (e.g. occupancy rates)
 - Offer a workshop to encourage STA registration
- **Call to Action:** Meet with Bill & Rob over lunch.... what we might do together?
 - Considering an STA signup? Join us at lunch and let’s explore

Action Item: Tourism Promotional Product Development

- Web site enhancement
 - Continue to adapt current web site for METC activities – design and technology
 - Manage content planning and implementation
 - **CALL TO ACTION:** Review draft content for approval or changes
 - **CALL TO ACTION:** Check out business directory – make sure you are included and information is current and updated with photos
 - **CALL TO ACTION:** Share events that are open to visitors for inclusion in Calendar of Events
- Brochure displays – maintain and establish new locations available outside of Heritage Museum operations
 - **CALL TO ACTION:** Share promotional materials

Action Item: Merchandise

- Define and put together a program to distribute branded merchandise to help build awareness
- Program to recognizing the role of METC as a non-profit player.

Action Item: Industry Support

- Relationship Building – External:
 - Build relationships with other tourism organizations through which we could promote Magnetawan or access resources that would support our local tourism providers.
- Relationship Building – Internal:
 - Continue to build relationships with local industry (e.g. hosting Forum)
 - **QUESTION:** The Forum is intended to help build relationships, provide an opportunity to report on activities and help keep METC in-tune with the local community. Is this forum the right approach? Should other activities be considered?
- Facilitate training and access to supports
 - E.g. host funders forum, WHIMS training, promote training or information sessions provided by others such as Explorers' Edge
 - **CALL TO ACTION:** sign up for information on how to become a licensed STA (*referred to earlier*)
 - **CALL TO ACTION:** sign up to receive more detailed survey results
 - **QUESTION:** Are there specific topics you would like to learn more about?

Action Item: Updating METC Terms of Reference (currently “Mandate”) & Recruitment

- Propose updating to be more reflective of the industry composition
 - **QUESTION:** METC proposes subsets of the local tourism sector be better represented on the committee such as accommodation providers (commercial and licensed STAs). Any other subsets?
- Consider skills matrix to support identified projects
- Set out parameters for working groups and non-committee member participation
- Subject to Council approval, begin recruitment process

The meeting was called to order

1.2 Adoption of the Agenda

RESOLUTION 2026-05 Winston-Johnston

*BE IT RESOLVED THAT the Magnetawan Community Centre Board adopts the agenda for this regular meeting of Wednesday April 22, 2026, with the addition of the Lions Letter requesting the placement of a vending machine in the Pavilion.
Carried.*

1.3 Disclosure of Pecuniary Interest

Chair Garfield Robertson stated that should anyone have a disclosure of pecuniary interest that they could declare the nature thereof now or at any time during the meeting.

1.4 Adoption of Previous Minutes

RESOLUTION 2026-06 Sohm-Dunnett

*BE IT RESOLVED THAT the Magnetawan Community Centre Board adopts the minutes from the committee meeting of Wednesday February 6, 2026, as received and circulated.
Carried.*

ITEMS BROUGHT FORWARD

2.1 Correspondence from the Magnetawan Lions Club – Request Permission to Place a Vending Machine at the Pavilion. *ON DESK

RESOLUTION 2026-07 Langford-Sohm

BE IT RESOLVED THAT the Magnetawan Community Centre Board respectfully requests Magnetawan Council approves the Magnetawan Lions Club request to place a moneyless vending machine outside the pavilion in the summer months and inside one of the pavilion change rooms in the winter months.

Carried.

The Committee discussed the possibility of having the vending machine (just drinks) at the Pavilion. Vice Chair Langford advised that the vending machine would have to be attached to the floor or wall and be under cover in the Summer months and in the Winter months it would have to be moved to the heated change rooms. The Committee noted that the Community Pantry is already located in the change rooms in the winter months and that it is a much-needed resource for our community. The Committee also noted that one of the change rooms is being utilized for the storage of recreational supplies (archery equipment, roller skating equipment, bar fencing) which needs to be kept in a mouse free place.

2.2 Verbal Update Magnetawan Community Centre Projects

The Secretary advised that users of the Community Centre keep putting the knives in the utensil drawers which was dangerous, so the Parks Staff made some wooden dividers until the new ones can be purchased.

The Secretary also advised the committee that Well #3 is running the Community Centre and Well #1 and Well #2 are running the Pavilion well the locks on the windows will be repaired under warranty we are still waiting on the parts.

The Secretary further advised that Staff have replaced the fire door on the kitchen, all the urinal cakes will be replaced as well as Parks have painted the hallway and coatroom.

The Secretary also advised the Committee that the furnace will be replaced for the Community Centre/Library.

2.3 Verbal Update Lions Pavilion Projects

The Secretary advised the Committee that the Pavilion flags will be moving to the exterior of the building and that additional signage has been erected to display the skating times.

The Secretary further advised the Committee that Staff will be investigating how to best repair the cracks that were repaired with epoxy prior to the Winter season. Staff have reached out to contractors for quotes for repairs.

2.4 Verbal Update Ahmic Harbour Community Centre

The Secretary advised the Committee that the shed will be removed this year as well as Staff have purchased a utility cart, two crock pots, scraper, tongs, and pots for the Community Centre.

The Secretary further advised the Committee that the Staff bathroom will be repaired as well as heated roof cables will be installed.

The Committee discussed the chairs that are currently at the Committee Centre. The Secretary advised the Committee that Staff will check all the chairs and discard any broken chairs that cannot be repaired. Staff will also do a count of the current chairs.

The Committee discussed the cost of the chairs, and the Secretary advised the Committee that if any applicable grant funding stream opens, she will submit an application. The Committee also discussed the need for new tables. Staff will put tables on the current list of budget considerations for 2027.

Vice Chair Langford asked if the Community Centre was up to fire code. The Secretary will reach out to the Fire Chief to ensure that the Community Centre is in compliance.

2.5 2026 Budget Update

The Secretary advised the Committee that the Budget for 2026 has been approved. Everything the Committee asked for has been approved which includes wooden dividers, pavilion pillars cement work, painting of the pavilion shop, and the installation of a dishwasher at the Ahmic Harbour Community Centre.

Medical Officer of Health Update

Canadian Public Health Week 2026

This month, the North Bay Parry Sound District Health Unit marked Canadian Public Health Week (April 6 - 10, 2026) with the completion of its 2025 Annual Report. The creation of this report was led by the Communications team, with contributions from all programs and services across the Health Unit. Together, they provided statistics and stories to shine a light on the often invisible yet vital work of public health over the past year. The report is expected to be available on our website soon.

Also, in time for Canadian Public Health Week, the Health Unit recognized individuals and organizations who have demonstrated extraordinary efforts promoting public health. Healthy communities are the result of collective action; no single organization can achieve this alone.

- **The AIDS Committee of North Bay and Area (ACNBA)** for their compassionate, client-centered approach to care, commitment to reducing barriers to service, and strong collaboration with public health to support vulnerable populations.
- **Georgian Bay Biosphere – Mnidoo Gamii** for their leadership in climate action, sustainable transportation and food systems, and community development initiatives that promote health, environmental stewardship, and community connection.
- **Kirk Hewitt** for his compassionate, non-judgmental, and client-centred support of individuals with complex health and social needs, and for his strong collaboration with Health Unit programs to improve access to care and strengthen community partnerships.
- **True Self – Debwewendizwin** for their peer-led outreach and harm reduction initiatives, commitment to culturally informed care, and collaboration with public health to expand access to services and improve health outcomes for vulnerable populations.

The Health Unit values all contributions to community health, large and small, and sincerely appreciates the ongoing partnerships that strengthen our communities.

HPV Awareness Day 2026

The month of March included HPV Awareness Day on March 4. Human papillomavirus (HPV) is a group of over 200 viruses that, without vaccination, will infect about 75% of Canadians at some point in their lives. Infections are often asymptomatic, meaning most individuals are unaware they are infected. However, persistent infections can cause various cancers, which tend to occur many years after the initial infection.

HPV is responsible for nearly¹:

- 100% of cervical cancers
- 90% of anal cancers
- 60% to 73% of throat (oropharyngeal) cancers
- 40% to 50% of penile cancers
- 40% of vaginal and vulva cancers

HPV can also cause anogenital warts.

The good news is that a publicly funded vaccine is available for students in grades 7 to 12, as well as for individuals who meet high-risk criteria. The vaccine protects against nine strains of HPV, seven associated with cancer and two that most commonly cause genital warts, significantly reducing the risk of infection.

Despite this, HPV immunization coverage remains lower than for many other routine vaccines. In the 2024-2025 school year, only an estimated 56% of Grade 7 students in North Bay Parry Sound received two doses of the vaccine², and 70% received at least one dose, which is comparable to coverage rates across Ontario³.

<https://www.publichealthontario.ca/en/Data-and-Analysis/Infectious-Disease/Immunization-Tool>

To coincide with HPV Awareness Day, the Health Unit launched an HPV vaccine campaign. Teams from Vaccine Preventable Diseases, Sexual Health, Oral Health, and Community Health, along with staff from other programs, collaborated with Communications and Foundational Services to create and deliver a robust video campaign designed to educate the public on the HPV vaccines.

The campaign was intended for parents/guardians, students, and teachers, and included seven videos organically shared throughout March on the Health Unit's social media platforms. Ads also ran on Instagram, Facebook, YouTube, and Google Ads.

The goals of the campaign were to increase HPV vaccination rates, emphasize the critical role of vaccination in cancer reduction, and highlight the importance of vaccinating early, before exposure to the virus. This campaign will be evaluated in different ways, including social media analytics, teacher surveys and tracking HPV vaccination rates, to measure the impact that this important campaign will have throughout the region.

HPV vaccination *is* cancer prevention.

Programs and Services Updates

Corporate Services

Facilities Operations

North Bay

- Facilities staff attended software training for the upgraded Building Management System, which controls heating and cooling throughout the building.

Information Technology

- Completed the Vaccine Preventable Diseases program tablet refresh.
- Transitioned monthly Occupational Health and Safety inspections from paper-based forms to an electronic format.

Human Resources

Employee and Labour Relations

Planning is underway for the next All Staff Meeting and Service/Retirement Award Celebration, Scheduled for May 27, 2026.

Occupational Health, Safety, and Wellness

The process for reporting occupational health and safety concerns has moved to an online format through the existing ServiceDesk software. This change ensures timely documentation and keeps all parties (employees, supervisors, human resources) informed of issue status through to resolution.

Staff participated in an internal workplace survey developed by the Joint Health and Safety Committee (JHSC), seeking input on general occupational health and safety, workplace violence, and psychological health and safety. Survey findings and corresponding implementation strategies will be shared with all staff and the Board of Health once finalized.

Talent Management

In addition to filling temporary positions, the following permanent position was recently filled:

- Reception Clerk, Sexual Health & Harm Reduction Services (1.00 FTE), effective February 11, 2026

There has been no net increase in permanent positions.

All student placements from Canadore College and Nipissing University will be complete as of April 30, 2026. The next cohort of student placements will begin in September, with placement requests due to the Health Unit by August 1, 2026.

Clinical Services

Communicable Disease Control

Outbreak Activity

Since September 1, 2025, the Communicable Disease Control (CDC) program has managed 60 confirmed institutional outbreaks. Respiratory infections accounted for 71.7% of these outbreaks, with Influenza A (27.9%) and COVID-19 (34.9%) being the most common causes.

Influenza

As of April 11, 2026, a total of 418 influenza cases have been reported in the district for the 2025-2026 season, including 393 cases of influenza A and 25 cases of influenza B. Influenza activity in the district is currently categorized as 'sporadic', as there are no ongoing laboratory-confirmed influenza outbreaks in institutions or public hospitals.

Oral Health

In alignment with the Health Equity strategic priority, the Oral Health Program has initiated targeted outreach education sessions in low-income seniors' housing complexes to reduce

barriers and improve equitable access to care. These sessions provide oral health education and support seniors in navigating publicly funded programs, including the Ontario Seniors Dental Care Program (OSDCP) and the Canadian Dental Care Plan (CDCP).

Assistance is provided with application completion, understanding eligibility, and connecting individuals to a dental home. Engagement among seniors has been strong, creating meaningful opportunities to build relationships with community partners and enhance coordinated, equitable service delivery.

Sexual Health

Public Health Nurses continue to deliver enhanced services to priority youth across the district in partnership with designated secondary schools. These services increase access to comprehensive sexual health care and support more positive sexual health outcomes. Services include access to low-cost birth control methods (including the emergency contraception pill), urine testing for sexually transmitted infections (STIs), treatment of reportable STIs in cases and contacts, 2SLGBTQ+ health and wellness, and counselling on sexual health and safer sex, healthy relationships, consent, contraceptive options, pregnancy testing, and pregnancy options.

On Friday, April 17, 2026, Public Health Nurses from Sexual Health and Communicable Disease Control delivered an education session to physicians and nurses at North Bay Regional Health Centre. The session focused on local rates of sexually transmitted and blood-borne infection, emerging trends and treatment guidance, as well as provided an update on the Mandatory Blood Testing Act (2006).

Harm Reduction Services

The Health Unit has launched an updated version of its Safe Sharps Handling and Disposal Campaign, *"Community Safety. That's the Point."* The refreshed campaign incorporates insights from previous evaluation results and feedback.

Timed to align with Earth Day and upcoming training sessions, the campaign equips community members with the knowledge and skills to confidently and properly pick up and dispose of sharps found in the community, while reducing the potential health and safety risks associated with handling them.

Vaccine Preventable Diseases

Protecting Children from Vaccine Preventable Diseases

Throughout the school year, efforts were made to support students and families to meet immunization requirements and to minimize the need for school suspensions. The program worked proactively with school communities to reduce barriers to immunization and ensure access to timely, convenient services. These efforts included hosting clinics within schools, arranging additional clinic locations, offering extended appointment availability, and providing walk-in options for students at risk of suspension.

As a result of this collaborative and supportive approach, most students were able to update their vaccines and avoid suspension. While suspension remains a legislated component of Immunization of School Pupils Act (ISPA) for students who are not compliant and do not have valid exemptions, it is used as a last resort. During this school year, out of over 17,000 students, 79 secondary students and 174 elementary students experienced suspensions related to ISPA requirements. Most updated their immunization records quickly or received required vaccines, allowing them to return to school promptly and continue their education with minimal disruption.

To further protect the health of school communities and prevent outbreaks, we continue to apply a comprehensive approach across all grade levels rather than focusing on specific groups.

Encouragingly, immunization coverage rates for school-aged children in the district remain above the provincial average, as reported by the [Public Health Ontario Immunization Data Tool](#).

The focus remains on education, accessibility, and partnership with families to keep students healthy, in school, and protected from vaccine-preventable diseases.

Community Services

Environmental Health

Three information sessions were held with municipalities on the beach water sampling program. The sessions provided an opportunity for municipalities to directly hear information on the program, associated health risks from recreational water, and changes to sampling and signage, and to also ask questions of Dr. Zimbalatti (MOH/EO) and Brent Allen (Acting Program Manager, Environmental Health).

Inspections of recreational water facilities and food premises continued throughout February and March. High-risk food premises were prioritized as the April inspection deadline approaches, and year-round recreational water facilities received focused attention to support completion ahead of the March deadline.

The Health Unit also enhanced its occupational health and safety practices with the purchase of five SPOT devices for use in areas where cellular coverage is unreliable. These devices allow staff, such as Public Health Inspectors, to send a text or email message when out of cell range, with notifications directed to the program manager and the general intake inbox. This ensures that staff can communicate their location or request assistance.

Healthy Families

Reading to Children at All Healthy Babies Healthy Children (HBHC) Home Visits

HBHC staff have launched a simple but fun new early literacy initiative: at every home visit, staff share a short book with the baby or young child. These mini story times help show parents that reading doesn't need to be perfect, planned, or lengthy—it can be a fun, natural part of everyday life. A few minutes, a few pictures, and a warm voice can go a long way in supporting a child's early learning and creating positive moments for families.

The goal is to give children a strong start by encouraging families to make reading part of their routine from the very beginning. Many caregivers understandably think reading starts later, around age two, but babies begin benefiting as early as six months—they learn sounds, rhythms, and how pictures connect to words. Research also shows that early language exposure differs widely across households, and gaps in vocabulary can appear as early as 18 months. By modelling simple reading activities repeatedly, HBHC staff help parents feel confident, capable, and excited to read with their children.

Over time, these repeated, relaxed story moments build early vocabulary, spark curiosity, and strengthen parent-child connection. Most importantly, they help families see reading not as a task, but as a shared experience that is fun, nurturing, and easy to do anytime. This initiative supports HBHC's commitment to promoting healthy development and giving all young children the best possible start.

Community Health

Planet Youth Nipissing Sticker Design Contest

As part of Planet Youth Nipissing's efforts to strengthen youth engagement and amplify youth perspectives, a sticker design contest was held this winter. Local youth (ages 11-19) were invited to express what matters to them by creating a 2-inch sticker design. Over 40 submissions were received, showcasing a remarkable level of insight, talent, and creativity.

Because uplifting youth voices is central to Planet Youth Nipissing, 15 designs were awarded, exceeding the original plan to select 10. Winning designs were selected by a panel of youth judges, who carefully evaluated each submission based on creativity, relevance to the theme,

visual impact, and connection to youth experiences. Hard copy stickers with the [winning designs](#) are being distributed across the community by partner organizations.

Emergency Management

Throughout February and March, the Health Unit continued to monitor the Ontario Vigilance Bulletins from Environment Canada for extreme cold weather events, with 16 days meeting the criteria. As of December 2025, a total of 48 Extreme Cold Weather Alerts were issued.

Preparations to update the Health Unit's Hazard Identification Risk Assessment (HIRA) are underway as well planning for the upcoming heat season.

Organizational Effectiveness

Quality, Practice, and Relations

Communications

The tick awareness campaign will be launched in May with the goal of increasing public awareness of tick identification and prevention. This initiative is a collaboration between Communications, Environmental Health, and the Communicable Disease Control programs. Six humorous informational videos have been produced and will be released weekly starting on May 4, 2026. Static informational posts will also be shared throughout the campaign to reinforce key messages and provide supplementary education.

Professional Practice

The first 2026 session of the Transition to Public Health Orientation took place in April, with eleven staff participating. This program supports newer employees by strengthening their understanding of core public health concepts, including legislative frameworks, funding models, population health approaches, and commonly used provincial and organizational tools. It also helps participants understand how public health work is structured and how their individual roles contribute to the broader mandate of public health.

Professional Practices remains involved in the Registered Nurses' Association of Ontario (RNAO) Best Practice Guideline on Intimate Partner Violence. Development of this guideline follows a three-year cycle, and the work has now entered Year 2, moving from an extensive literature review into the development of good practice statements.

In addition, Professional Practice participates in the Ontario Public Health Nursing Leaders Executive, a provincial group that provides systems-level leadership for public health nursing. As part of this work, Professional Practice contributed to the planning and delivery of the spring workshop held on April 16, which brought together nursing leaders from public health units across Ontario to discuss emerging issues, operational challenges, and opportunities in public health nursing.

Quality Assurance

Evaluation of the Quality Assurance system has advanced with the completion of a detailed process map. This mapping demonstrated strong staff understanding of the workflows related to managing operational policies, procedures and directives. The next phase will involve a staff survey to identify opportunities to strengthen the system's structure, clarity, and usability.

Work is in progress to develop a formal, consistent organizational process for managing public complaints. This process will be integrated into the Quality Issue Reporting (QIR) system to support consistent documentation, tracking, and follow-up. The QIR system provides a standardized mechanism for documenting, reviewing, and analyzing quality issues, identify trends, and inform continuous improvement. QIR reports are shared with the Board of Health, Executive Team, Managers Team, Nursing Practice Advisory Committee, and Continuous Quality Improvement Committee to support decision-making, organizational learning, and improvements to process and service delivery.

Indigenous Engagement

As part of ongoing relationship building with Indigenous partners, staff from Indigenous Engagement and Community Health participated in the planning committee for the North Bay Regional Health Centre Minowacihewin, Regional Service for Indigenous Peoples Minweyaang Round Dance, alongside seven partner organizations.

In advance of the event, staff attended a cultural teaching to learn about the history, meaning, and protocols of the Round Dance, supporting respectful engagement and deepened understanding of its cultural significance.

Cultural gatherings and ceremonies such as the Round Dance serve an important role in supporting Indigenous health and wellness by strengthening relationships, fostering belonging, and community connection. Staff also attended the Round Dance to offer support and demonstrate the Health Unit's commitment to reconciliation and meaningful engagement with Indigenous communities and partners. During the event, the planning committee was welcomed into the circle with a song in honour of the collective work involved in organizing the gathering. This acknowledgement reflects the importance of relationship, respect, and shared responsibility in supporting community-led events.

Foundational Services

Population Health Assessment & Surveillance

The [Mental Health and Wellbeing Dashboard](#) was recently launched on the Health Unit's website. Based on the Mental Health Promotion Framework, the dashboard presents local data on protective and risk factors at the individual, family, and community levels. A tutorial video was created to help user navigation, and the tool was promoted internally through intranet posts and a staff presentation.

A study summary on [Kidney Cancer in the City of North Bay](#) was also published in early 2026. The analysis aimed to better understand the potential impact of higher levels of per- and polyfluoroalkyl substances (PFAS) in North Bay's drinking water on kidney cancer rates.

Health Equity - Food and Housing Affordability

As a result of the resolution at the January Board of Health meeting related to [food and housing affordability](#), a [letter](#) was submitted for the [2026 Ontario Budget Consultation](#) calling for higher social assistance rates. [Correspondence](#) was sent to local leaders and elected officials to share the key messaging of our submission. Municipalities were also informed of the resolution and the budget submission. They were provided with a sample motion and letter they can tailor should they wish to join the Health Unit in calling on the province to increase social assistance rates. To date, six municipalities in our district have passed resolutions of support, including:

- Township of Mattawan
- Municipality of East Ferris
- Municipality of West Nipissing
- Township of Armour
- Township of Magnetawan
- Town of Parry Sound

Foundational Services staff worked with Communications to provide BayToday key messaging about the resolution, as they [published an article](#) in early March covering the budget submission.

Foundational Services, along with two Executive Directors, presented at the Housing Solutions Forum hosted by Ontario Health at the North Bay Regional Health Centre. The presentation

focused on the local data related to food and housing affordability. The forum brought together organizations addressing housing and homelessness, with discussion focused on examining the housing challenges impacting patient flow and timely transitions out of hospital.

Limited access to affordable and supportive housing can result in extended hospital stays, resulting in excessive healthcare spending, and contributing to hospital bed shortages. Planning is underway to advance collaborative solutions and strengthen partnerships identified through the forum.

Highlights from the April 2026 Medical Officer of Health Report to the Board of Health

Medical Officer of Health Update:

Canadian Public Health Week 2026

This month, the North Bay Parry Sound District Health Unit marked Canadian Public Health Week (April 6 - 10, 2026) with the release of its 2025 Annual Report. The creation of this report was led by the Communications team, with contributions from all programs and services across the Health Unit. Together, they provided statistics and stories to shine a light on the often invisible yet vital work of public health over the past year. The report is available on our website.

Also in time for Canadian Public Health Week, the Health Unit recognized individuals and organizations who have demonstrated extraordinary efforts promoting public health. Healthy communities are the result of collective action, no single organization can achieve this alone.

- **The AIDS Committee of North Bay and Area (ACNBA)** for their compassionate, client-centered approach to care, commitment to reducing barriers to service, and strong collaboration with public health to support vulnerable populations.
- **Georgian Bay Biosphere – Mnidoo Gamii** for their leadership in climate action, sustainable transportation and food systems, and community development initiatives that promote health, environmental stewardship, and community connection.
- **Kirk Hewitt** for his compassionate, non-judgemental, and client-centred support of individuals with complex health and social needs, and for his strong collaboration with Health Unit programs to improve access to care and strengthen community partnerships.
- **True Self – Debwewendizwin** for their peer-led outreach and harm reduction initiatives, commitment to culturally informed care, and collaboration with public health to expand access to services and improve health outcomes for vulnerable populations.

The Health Unit values all contributions to community health, large and small, and sincerely appreciates the ongoing partnerships that strengthen our communities.

HPV Awareness Day 2026

The month of March included HPV Awareness Day on March 4. Human papillomavirus (HPV) is a group of over 200 viruses that, without vaccination, will infect about 75% of Canadians at some point in their lives. Infections are often asymptomatic, meaning most individuals are unaware they are infected. However, persistent infections can cause various cancers, which tend to occur many years after the initial infection.

HPV is responsible for nearly¹:

- 100% of cervical cancers
- 90% of anal cancers
- 60% to 73% of throat (oropharyngeal) cancers
- 40% to 50% of penile cancers
- 40% of vaginal and vulva cancers

HPV can also cause anogenital warts.

The good news is that a publicly funded vaccine is available for students in grades 7 to 12, as well as for individuals who meet high-risk criteria. The vaccine protects against nine strains of HPV, seven associated with cancer and two that most commonly cause genital warts, significantly reducing the risk of infection.

Despite this, HPV Immunization coverage remains lower than for many other routine vaccines. In the 2024-2025 school year, only 50% of Grade 7 students in North Bay Parry Sound received two doses of the vaccine, and 70% received at least one dose, which is comparable to coverage rates across Ontario².

To coincide with HPV Awareness Day, the Health Unit launched a HPV vaccine campaign. Teams from Vaccine Preventable Diseases, Sexual Health, Oral Health, and Community Health, along with staff from other programs, collaborated with Communications and Foundational Services to create and deliver a robust video campaign designed to educating the public on the HPV vaccines.

¹ Government of Canada (Health Canada). Human papilloma virus (HPV): symptoms and treatment [internet]. 2025 [cited 2026 Mar 20]. Available from: [Human papillomavirus \(HPV\): Symptoms and treatment - Canada.ca](https://www.canada.ca/en/health-canada/services/vaccines-and-immunization/diseases-and-conditions/human-papilloma-virus-(hpv)-symptoms-and-treatment.html)

² Ontario Agency for Health Protection and Promotion (Public Health Ontario). Immunization data tool [Internet]. Toronto, ON: King's Printer for Ontario; 2026 [cited 2026 Mar 20]. Available from: <https://www.publichealthontario.ca/en/Data-and-Analysis/Infectious-Disease/Immunization-Tool>

The campaign was intended for parents/guardians, students, and teachers, and included six videos organically shared throughout March on the Health Unit's social media platforms. Ads also ran throughout the month on Instagram, Facebook, YouTube, and Google Ads.

The goal of the campaign was to reduce stigma associated with HPV, emphasize the critical role vaccination in cancer reduction, and highlight the importance of vaccinating early, before exposure to the virus.

HPV vaccination *is* cancer prevention.

Program and Services Highlights

Communicable Disease Control

- Influenza activity has been downgraded from 'localized' to 'sporadic' in recent weeks. This means some influenza cases continue to be reported, but there are currently no ongoing laboratory-confirmed outbreaks in institutions or public hospitals.

Oral Health

- The Oral Health program is providing education sessions in low-income seniors' housing complexes to reduce barriers to oral health care.
- The sessions provide oral health education and support seniors in navigating publicly funded dental programs, including the Ontario Seniors' Dental Care Program (OSDCP) and the Canadian Dental Care Plan (CDCP).

Sexual Health

- Public Health Nurses from Sexual Health and Communicable Disease Control delivered an education session to physicians and nurses at North Bay Regional Health Centre focused on current rates and treatment guidelines for sexually transmitted and blood-borne infections.

Harm Reduction

- The Health Unit has launched an updated version of its Safe Sharps Handling and Disposal Campaign, "**Community Safety. That's the Point.**"
- The campaign equips community members with the knowledge and skills to confidently and properly pick up and dispose of sharps found in the community, while reducing the potential health and safety risks associated with handling them.

Vaccine Preventable Diseases

- The Health Unit is concluding its *Immunization of School Pupils Act* activities for the 2025-26 school year.
- Out of over 17,000 students, only 79 secondary and 174 elementary school students experienced a suspension, which was only of brief duration for most.
- Immunization coverage rates for school-aged children in the district remain above the provincial average, as reported by the Public Health Ontario Immunization Data Tool.

Environmental Health

- Three information sessions, presented by Brent Allen (Acting Program Manager, Environmental Health) and Dr. Zimbalatti (MOH/EO) were provided to municipal representatives regarding the upcoming changes to the beach water sampling program.

Healthy Families

- Healthy Babies Healthy Children staff launched a new initiative to read a short book at every home visit.
- The goal is to give children a strong start by modelling reading and encouraging families to make reading part of their routine from the very beginning.

Community Health

- Planet Youth Nipissing released the results of the sticker design contest which had the goal of strengthening youth engagement and uplifting youth voices.
- Hard copy stickers featuring the [winning designs](#) are being distributed across the community by partner organizations.

Communications

- A tick awareness campaign has been launched.
- Six humorous informational videos have been produced for weekly release, along with static informational posts reinforcing key messages and providing supplementary education.

Population Health Assessment & Surveillance

- The [Mental Health and Wellbeing Dashboard](#) was recently launched on the Health Unit's website.

- Based on the Mental Health Promotion Framework, the dashboard presents local data on protective and risk factors at the individual, family, and community levels.
- A study summary on [Kidney Cancer in the City of North Bay](#) was also recently published.
- The analysis aimed to better understand the potential impact of higher levels of per- and polyfluoroalkyl substances (PFAS) in North Bay's drinking water on kidney cancer rates.

Health Equity – Food and Housing Affordability

- At the January Board of Health meeting, a resolution was passed related to [food and housing affordability](#), calling for higher social assistance rates based on findings in a recent study by the Health Unit.
- Information from this study is being shared provincially and locally, including through:
 - a provincial budget consultation submission; and
 - several presentations across the districts, including one at the Housing Solutions Forum hosted by Ontario Health and the North Bay Regional Health Centre.
- Municipalities were invited to amplify the Board of Health's resolution through their own resolutions of support. The following municipalities have done so to date:
 - Township of Mattawan
 - Municipality of East Ferris
 - Municipality of West Nipissing
 - Township of Armour
 - Township of Magnetawan
 - Town of Parry Sound

SUBJECT: 2026 Q1 Shareholder Update

On behalf of Roger Alexander, Chair, and the Board of Directors of Lakeland Holding Ltd. (Lakeland), we are pleased to present the 2026 Q1 Shareholder Update for Lakeland.

Land Acknowledgement

Lakeland respectfully acknowledges that we work and live on lands that are the traditional territories of Indigenous Communities. We offer gratitude to Indigenous peoples for their care for, and teachings about, our earth and our relations.

VISION STATEMENT

BE THE LEADER IN SUSTAINABLE SOLUTIONS AND CATALYST FOR IMPROVING THE LIVES OF OUR CUSTOMERS AND COMMUNITIES WE SERVE.

MISSION STATEMENT

LEVERAGING OUR TEAM, WE ARE DEDICATED TO GROWING RESPONSIBLY, SERVING OUR SHAREHOLDERS, CUSTOMERS AND COMMUNITIES WITH SAFE, RELIABLE, AND QUALITY SUSTAINABLE SOLUTIONS.

MEMORANDUM

Chris Litschko, Chief Executive Officer
Lakeland Holding Ltd.

CORPORATE VALUES STATEMENT

SAFETY: WE ARE DEDICATED TO THE SAFETY OF OUR EMPLOYEES AND COMMUNITIES.

ENVIRONMENTAL STEWARDSHIP: WE ARE CONCERNED FOR THE ENVIRONMENT IN EVERYTHING WE DO. WE ARE COMMITTED TO PROTECTING AND NOURISHING THE ENVIRONMENT BY DOING BETTER FOR OUR PLANET WHILE WE GROW.

RELIABILITY: WE PROVIDE DEPENDABLE, CONSISTENT AND RELIABLE SERVICE.

ACCOUNTABILITY: WE ARE SERIOUS AND RESPONSIBLE FOR OUR ACTIONS AND ACCOUNTABLE TO THOSE WE SERVE.

PARTNERSHIPS: WE DRAW ON ONE ANOTHER AND OUR PARTNERS TO ACHIEVE SUCCESS.

PROFESSIONALISM: WE ARE DEDICATED TO EXCELLENCE IN MANAGEMENT AND SERVICE DELIVERY. WE ARE INCLUSIVE AND ARE COMMITTED TO PROVIDING EQUITABLE SERVICES AND TREATING ALL WITH RESPECT.

CONTINUOUS IMPROVEMENT: WE CONSTANTLY SEEK NEW IDEAS, ARE FUTURE FOCUSED AND RESULTS ORIENTED. WE ARE EFFICIENT, EFFECTIVE, INNOVATIVE AND WE OFFER VALUE-ADDED.

RELATIONSHIP BUILDING & RECONCILIATION: WE ARE COMMITTED TO RELATIONSHIP BUILDING AND RECONCILIATION. WE ARE DRIVEN BY TRUST AND INTEGRITY AND WE VALUE THE KNOWLEDGE AND EXPERIENCE OF ALL.

The following table presents an overview of Lakeland Holding’s current business operations as conducted through each of its subsidiary companies:

Lakeland Power Distribution Ltd. (Local Distribution Company)	Bracebridge Generation Ltd. & Lakeland Solutions		Lakeland Energy Ltd. (Including Lakeland Networks Operations)
• 14,976 Connections	• Bracebridge Falls Generation Plant	2.6 MWs	• Web Mapping
• 163 square Kms of Service Area	• Wilson Falls Generation Plant	2.9 MWs	• Fibre to Business
• 367 Kms of Distribution Lines	• High Falls Generation Plant	2.3 MWs	• Fibre to Home
• 10 Substations	• Cascade Generation Plant	3.25 MWs	• 9,120 Fibre Connections
• 2,392 Transformers	• Burk’s Falls Generation Plant	1.2 MWs	• 670 Km of Installed Fibre-Optic Cable
• Offices in Bracebridge, Huntsville, and Parry Sound	• Bancroft Generation Plant	0.6 MWs	• Internet Service Provider
	• Drag River Generation Plant	0.3 MWs	• VOIP and Traditional Phone Services
	• Irondale Generation Plant	0.5 MWs	• IT Server Hosting
	• Elliott Falls Generation Plant	0.8 MWs	• Voice and Data Cabling
	• Chute Blanche (50% ownership)	1.4 MWs	• Business Phone Systems
	• Solar Field	0.5MWs	• Streetlight Maintenance
	• Tesla Battery Storage	1.25 MWs	• 1350 Water Heater Rentals
	• Wasdell Falls	1.65mWs	
	13 Generation Facilities = 19.25Mws		
	• Microgrid	1	
	• 17 EV Charging Sites	68 Ports	

MEMORANDUM

Chris Litschko, Chief Executive Officer
Lakeland Holding Ltd.

The 2026 Q1 report, included as Appendix "A" to this memorandum, demonstrates Lakeland's sustained progress in fulfilling its Mission for the benefit of both our Shareholders and the customers we serve.

Submitted with respect on behalf of the Board of Directors of Lakeland.

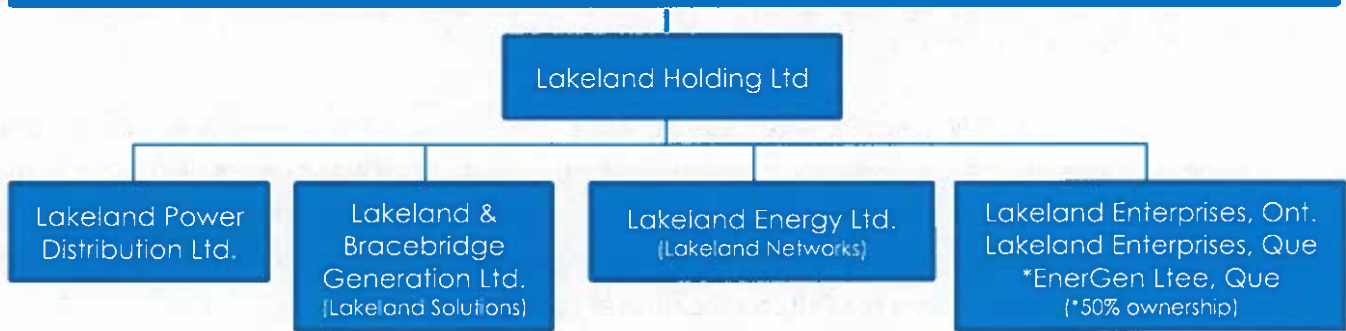

A handwritten signature in black ink, appearing to read "C. Litschko", written over a horizontal line.

Chris Litschko, CEO

Appendix "A"

2026 Q1 Shareholder Update

Municipal Shareholders: Bracebridge, Huntsville, Parry Sound, Burks Fall's, Magnetawan, Sundridge

Q1 Financial Update

Lakeland Holding's consolidated Q1 financial results demonstrate strong performance, with EBITDA exceeding budget expectations by 3% and surpassing the 2025 figure by 9%. All business units are performing satisfactorily and remain aligned with their respective budgets, with costs consistently below target and some fluctuations noted in revenue. The current outlook suggests that the consolidated budget will be achieved, with a detailed analysis of each subsidiary provided below.

Power is currently performing slightly ahead of budget, primarily due to reduced third-party expenses and a decrease in intercompany charges from Bracebridge Generation. Barring any significant storms, the outlook indicates that the company is on track to meet its budget targets.

Generation revenue is currently below budget due to lower-than-anticipated revenues in January and February, although there was partial recovery in March which should continue with current high water levels expected to support increased production through May, assuming a normalized year going forward. Forecasts are indicating the possibility of a super El Niño, which suggests hot and dry conditions across North America; however, model predictions for Ontario are not yet consistent.

Lakeland Solutions' EBITDA has exceeded budget expectations, driven by increased EV charging revenues and reduced power costs. The outlook remains positive for meeting budget targets, as global political developments may contribute to rising EV vehicle sales and corresponding charging demand.

Lakeland Energy is currently marginally under budget, attributed to fewer net new subscribers resulting from severe cold conditions and economic factors. Nevertheless, the number of net new customers exceeds that of the same period in 2025, with this variance partially offset by reduced expenses. The outlook suggests performance will align closely with the budget, supported by improved weather conditions for selling and newly introduced customer packages designed to enhance varying customer experiences.

On a consolidated basis, Lakeland invested \$2 million (net of contributions) in capital improvement and expansion through the first quarter. Since 2006, Lakeland has distributed \$24.4M in tax-free cash dividends and achieved an increase in value of \$46.8M.

Operations

During the first quarter of 2026, the organization maintained a stable workforce of approximately 100 employees, with strong retention reflected in a continued 0% regrettable and unplanned turnover rate. Recruitment activity remained active, with several co-op, technical, and student roles successfully filled to support operational and future workforce needs. The organization continued to advance its people strategy through ongoing performance development, succession planning initiatives, and enhancements to human

resources systems, including improvements to hiring, onboarding, and compliance reporting. Health and safety engagement remained strong, supported by regular training and monthly safety meetings

During the first quarter of 2026, Lakeland continued to strengthen its IT and cybersecurity posture, completing all required Ontario Energy Board cybersecurity controls, advancing its new enterprise risk management framework, and making substantial progress on remediation activities identified through its 2025 penetration testing program. Key infrastructure upgrades progressed as planned, including the successful upgrade of core corporate firewalls and continued work on smaller site deployments. The organization actively monitored and assessed emerging cybersecurity threats throughout the quarter, with no material impact identified on Lakeland systems, and ongoing employee cybersecurity awareness training remained strong across all entities.

Lakeland Networks delivered steady performance in the first quarter of 2026, generating positive net

subscriber growth year-over-year to a total of 9,120 and strengthening its competitive position despite weather-related sales constraints and continued economic pressure on consumers. Net new customers exceeded prior year levels, supported by lower-than-planned cancellations and successful retention initiatives, while churn attributable to competitive losses remained historically low. Revenue was modestly below budget, primarily due to subscriber volumes and residential internet

ARPU, partially offset by strong growth in television penetration, which remained above 26% following targeted MVP package promotions. Operationally, the business made significant progress on cost-efficient network expansion, particularly through low-cost aerial construction and MDU deployments, adding new serviceable units and advancing multiple permitting approvals for future growth. The quarter also marked the soft launch of Lakeland's new Experience Plans, positioning the company to improve ARPU, product differentiation, and customer experience as the year progresses, while maintaining disciplined capital deployment across broadband expansion and EV-related construction opportunities.

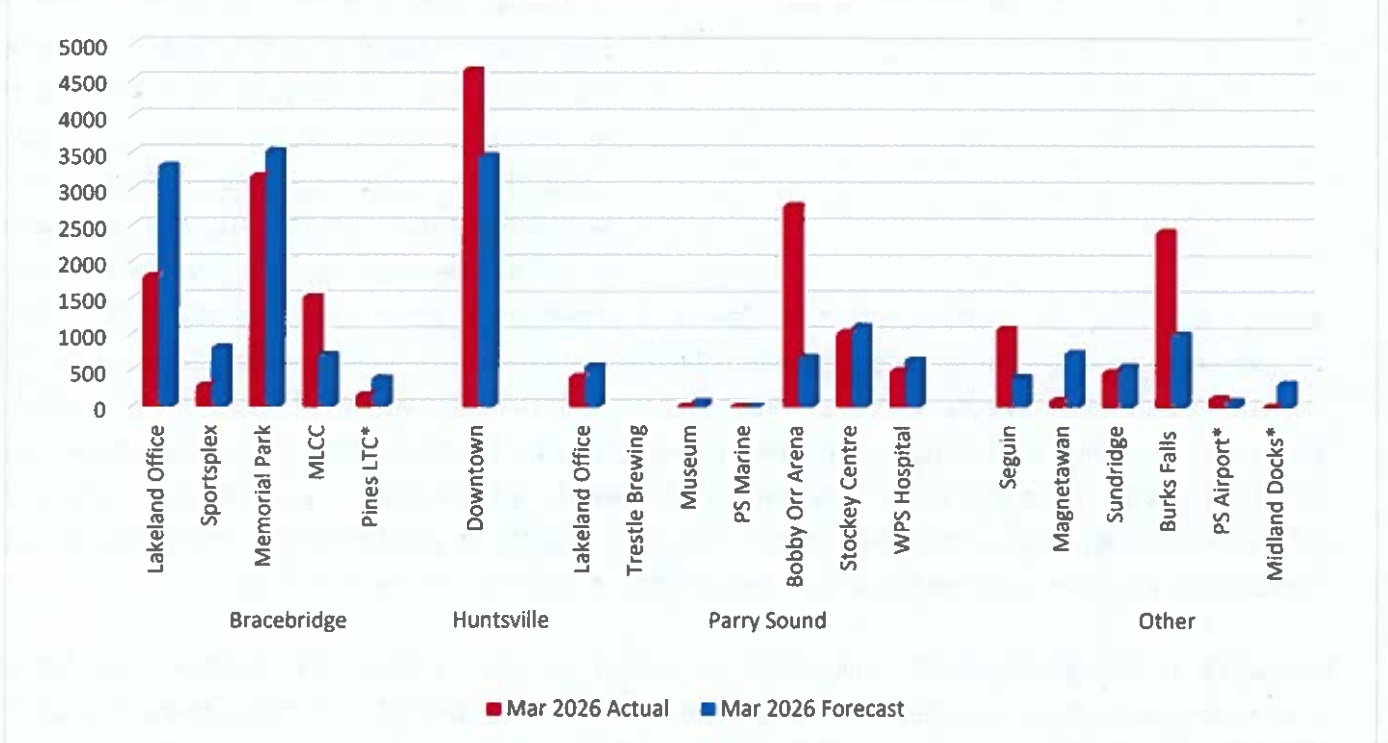

Lakeland's EV Charging business delivered a strong first quarter in 2026, with energy usage exceeding forecasts in each month and year-to-date consumption approximately 20–25% above budget. Growth was driven by continued increases in usage and new users across the network, with Huntsville remaining the highest-utilization site and several locations, including Burk's Falls, Seguin, and Bobby Orr Arena, consistently performing well above forecast. Financial results remain favourable, with revenues tracking ahead of budget, while network expansion progressed through installation activities and advancement of

site agreements. In parallel, Lakeland continued to secure and receive external funding and advanced the solar and battery initiatives, positioning Lakeland for continued growth through the remainder of 2026.

1st Quarter EV Charging Stats = Kilowatt hours

Mar 2026 Actual vs Forecast

In the first quarter of 2026, Generation faced significant fluctuations in hydrological conditions that affected output. Overall generation was below budget in January and February, primarily due to sustained low water flows resulting from extreme cold and ongoing lake replenishment following drought. In March, there was a notable improvement, as total generation exceeded budget projections for the first time in ten months.

For the entire quarter, total production reached 96% of the budgeted target. Snowpack levels across the watersheds remained near to above historical averages, supporting positive runoff expectations into the spring. Operations focused on frequent dam adjustments, debris management, and targeted maintenance activities, including turbine improvements and dewatering work that enhanced efficiency and future output potential. While weather-driven events increased operating complexity and short-term costs, staff actions mitigated impacts and positioned facilities to benefit from higher spring flows. Capital planning for 2026 continued to advance, with design and engineering progressing on multiple safety, dam refurbishment, and reliability projects critical to long-term asset performance.

In serving 14,976 customers, during the first quarter of 2026, Lakeland Power focused on core operational priorities including system reliability, pole and meter replacements, and the advancement of customer-driven projects across the service territory. Key construction activities progressed in Bracebridge and Parry Sound, including Bell joint-use pole replacements, line reconductoring, voltage conversion initiatives, and substation protection upgrades. Engineering continued work with Hydro One on feeder modernization, completed protection setting updates at substations, and advanced planning for long-term infrastructure investments, including the MS-3 substation now scheduled for 2028. Customer growth and development activity remained strong, particularly in Parry Sound, with increased interest in housing, commercial developments, EV charging, net metered generation, and large load connections. Billing and customer service performance remained solid, with high regulatory compliance, stable customer counts, strong digital engagement, and continued preparation for new EV rates effective May 1, 2026. Operational efficiency initiatives, including CIS vendor review and outage communication enhancements, continued to support reliable service delivery and long-term cost management.

Number of Customer Hours Interrupted By Cause Code - Q1 2026

A meeting of the Board of Health for the North Bay Parry Sound District Health Unit was held on Wednesday, February 25, 2026. The meeting was open to the public and live streaming of the proceedings was provided for the media and public through a link on the Health Unit's website.

5.0 DATE OF NEXT MEETING

Date: April 22, 2026

Time: to be determined

Place: Nipissing Room, North Bay Office

6.0 BUSINESS ARISING

There was nothing noted to bring forward under Business Arising.

7.0 REPORT OF MEDICAL OFFICER OF HEALTH

The Report of the Medical Officer of Health dated February 25, 2026, was presented to the Board of Health for information purposes.

Questions and comments were received and addressed.

8.0 BOARD COMMITTEE REPORTS

9.0 CORRESPONDENCE

Board of Health correspondence listed for the February 25, 2026, meeting is made available for review by Board members in the Board of Health online portal.

10.0 NEW BUSINESS

10.1 Association of Local Public Health Agencies (ALPHA) 2026 Winter Symposium Summary Report

The ALPHA 2026 Winter Symposium Summary Report was provided to the Board of Health for information purposes by Dr. Zimbalatti.

10.2 Strengthening Coordination of Provincial and Federal Dental Programs

Shannon Mantha joined the Board of Health meeting at 5:26 p.m.

Shannon Mantha summarized the Strengthening Coordination of Provincial and Federal briefing note.

The following motion was read.

Board of Health Resolution #BOH/2026/02/03 *Restoule/Stickland

Whereas, oral health is a vital component of overall health, and access to dental care remains a significant barrier for many low-income, marginalized, and vulnerable populations; and

Whereas, the Government of Canada has introduced the Canadian Dental Care Plan to improve access to dental care for eligible uninsured Canadians; and

Whereas, the Province of Ontario administers dental and social assistance programs, including Healthy Smiles Ontario, Ontario Seniors Dental Care Plan, Ontario Works, and the Ontario Disability Support Program, which provide dental benefits to priority populations; and

Whereas, public health units play a critical role in supporting access to oral health services for vulnerable populations; and

Whereas, current coordination requirements designating the Canadian Dental Care Plan as the primary payer have resulted in unintended barriers to timely dental care for individuals who are eligible for provincial programs but are not yet enrolled in the Canadian Dental Care Plan due to administrative or systemic barriers; and

Whereas, the Windsor-Essex County Health Unit has brought forward a resolution calling for improved coordination between federal and provincial dental programs to ensure equitable and timely access to care;

Now therefore be it resolved that, the Board of Health for the North Bay Parry Sound District Health Unit endorse and support the resolution presented by the Windsor-Essex County Health Unit regarding strengthening the coordination between the Canadian Dental Care Plan and Ontario's dental and social assistance programs; and

Further be it resolved that, the Board of Health for the North Bay Parry Sound District Health Unit urge the Government of Canada and the Province of Ontario to strengthen coordination, clarify guidance, and streamline administrative processes to reduce delays and confusion for clients and providers; and

Further be it resolved that, the Board of Health for the North Bay Parry Sound District Health Unit requests that Public Health Ontario or the Ministry of Health facilitate or contribute to, the completion of a dental workforce analysis to inform policy decisions and guide resource allocation of publicly funded dental benefits; and

Further be it resolved that, this resolution be forwarded to the Ontario Ministry of Health, the Ministry of Children, Public Health Ontario, Community and Social Services, the federal Minister of Health, the Association of Local Public Health Agencies (alPHA), and Ontario Boards of Health for information and consideration.

The recorded vote was as follows:

RECORDED VOTE FOR CIRCULATION:

Shannon Mantha left the Board of Health meeting at 5:33 p.m.

10.3 PRESENTATION: Environmental Health Summer Beach Program

Brent Allen and Louise Gagné joined the Board of Health meeting at 5:34 p.m.

Questions and comments were received and addressed.

Brent Allen and Louise Gagné left the Board of Health meeting at 6:23 p.m.

10.3.1 Briefing Note – Discontinuation of Beach Sampling (For Information)

The briefing note was provided to the Board of Health for information purposes.

10.4 Formation of an Ad Hoc Committee to Support the Board of Health Self-Evaluation Process.

The briefing note was reviewed, and the following motion was read.

Board of Health Resolution #BOH/2026/02/04 *Flowers/Cook

Whereas, the Ontario Public Health Organizational Standards (OPHS-OS) require boards of health to implement a governance self-evaluation process at least every two years; and

Whereas, the Board of Health last completed a self-evaluation in April 2024 and is required to complete the next self-evaluation by April 2026; and

Whereas, establishing an ad hoc committee will provide focused oversight and support for the timely and effective completion of the Board of Health Self-Evaluation process;

Now Therefore Be It Resolved That, the Board of Health establish an ad hoc committee to oversee and support the Board of Health Self-Evaluation process, in accordance with the Ontario Public Health Organizational Standards; and

Be It Further Resolved That, the ad hoc committee shall comprise the Board of Health Chairperson, Rick Champagne, one additional Board of Health member, and the Medical Officer of Health/Executive Officer, Dr. Zimbalatti, who shall serve as an ex-officio member; and

Be It Further Resolved That, the ad hoc committee report back to the Board of Health at the June 24, 2026, Board of Health meeting with the results of the self-evaluation and any recommended actions, and that the committee be dissolved upon completion of its mandate; and

Be it Further Resolved That, remuneration for the ad hoc committee be paid in accordance with Board of Health Bylaws, Section VI, #79.

Hon. Sean Fraser
Minister of Justice and Attorney General of Canada
Legislative Building
284 Wellington Street
Ottawa, Ontario K1A 0H8

Dear Minister Fraser:

Re: Notice of Motion, Councillor C. James re: Community Safety and Well-Being Plan

Please be advised that the Council of the Regional Municipality of Waterloo at their regular meeting held on March 25, 2026, approved the following motion:

Whereas the Region of Waterloo's Community Safety and Well-Being Plan, developed under the requirements of the Community Safety and Policing Act, identifies systemic racism, hate, and discrimination as critical risk factors impacting community safety, belonging, and well-being;

And whereas the display of a noose is widely recognized as a symbol of racial terror, violence, and intimidation, particularly against Black communities, rooted in the history of anti-Black racism;

And whereas symbols of hate, when displayed publicly, contribute to fear, trauma, and exclusion, and undermine the Region's commitments to equity, inclusion, and proactive prevention within its Community Safety and Well-Being Plan;

And whereas the Government of Canada has introduced Bill C-9 to strengthen tools to address hate-motivated offences, including provisions related to the public display of certain hate symbols;

And whereas the current draft of Bill C-9 does not explicitly include the noose as a prohibited symbol, despite its well-

documented use as an instrument of racial intimidation and its direct relevance to community safety and well-being outcomes;

And whereas addressing hate symbols through federal legislation complements municipal efforts by strengthening upstream prevention, reducing harm, and supporting safer, more inclusive communities;

Therefore be it resolved that:

- 1. The Regional Municipality of Waterloo formally request that the Government of Canada amend Bill C-9 to explicitly include the noose as a prohibited hate symbol within the legislation;**
- 2. This motion be circulated to all Ontario municipalities, the Federation of Canadian Municipalities (FCM), and the Association of Municipalities of Ontario (AMO) for endorsement and support as a measure that strengthens community safety and well-being across jurisdictions.**

Please accept this letter for information purposes only. If you have any questions, please contact Councillor C. James, CJames@regionofwaterloo.ca.

MUNICIPALITY OF SHUNIAH

COUNCIL RESOLUTION

Date: Apr 14, 2026

Resolution No.: 167-26

Moved By: _____
[Signature]

Seconded By: _____
[Signature]

WHEREAS the Municipality of Shuniah acknowledges that municipal infrastructure - including roads, bridges, and water and wastewater systems - underpins public safety, economic vitality, and quality of life in Ontario's rural and small urban communities; and

WHEREAS the Ontario Community Infrastructure Fund (OCIF) was created in 2015 to assist small and rural municipalities facing infrastructure deficits that exceed their local revenue capacities; and

WHEREAS in 2022, the Government of Ontario committed to increase the annual OCIF envelope from \$100 million to \$400 million over a five-year term, with that commitment scheduled to expire at the end of fiscal 2026; and

WHEREAS fixed funding levels amid rising labour, materials, and climate resilience costs have eroded the purchasing power of the \$400 million envelope, jeopardizing municipalities' ability to deliver and sustain essential services without incurring unsustainable debt; and

WHEREAS predictable, multi-year funding indexed to real-world cost drivers is critical for municipalities to develop, finance, and execute long-term asset management plans, reduce emergency repairs, and leverage complementary federal and private infrastructure financing; and

WHEREAS the Municipality of Shuniah requires a steadfast provincial partner to extend and enhance OCIF beyond 2026, ensuring infrastructure resilience, fiscal sustainability, and equitable access for all small and rural municipalities;

NOW THEREFORE BE IT RESOLVED THAT:

1. The Municipality of Shuniah calls upon the Government of Ontario to extend the annual OCIF envelope at not less than \$400 million beyond its current five-year term ending in 2026, with no reductions in subsequent provincial budgets.

2. The Province be requested to index the total annual OCIF envelope - and each individual municipal allocation - to the Ontario Consumer Price Index (CPI), calculated on

a calendar-year basis and disbursed in the first quarter of each fiscal year.

3. The Ministry of Infrastructure establish a new five-year OCIF funding framework that guarantees annual envelopes and allocation percentages by municipality, enabling long-term capital planning and stable cash-flow management.

4. The Province undertake a formal review of the OCIF allocation formula at least once every four years, incorporating current municipal asset management data, demographic projections, climate resilience metrics, and rural equity considerations

5. A dedicated contingency reserve equal to 5 percent of the annual OCIF envelope be created within the fund to address extraordinary cost escalations, emergency repairs, or project overruns without reallocating core funding.

6. The Ministry of Infrastructure publish an annual OCIF performance report—including program disbursements, allocation adjustments, and reserve expenditures—in a transparent, publicly accessible online dashboard.

FURTHER THAT the Council of the Municipality of Shuniah supports the February 23rd, 2026 resolution of the Township of North Glengarry regarding the Ontario Community Infrastructure Fund (OCIF); and

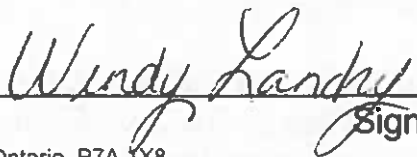

FURTHER THAT this supporting resolution and the originating correspondence be circulated to the Premier of Ontario, the Leader of the Official Opposition, the Minister of Infrastructure, the Minister of Municipal Affairs and Housing, Local MPP's, the Association of Municipalities of Ontario (AMO), and all Ontario municipalities. *NOMA*

RESOLUTION

MOVED BY Councillor Guindon

RESOLUTION NO 2026-69

SECONDED BY Councillor St. Pierre

DATE April 20, 2026

WHEREAS housing affordability remains a critical issue in Ontario and across Canada, with the national average home sale price at approximately \$675,000, making homeownership increasingly difficult for first-time buyers; and

WHEREAS under the current Ontario *Land Transfer Tax* regime, first-time home buyers may receive a rebate of up to \$4,000 toward provincial land transfer tax, which fully offsets the tax only on homes valued up to approximately \$368,000, a level substantially below the current average home price; and

WHEREAS at a home purchase price of \$675,000, the provincial land transfer tax before any rebate can exceed \$8,000, meaning that even with the current maximum \$4,000 rebate first-time buyers must pay a significant tax burden at closing that undermines housing affordability; and

WHEREAS the United Counties of Stormont, Dundas and Glengarry acknowledges and applauds recent efforts by the Province of Ontario and the Government of Canada to improve housing affordability, including measures to reduce or rebate GST/HST on new housing construction and purchases; and

WHEREAS the majority of first-time homebuyers in Ontario purchase resale homes rather than newly constructed units; and

WHEREAS the vast majority of residential real estate transactions in Ontario, including both resale and new homes, are subject to provincial Land Transfer Tax, meaning that enhancements to the Land Transfer Tax rebate would provide broader and more immediate financial relief to first-time homebuyers;

NOW THEREFORE BE IT RESOLVED THAT the Council of the United Counties of Stormont, Dundas and Glengarry formally requests that the Province of Ontario consider amending the *Land Transfer Tax Act* to:

1. Increase the value threshold at which the first-time home buyer rebate fully offsets provincial Land Transfer Tax to a level that reflects current housing market realities (for example, to no less than \$675,000, aligning with the 2025 national average home price); and

2. Increase the maximum rebate amount available to first time home buyers accordingly (such as to a minimum of \$8,000, or a proportional figure tied to the new threshold) to meaningfully reduce upfront tax costs for first-time purchasers.

BE IT FURTHER RESOLVED THAT such amendments be designed to enhance housing affordability and access to homeownership for first-time buyers in urban, suburban, and rural communities alike; and

BE IT FURTHER RESOLVED THAT a copy of this resolution be forwarded to the Premier of Ontario, the Minister of Finance, the Minister of Municipal Affairs and Housing, the local Member of Provincial Parliament, all Ontario municipalities, and the Association of Municipalities of Ontario (AMO) for consideration and advocacy.

April 24, 2026

The Right Honourable Mark Carney, Prime Minister of Canada;
Honourable Patty Hajdu, Minister of Jobs and Families and Minister responsible for
the Federal Economic Development Agency for Northern Ontario;
MP Emma Harrison;
Paul Thompson, Deputy Minister of Employment and Social Development;
Rob Wright, Deputy Minister of Labour and Associate Deputy Minister of Employment
and Social Development;
Cliff Groen, Associate Deputy Minister of Employment and Social Development;
Honourable Doug Ford, Premier of Ontario;
Honourable Michael Parsa, Minister of Children, Community and Social Services;
MPP Dave Smith;
Daniele Zanotti, Deputy Minister of the Ministry of Children, Community, and Social
Services;
Cordelia Clarke Julien, Assistant Deputy Minister Social Assistance Program Branch;
Federation of Canadian Municipalities (FCM);
Association of Municipalities of Ontario (AMO); and
All Ontario Municipalities

Subject: Guaranteed Basic Income Resolution

The following resolution, adopted by City Council at its meeting held on March 30,
2026, is forwarded for your consideration.

WHEREAS:

- 1. Poverty and income insecurity continue to negatively impact the health and well-being of residents in Peterborough and across Ontario;**
- 2. Municipal governments bear significant costs from the downstream effects of poverty, including increased demand for social services, emergency shelters, and community programs;**
- 3. Evidence from the Ontario Basic Income Pilot (2017–2019) and comparable programs demonstrated meaningful improvements in health, housing stability, and food security among participants;**

City of
Peterborough

4. A Guaranteed Basic Income (GBI) requires collaboration between the Government of Ontario and the Government of Canada to design, fund, and implement effectively; and
5. Municipalities, as the order of government closest to residents, are well-positioned to advocate for income security policies that reflect local needs.

THEREFORE BE IT RESOLVED THAT:

1. Council urges the Government of Ontario and the Government of Canada to collaborate on the design, funding, and implementation of a Guaranteed Basic Income for all Canadian residents;
2. Council calls upon the Province of Ontario to reinstate a basic income pilot with a view to province-wide implementation; and
3. The Clerk be directed to forward a certified copy of this resolution to the Premier of Ontario, the Prime Minister of Canada, our local MPP and MP, relevant federal and provincial Ministers, AMO and FCM, and to share it with all Ontario municipalities for endorsement.

Sincerely,

John Kennedy
City Clerk

MEMO

To:	Erica Kellogg, Deputy Clerk Magnetawan
From:	Jamie Robinson, BES, MCIP, RPP and Patrick Townes, BA, BEd
Date:	April 9, 2026
Subject:	Overview of Proposed Bill 98: <i>Building Homes and Improving Transportation Infrastructure Act, 2026</i>

Purpose

To provide a high-level overview of legislative and regulatory changes proposed in Bill 98: *Building Homes and Improving Transportation Infrastructure Act, 2026*, which was released for comments on March 30, 2026.

Bill 98: *Building Homes and Improving Transportation Infrastructure Act, 2026*

The Ministry of Municipal Affairs and Housing released Bill 98 and is seeking feedback on the proposed legislation and policy changes. Written comments regarding proposed changes can be submitted through the Environmental Registry of Ontario – [ERO #026-0300](#). The deadline for written comments is April 29, 2026.

The proposed legislation is aimed at reducing barriers to homebuilding, improving transit, and streamlining planning processes across Ontario. We recognize that all proposed changes are not necessarily going to impact the Municipality of Magnetawan, however in terms of a high level summary the proposed measures related to planning and transportation include:

- Simplifying and standardizing municipal Official Plans;
- Requirements for a Complete Application – Reports & Studies;
- Clarifying and streamlining Site Plan rules;
- Modernizing minimum lot size requirements;
- Introducing a new framework for parkland dedication requirements;
- Establishing a new regulatory framework for communal water and wastewater systems; and
- Introducing harmonized Road Standards.

Additional highlights from the legislation include efforts to:

- Improve transparency around development charges and housing costs; and,
- Expand housing opportunities in rural and hard-to-service areas.

Upon review of this memo, if you would like a more detailed summary of how the review could impact the Municipality of Magnetawan, or draft comments prepared for Council consideration, please do not hesitate to contact us. We recognize that the timeline to provide comments through Council are often tight when new legislation is released, however please let us know how we can assist in addressing any questions or concerns.

The following is a brief overview of the proposed legislative and policy changes contained within Bill 98 that are applicable to the Municipality of Magnetawan. The proposed changes have not been finalized and are subject to change through the process.

1. Streamlining and Standardizing Official Plans

Under the *Planning Act*, the foundational activity for most municipalities is the implementation of an Official Plan to guide future development in the best interest of the community as a whole. The Province is seeking feedback on a proposal to simplify and standardize the format of Official Plans.

The proposed changes include:

- A standardized structure for local (Lower-tier and Single-tier Municipality and Planning Board) Official Plans through a table of contents and schedules.
- A standardized set of land use designations to be used in local Official Plans (Lower-tier and Single-tier Municipality and Planning Board). These designations are as follows:
 - Neighbourhoods, permitting residential uses, small-scale commercial uses, institutional uses (including cemeteries), and other uses as prescribed.
 - Mixed-Use Areas, permitting residential uses, commercial uses, institutional uses (including cemeteries), industrial, manufacturing and small-scale warehousing uses that could be located adjacent to sensitive land uses without adverse effects, and other uses as prescribed.
 - Mixed-Use Commercial Areas, permitting industrial, manufacturing and small-scale warehousing uses and other uses as prescribed. Commercial and institutional uses are permitted only if they are not sensitive land uses.
 - Employment Areas, permitting the uses permitted in areas of employment, as defined in the Planning Act (if applicable).
 - Major Facilities, permitting manufacturing uses, industrial uses, infrastructure uses, and other uses as prescribed.
 - Parks and Open Spaces, permitting recreational uses, cemetery uses, and other uses as prescribed.
 - Natural Environment and Water Resource Areas, permitting conservation uses and other uses as prescribed.
 - Resource Areas, permitting resource extraction uses.
 - Rural Lands, permitting residential uses, small-scale commercial uses, small-scale industrial uses, agricultural and agriculture-related uses, on-farm diversified uses, resource management uses, resource-based recreational uses, cemetery uses, and other uses as prescribed.
 - Prime Agricultural Areas, permitting agricultural and agriculture-related uses, on-farm diversified uses and other uses as prescribed.

- Specialty Crop Areas, permitting agricultural and agriculture-related uses, on-farm diversified uses and other uses as prescribed.
- Shoreline Areas, permitting marina uses, recreational uses, residential uses, and other uses as prescribed.
- Limiting duplication with Official Plans of Lower-tier municipalities by creating specific land use designations that only apply to Official Plans of Upper-tier municipalities with planning responsibilities. For example, this could mean creating a broader land use designation that would combine the designations of Neighbourhoods, Mixed Use Areas, and Mixed Use Commercial Areas into a “Community Areas” designation.

2. Minimum Lot Sizes

The Province is seeking feedback on a proposed regulation under the *Planning Act* that would set a minimum lot size of 175 m² (approximately 1900 ft²) on parcels of urban residential land outside the Greenbelt Area. A parcel of urban residential land is defined in the *Planning Act* as a parcel within the Settlement Area of a municipality that is zoned for residential use (other than as an ancillary use) and is fully serviced by public sewage and water.

This regulation is not proposing that every new urban residential lot must be 175m², rather that a municipality would not be able to require urban residential lots outside the Greenbelt to be larger through their Zoning By-laws. Any municipal zoning requirement for minimum frontage and/or minimum depth that would not allow for the minimum lot size standard to be met would be inapplicable.

3. Minister’s Zoning Orders

Changes are proposed to the *Planning Act* that would remove the legislative requirement for the Minister to provide notice on proposed amendments to or revocations of Minister’s Zoning Orders (MZOs).

Please do not hesitate to contact our office if you have any questions regarding the proposed legislation changes or need assistance in preparing responses to the ERO postings.

April 9, 2026

To Northern Ontario Mayors:

Thank you for your continued cooperation and partnership in our shared mission to build and protect Northern Ontario. Your actions are more important now than ever. With the current economic and trade uncertainty, it's crucial that our province stands united to protect the people and economy in the North.

As the Minister of Northern Economic Development and Growth, I am deeply committed to promoting Northern Ontario. To that end, I am launching a creative social media campaign for summer 2026 to promote tourism across the region. This campaign will feature a variety of tourist destinations over the summer, aimed at encouraging people to explore and experience the beauty of the North.

As experts in your community, I would appreciate your top recommendations for a must-see destination, hidden gem or iconic attraction that we can feature in our campaign. Whether it's a stunning lookout, a renowned landmark or a local tourism business, your insights will be invaluable.

To showcase the beauty of your community, I kindly ask that you send us your best, highest-quality photos of the two to three attractions you would like us to highlight in our campaign. My ministry is looking for an image that captures its essence and invites others to experience it firsthand. By submitting photos, your organization confirms that it has the necessary rights or permissions for their use as described in this letter. If any submitted photos include identifiable individuals, a signed individual consent must be provided as attached. This requirement applies where a person's likeness is recognizable in the image. No further consent is required for landscape or attraction-only photos that do not include identifiable individuals.

Once we gather all the suggested sites, we will create a calendar of featured destinations. As your jurisdiction's day approaches, we will notify you so you can watch for and share the post.

Thank you again for your partnership. Together, we can showcase the incredible offerings of Northern Ontario and inspire visitors to explore our remarkable region.

For all your suggestions and photos, please email bronwyn.gould@ontario.ca or call 437-772-8629 if you have any questions. I look forward to a summer filled with record breaking tourism in Northern Ontario.

Sincerely,

A handwritten signature in blue ink, appearing to read "George Pirie".

The Honourable George Pirie
Minister of Northern Economic Development and Growth

April 20, 2026

The Honourable Steven MacKinnon
Minister of Transport

TC.MinisterofTransport-MinistredesTransports.TC@tc.gc.ca

Dear Minister MacKinnon,

We are writing to request federal support to accelerate the continued widening of Highways 11 and 17, including federal investment and a commitment to eliminating any duplicative federal review processes that could delay construction.

Highways 11 and 17 are critical transportation corridors and key parts of the Trans-Canada network. By connecting Northern Ontario to the rest of Canada, they play an essential role in building a more competitive, resilient and self-reliant national economy and country.

These highways are vital to moving goods across Canada. Together, they carry 2,000 trucks each day and transport more than \$125 million in goods. As Ontario builds and strengthens trade corridors, they continue to play an important role in this work. They will also help unlock Northern Ontario's full economic potential, including the development and transport of critical minerals and other natural resources the world needs. Reliable and efficient highway capacity is essential to ensure our resources reach markets and to support Ontario's and Canada's competitiveness.

We recognize the federal government's commitment to increasing defence spending and strengthening national security. In the current geopolitical environment, Ontario will continue to punch above its weight when it comes to contributing to Canada's defence industry, and our infrastructure is no exception. Highways 11 and 17 serve as critical infrastructure for economic security, domestic supply chains and defence readiness. As a key east-west corridor through Northern Ontario, they help ensure that military personnel, equipment and essential goods move safely and efficiently across the country.

.../2

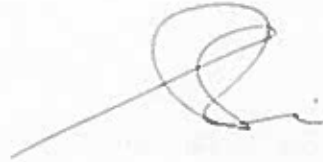

Ontario has made significant progress along this corridor through four-lane expansion, roadway widening and the launch of North America's first 2+1 highway pilot in the North. However, given the scale and national significance of this corridor, federal support for the continued widening of these highways is more important than ever to ensure this corridor meet the demands of an increasingly competitive economy and an evolving security landscape.

We would welcome the opportunity to discuss this further.

Sincerely,

The Honourable Prabmeet Singh Sarkaria
Ontario Minister of Transportation

The Honourable George Pirie
Ontario Minister of Northern Economic
Development and Growth

c: The Honourable David J. McGuinty
Minister of National Defence

April 15th 2026

Dear Mayor Dunnett and Councilors;

On behalf of the Magnetawan Public Library I would like to extend our thanks for your continued support and the approval of our 2026 budget.

We are proud to serve our community and hope to continue growing and providing programs, events and community space as well as the usual Library functions.

Regards,

Julie Ferris

What We Accomplished in 2025

Regenerative Travel Agency

Launched Ontario's first regenerative travel agency – offering immersive, bookable day experiences that drive direct economic impact to local communities, including Almaguin and Muskoka operators.

Regional Tourism Summit

Hosted the 2025 Summit alongside the TIAO Provincial Summit, focusing on data-driven decision making, collaborative development, and rural destination innovation.

Indigenous Youth Strategy

Launched the Indigenous Youth Tourism Entrepreneurship Strategy in partnership with Moccasin Trails and Stormy Lake Consulting, building the foundation for youth-led, culturally aligned experiences.

Marketing Innovation

Deployed affinity-audience testing, multilingual campaigns, and niche-segment content (motorcycle touring, cycling, angling) with strong engagement and high return on spend.

Workforce Development

Engaged 120+ students through SHSM partnerships, Co-Creation Labs, DIVA Dialogues, and the Catalyst Housing initiative to support regional labour force sustainability.

2SLGBTQI+

Diva Dialogues, market research with Destination Ontario and a destination audit with Canadian Queer Chamber of Commerce - CQCC

Supporting Almaguin Pride

What We Accomplished in 2025

Almaguin Star Party

Sold-out pilot validated demand for place-based, community-created experiences — a key proof point for the Almaguin Highlands and Magnetawan area as a dark-sky destination.

Magnetawan Wayfinding & Heritage Signage

Wayfinding & Signage Stream · Funded through the Explorers' Edge Partnership Fund

WAYFINDING & HERITAGE · MAGNETAWAN

The Project

Magnetawan completed its first formal wayfinding and heritage signage initiative – strengthening visitor navigation while celebrating the town's rich local history.

A Standout Feature

A commemorative plaque honours the Steamship Chainsaw Carving, celebrating the historical significance of steamships on the Magnetawan River and anchoring heritage tourism downtown.

Where the Signs Are

Strategically placed at waterfalls, trails, parks, and the Village Green near Centennial Beach – connecting visitors to attractions, amenities, and local businesses.

COMMUNITY RESPONSE

Overwhelmingly positive

Residents and visitors alike appreciate the effort to preserve and share Magnetawan's history. Local businesses see it as a direct opportunity to engage new visitors.

BUSINESS & VISITOR IMPACT

Drawing foot traffic downtown

Tourism and hospitality businesses expressed strong support, seeing the signage as a direct tool to engage visitors and reinforce Magnetawan's identity as a heritage destination.

WHAT THIS SHOWS

Partnership + community pride in action

Strong social media engagement, with posts celebrating Magnetawan's history. Wayfinding, heritage, and visitor dispersal all working together in one project.

Magnetawan Wayfinding & Heritage Signage

Wayfinding & Signage Stream · Funded through the Explorers' Edge Partnership Fund

ArtWork

Directional signage artwork – two entry-point sign posts guiding visitors from Hwy 520 into downtown Magnetawan

THE PROJECT

Magnetawan's first formal wayfinding and heritage signage initiative – strengthening visitor navigation while celebrating the town's rich local history.

A Standout Feature

A commemorative plaque honours the Steamship Chainsaw Carving, celebrating the historical significance of steamships on the Magnetawan River – anchoring heritage tourism in the heart of downtown.

Where the Signs Are

Placed at waterfalls, trails, parks, and the Village Green near Centennial Beach – connecting visitors to attractions, amenities, and local businesses.

COMMUNITY RESPONSE

Overwhelmingly positive

Residents and visitors appreciate the effort to preserve and share Magnetawan's history. Businesses see it as a direct tool to engage visitors.

BUSINESS & VISITOR IMPACT

Drawing foot traffic downtown

Tourism and hospitality businesses expressed strong support, seeing the signage as reinforcing Magnetawan's identity as a heritage destination.

SOCIAL & COMMUNITY PRIDE

Strong social media buzz

Posts and photos celebrating the historical knowledge highlighted by the signage. Wayfinding, heritage, and visitor dispersal – working in one project.

A.J. Casson & The Group of Seven

"Magnetawan Village" 1930 · One of the heritage interpretation panels installed through the Partnership Fund

A.J. Casson & The Group of Seven

About A.J. Casson
Alfred Joseph Casson, better known as A.J., was born in Toronto, Ontario in 1896. He became a commercial artist in his early twenties and later joined the Group of Seven in 1926 at the invitation of Franklin Carmichael. The same year he became an associate member of the Royal Canadian Academy. Casson is best known for his depictions of landscapes, forests and farms of southern Ontario, and for being the youngest member of the Group of Seven. Casson's style combined clarity of form, vibrant colour, and a deep respect for Canada's cultural roots.

A.J. Casson passed away in 1992 and is buried on the grounds of the McMichael Canadian Art Collection, along with six other members of the Group of Seven.

"Magnetawan Village" 1930
Casson's landscape of Magnetawan depicts Saint George's Anglican Church, built in 1880, at the top of the hill, and the Magnetawan River in the foreground. A.J. Casson's painting captures the beauty of rural Ontario and solidifies Magnetawan's place within the broader story of Canadian art, linking our small community to a national legacy.

In a letter reflecting on his time in Magnetawan, A.J. Casson remembers camping on a farm with another artist. He recalls the farmer's wife bringing them soup or apple pie almost daily, and claims they had a wonderful time and a very successful sketching trip. He had hoped to return to Magnetawan and sketch the church once more. Casson painted numerous Ontario landscapes and villages in his unique style with strong compositions.

The painting is now part of a private collection. A print can be viewed in the lobby of the Municipal office, with special thanks to Dr. & Mrs. Ian Weil.

The Group of Seven
Sometimes known as the Algonquin School, the Group of Seven was a group of Canadian landscape painters from 1920 to 1933. Believing that a distinct Canadian art style could be developed through direct contact with nature, the Group is best known for its paintings inspired by the Canadian landscape and initiated the first major Canadian national art movement.

Why this matters for Magnetawan: Casson's 1930 painting depicts St. George's Anglican Church and the Magnetawan River — linking this small community to Canada's most celebrated art movement. This heritage panel is part of the Partnership Fund-supported signage program, deepening the visitor experience and reinforcing Magnetawan's identity as a place of cultural and historical significance.

Marketing That Works for Magnetawan

Reaching high-value visitors through targeted digital, content, and niche campaigns

2025 MARKETING HIGHLIGHTS

- Affinity-audience targeting — high return on modest spend
- Multilingual campaigns reaching Québec audiences
- Niche segment content: motorcycle touring, cycling, angling
- Shoulder-season storytelling outperformed expectations
- High dwell time on curated itineraries signal packaged travel demand
- Great Canadian Wilderness brand amplified across social & digital
- Website analytics: deep consumer interest in experience-based travel

WHAT THIS MEANS FOR MAGNETAWAN

- Magnetawan is featured under the Almaguin Highlands — a key growth destination
- Visitors seeking authentic, rural, off-the-beaten-path experiences
- Dark sky, paddling, trails and rural charm align with top traveller priorities
- Quebec visitation is growing — bilingual content amplifies reach
- Shoulder season campaigns extend your local visitor economy
- Bookable experiences through the Travel Co. can feature Magnetawan operators

2026 Priorities & Looking Ahead

01

Grow the Regenerative Travel Agency

Expand bookable packages beyond Muskoka into Almaguin Highlands – creating new revenue streams and visitor dispersal into Magnetawan and area.

02

Deepen Partnership Co-Investment

2026/27 Partnership Program prioritizes collaborative projects, experience creation, and Travel Co. integration. Magnetawan operators are encouraged to apply.

03

Advance Regenerative Community Initiatives

Expand youth-led, support women in tourism, create inclusive space for community and visitor

04

Sustainability & GreenStep Expansion

Support more operators in achieving GreenStep certification, Climate Hero status, Rainbow Registry, and Truth & Reconciliation commitments.

Regenerate. Collaborate. Grow.

EXPLORERS' EDGE
**PARTNERSHIP
PROGRAM**

PART TWO

The Partnership Program

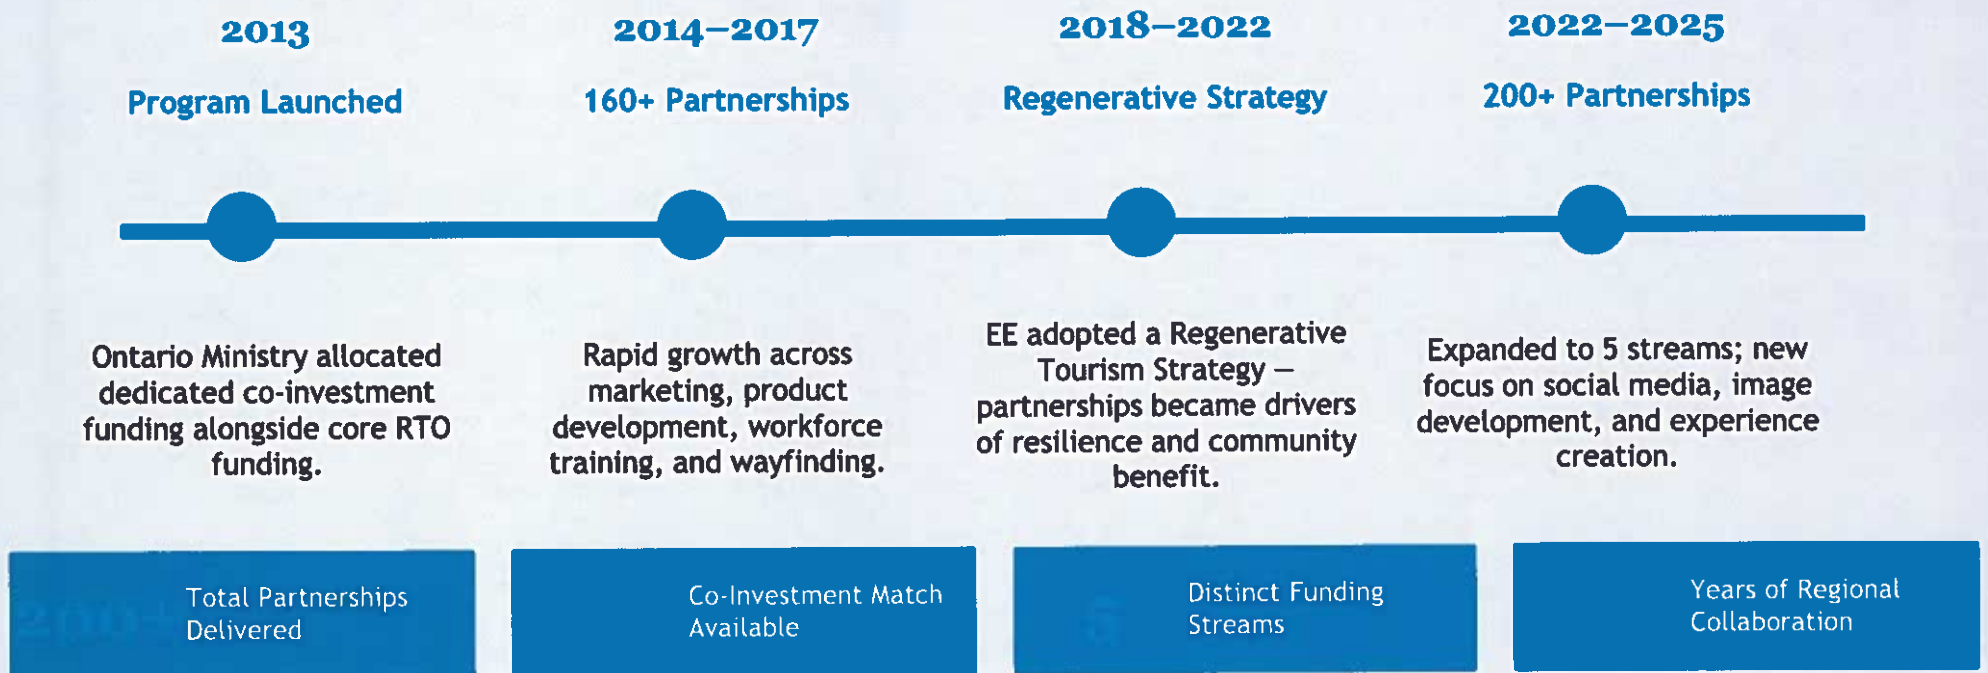

Jennifer Montpetit

Director of Strategic Partnership and Development, Explorers' Edge

Tourism for Positive Impact · Community Connections · Building Partnerships That Matter

A Legacy of Collaboration

The Partnership Fund has been building community connections since 2013

What We Fund

Up to 50% co-investment match across five funding streams

1 Product & Experience Development

Fund large-scale tourism projects, research, and workforce initiatives. Includes new bookable experience creation for the Explorers' Edge Travel Co.

2 Image Development

Custom photo and video assets produced through our Agency of Record – professional quality content for your business.

3 Communications & Marketing

Co-fund marketing campaigns and social media advertising to reach new audiences at regional scale.

4 Wayfinding & Signage

Large-scale navigation infrastructure that helps visitors discover your corner of the region.

5 Trade Show Support

Partial reimbursement of booth costs at relevant tourism trade shows and travel buyer events.

Co-investment means shared ownership – not a grant. Together we do more than either of us could afford separately.

Collaboration in Action

Real results from real collaboration across Muskoka, Parry Sound, and Almaguin

EVENTS & ECONOMIC IMPACT

Ontario 55+ Winter Games - Huntsville

EE co-invested in a registration platform and wayfinding signage. Result: 1,000+ athletes, 10 venues, and an estimated \$1.5M economic impact.

SCIENCE & ENVIRONMENT

Friends of the Muskoka Watershed

'Peer Under the Surface' lake cruises and ASH restoration forest walks – turning environmental science into a compelling visitor experience.

VISITOR DISPERSAL

Town of Parry Sound - Cruise Ship Shuttles

A shuttle partnership dispersed cruise ship visitors directly into local shops, restaurants, and cultural spaces – exactly what strategic dispersal looks like.

CULTURAL HERITAGE

Commanda Museum Summerfest

Partnership support brought visitors into contact with the region's Indigenous and settler heritage, building cultural resonance and community pride.

DOWNTOWN ACTIVATION

Bracebridge BIA - Autumn Festival

A downtown activation partnership created a seasonal draw that extended the visitor season and boosted local merchant traffic.

TRAILS & NATURE

Wild Co / Four Points

Nature-based experience partnership building bookable outdoor products that connect visitors to the wild landscapes of the region.

Why Partnerships Matter

FOR YOUR BUSINESS

- Access expert guidance and professional execution support
- Increase visibility through co-marketing and regional campaigns
- Develop new, bookable visitor experiences
- Build resilience and diversify your revenue streams

FOR MAGNETAWAN & THE REGION

- Spread visitor traffic beyond traditional hotspots
- Strengthen local communities and rural economies
- Support sustainable and regenerative tourism practices
- Build a tourism ecosystem where operators lift each other up
- Increase Magnetawan's visibility within the Great Canadian Wilderness brand

"Strong communities make strong destinations."

Who Could Magnetawan Partner With?

Strong communities make strong destinations – think beyond your business

CREATIVE

Artists & Makers

Co-create experiences, feature local artisans in guest programming, or commission works that tell the Magnetawan story.

LOCAL FOOD

Farmers & Growers

Farm-to-table dining, market visits, harvest experiences – connecting guests to the land behind their meal.

COMMUNITY

Non-Profits & Orgs

Environmental stewardship, cultural heritage, wellness – meaningful ways for guests to give back to Magnetawan.

TOURISM

Other Operators

Bundle accommodations with activities, cross-promote, co-host events, and extend visitor stays.

DOWNTOWN

BIAs & Chambers

Tap into events and local networks to enrich the visitor experience in downtown Magnetawan.

CULTURE

Indigenous Partners

Culturally respectful partnerships honouring Truth & Reconciliation while offering authentic regional experiences.

Regenerative Travel Agency

- It **challenges the old “heads in beds”** model by arguing that more visitors alone is not enough if communities, culture, and the environment are not also benefiting.
- It **pushes tourism organizations beyond awareness marketing** and into accountability, asking how tourism dollars are actually flowing and who is truly benefiting.
- It **makes people uncomfortable because it questions business as usual**, including short-term thinking, vanity metrics, and growth that may look good on paper but leave little lasting value locally.
- It **forces harder conversations about equity and power**, including who gets included, who gets funded, whose stories are told, and whether Indigenous and community voices are genuinely shaping tourism.
- It **raises the bar for industry leadership** by expecting tourism to be regenerative, inclusive, and responsible, not just profitable or promotional.

We acknowledge the traditional lands of the Anishinabek, Algonquin, Métis, and Mohawk peoples.

ABOUT EXPLORERS' EDGE

Explorers' Edge 2026/2027 Partnership Program – CLOSED

BY JENNIFER / FEBRUARY 27, 2026

Successful outcome

\$4,400

Co-Invest. Collaborate. Create Regional Impact

Applications open February 27, 2026 | Deadline March 27, 2025 @5.00 pm | **APPLICATIONS CLOSED**

The Explorers' Edge Partnership Program is a strategic co-investment opportunity designed to support tourism planning, marketing, product development, and the creation of bookable, high-quality visitor experiences across the region.

We will be applying the defined application intake period, allowing Explorers' Edge to review all submissions collectively and ensure funding is allocated strategically to projects that deliver the greatest regional impact.

Of note: If partnership funds are not fully allocated during the intake period a second intake will happen in Fall 2026 and again in Winter 2027 if funds still continue to remain unallocated. Additionally: At any time if you have an idea, would like to enquire about the partnership program or require further information our team would love to hear from you – simply contact jennifer@explorersedge.ca

Program Overview

The Explorers' Edge 2026/27 Partnership Program is a strategic co-investment opportunity designed to amplify tourism development in the region. We match stakeholder contributions to support initiatives that drive visitation, enhance experiences, promote regenerative tourism, and foster workforce and product innovation.

Ontario Parks Ad

Is your town the next home for "The Village's Old Tree"? 🌳

Calling all community organizers! We are looking for 50 towns to host this unique intergenerational show featuring a master storyteller and live chalk artist.

The Experience:

Travel along a giant canvas as the artist and storyteller bring history to life in real-time. This inspiring performance celebrates the "Village Spirit" and demonstrates how a single act of benevolence can transform an entire community. 🍷🌟

Why bring this to your community?

- ✅ Honor Your Roots: A moving tribute to the seniors who shaped your town.
- ✅ Thank Your Helpers: A public "thank you" to the volunteers who keep things running.
- ✅ Empower Your Youth: A school-friendly experience focused on "living better together."

The Details:

This is a turnkey production. We bring the show, the sound, the lights, and the art—you just bring the neighbors.

Duration: 60 minutes

Audience: All ages, Intergenerational (Ages 5 to 102!)

📅 Booking for 2026–2028

🚧 Limited Capacity: Only 50 spots available.

Re: Application #2468604

Dear Laura Brandt:

Thank you for your application to the Experience Ontario 2026 program Established Events stream. I regret to inform you that your event has not been approved for funding.

The Experience Ontario 2026 program was very competitive and, unfortunately, not all applications can be supported. Each proposal was carefully reviewed and assessed against established program criteria. There is no appeal process for unsuccessful applicants.

However, staff from the ministry can provide feedback on how to improve future applications.

Please reach out to the Experience Ontario team at ExperienceOntario@ontario.ca to request feedback.

Sincerely,

A handwritten signature in blue ink that reads "Jill Vienneau". The signature is fluid and cursive.

Dear Laura,

Thank you for applying for an RBC Barrier Buster Grant, presented by the Rick Hansen Foundation (RHF). We appreciate your commitment to improving accessibility and the time and effort you invested in applying.

We were grateful to receive hundreds of compelling applications, showcasing the significant need and passion for breaking down barriers and improving accessibility across Canada.

After reviewing all applications against the evaluation criteria posted on our website, we regret to inform you that your application was not selected. This was a difficult decision, as the quality of applications received was very high.

We encourage your organization to consider applying to the [RBC Foundation Community Spaces Grant](#), which supports projects that contribute to more sustainable and inclusive community spaces and opens again for applications this coming Fall.

Thank you for the work you are doing to improve accessibility in your community, and for your commitment to creating a Canada that is accessible for people of all ages and abilities.

We would like to stay connected with you should future opportunities arise. Please keep in touch by [signing up to receive our e-newsletter](#), and reach out if there are other ways the Rick Hansen Foundation can support your accessibility work.

Warm regards,

The Rick Hansen Foundation team

National Youth Employment Program Funds Trail Repairs and Meaningful Jobs in Magnetawan

Share

As the summer of 2025 approached, the Trans Canada Trail in Magnetawan, Ontario, needed attention. Just as residents were getting outdoors, dead trees and overgrowing vegetation threatened to obstruct the popular route near the village's lock system.

Facing potential maintenance delays due to limited resources, the local municipality was at a crossroads. Luckily, they accelerated the work through Trans Canada Trail's [National Youth Employment Program \(YEP\)](#).

Designed to support jobs that contribute to the development of trails, the YEP provides funding to trail operators to employ youth aged 15 to 30 for trail maintenance projects. The initiative also aims to provide training to young people interested in pursuing rewarding and sustainable careers in the trail sector.

"Accessing YEP funding allowed the municipality to complete this important project while supporting meaningful employment opportunities for local youth," says Laura Brandt, Deputy Clerk, Recreation and Communications at the Municipality of Magnetawan.

Page 229 of 277

Become a Monthly Donor

[Give Today](#)

Going above and beyond with trail maintenance

Once granted the funding, Laura interviewed and hired two local young people who demonstrated enthusiasm, interest in the outdoors and openness to skill-building.

Initially, their tasks were focused on clearing the Trail of debris, raking leaves and cleaning up. However, they soon offered to replace two sets of stairs that were starting to rot.

"They took that project on themselves," recalls Laura, adding that both employees made a material list and completed the work before their contract ended.

The two young people also volunteered to assist with other municipal tasks throughout the summer, working above and beyond their 200 hours of work.

The project resulted in significant benefits for the local community, while providing the youth employees with valuable experience and sustainable trail maintenance skills.

As more people flocked to the Trail near the Magnetawan River, locals reached out to the municipality to express their appreciation.

"We had such great, receptive, positive reviews on Facebook, not only about how the Trail was cleaned up and the stairs, but how respectful and engaging the youth were when people went through the Trail and were speaking to them," says Laura. "It was really great."

Monthly donors provide steady support that keeps the Trans Canada Trail maintained and accessible in every season.

[Give Today](#)

Apply for the National Youth Employment Program

Trans Canada Trail invites all trail operators and municipalities to hire youth employees with a grant from the YEP.

Examples of tasks that can be funded by the YEP include:

- Trail stewardship
- Trail event planning
- Chainsaw training
- Budgeting
- Data processing

We strongly encourage all employers to support youth who face barriers to employment in trails, including Indigenous youth, new Canadians and youth living in remote areas.

For more information and to apply, visit the [YEP webpage](#).

The National Youth Employment Program is generously supported by Bass Pro Shop's Outdoor Fund, the Co-operators, Parks Canada, and Power Corporation of Canada.

About Trans Canada Trail

Stretching nearly 30,000 kilometres across every province and territory, the Trans Canada Trail is cared for locally by trail and community groups. As a charity, Trans Canada Trail advocates for and stewards this nationwide system. We support community-led trail projects through the [Trail Catalyst Fund](#) and we share reliable trail knowledge through the [Centre for Trail Excellence](#).

Trans Canada Trail

1h · 🌐

When summer 2025 approached, a well-used section of the **Trans Canada Trail** in Magnetawan, ON needed attention. Dead trees and overgrowth were starting to block the route near the village's lock system, just as people were heading back outside.

Through the National Youth Employment Program, the municipality hired two local young people to help with trail maintenance. They went on to replace aging staircases and even supported other municipal tasks beyond their 200 hours of work.

The result was immediate: a more usable Trail, positive community feedback and valuable hands-on experience in trail care.

THE CORPORATION OF THE MUNICIPALITY OF MAGNETAWAN

BY-LAW NO. 2026 -

Being a By-law to amend By-law No. 2001-26, as amended, the Zoning By-law for the Corporation of the Municipality of Magnetawan with respect to lands located at Con 9, Part Lot 15, municipally known as 112 Moonwing Road, Croft (Blyth 030 00220100).

WHEREAS the Council of the Corporation of the Municipality of Magnetawan is empowered to pass By-laws to regulate the use of land pursuant to Section 34 of the *Planning Act*, R.S.O. 1990;

AND WHEREAS the owner of the subject lands has filed an application with the Municipality of Magnetawan to amend By-law 2001-26, as amended;

AND WHEREAS the Council of the Corporation of the Municipality of Magnetawan deems it advisable to amend By-law No. 2001-26, as amended, to rezone a portion of the subject lands from the Shoreline Residential (RS) Zone and the Environmental Protection (EP) Zone, to the Shoreline Residential Exception Forty Three (RS-43) Zone and to add a new portion to the Environmental Protection (EP) Zone;

NOW THEREFORE the Council of the Corporation of the Municipality of Magnetawan enacts as follows:

1. That Schedule 'A-2', to Zoning By-law No. 2001-26 as amended, is further amended by zoning the subject lands legally described Concession 9, Lot 15, municipally known as 112 Moonwing Road, Croft Township, Municipality of Magnetawan, from the Shoreline Rural (RS) Zone and the Environmental Protection (EP) Zone, to the Shoreline Residential Exception Forty Three (RS-43) Zone and a new portion to the Environmental Protection (EP) Zone as shown on Schedule 'A' attached forming part of this By-law.
2. That Section 4.2.4 of Zoning By-law No. 200-26 as amended, is further amended by adding the following:

4.2.4.32 Shoreline Residential Exception Forty-Three (RS-43) Zone

Notwithstanding the provisions and permitted uses of this By-law to the contrary, within the Shoreline Residential Exception Forty-Three (RS-43) Zone, the following shall apply:

1. *The intended purpose of the easement is singularly for mainland parking and docking, and the 'easement' as shown on Schedule 'A' shall remain vacant;*
2. *One dock shall be permitted per identified lands known as "easement", severed lot one, severed lot two and retained lot as shown on Schedule 'A';*
3. *Docks shall have a maximum length of 15 metres;*
4. *Docks shall have a maximum width of 3 metres;*
5. *Docks shall be setback a minimum of 3 metres from an interior side lot line and the straight-line projection of the interior side lot line;*
6. *Docks shall be located a minimum of 10 metres from an Environmental Protection (EP) Zone on the shoreline;*
7. *Buildings and structures shall be located a minimum of 30 metres from an Environmental Protection (EP) Zone on the shoreline; and,*

8. *Septic systems shall be setback a minimum of 30 metres from a watercourse or waterbody.*

This By-law shall take effect on the date of its passage, subject to the provisions of Section 34 (30) and (31) of the *Planning Act* (Ontario).

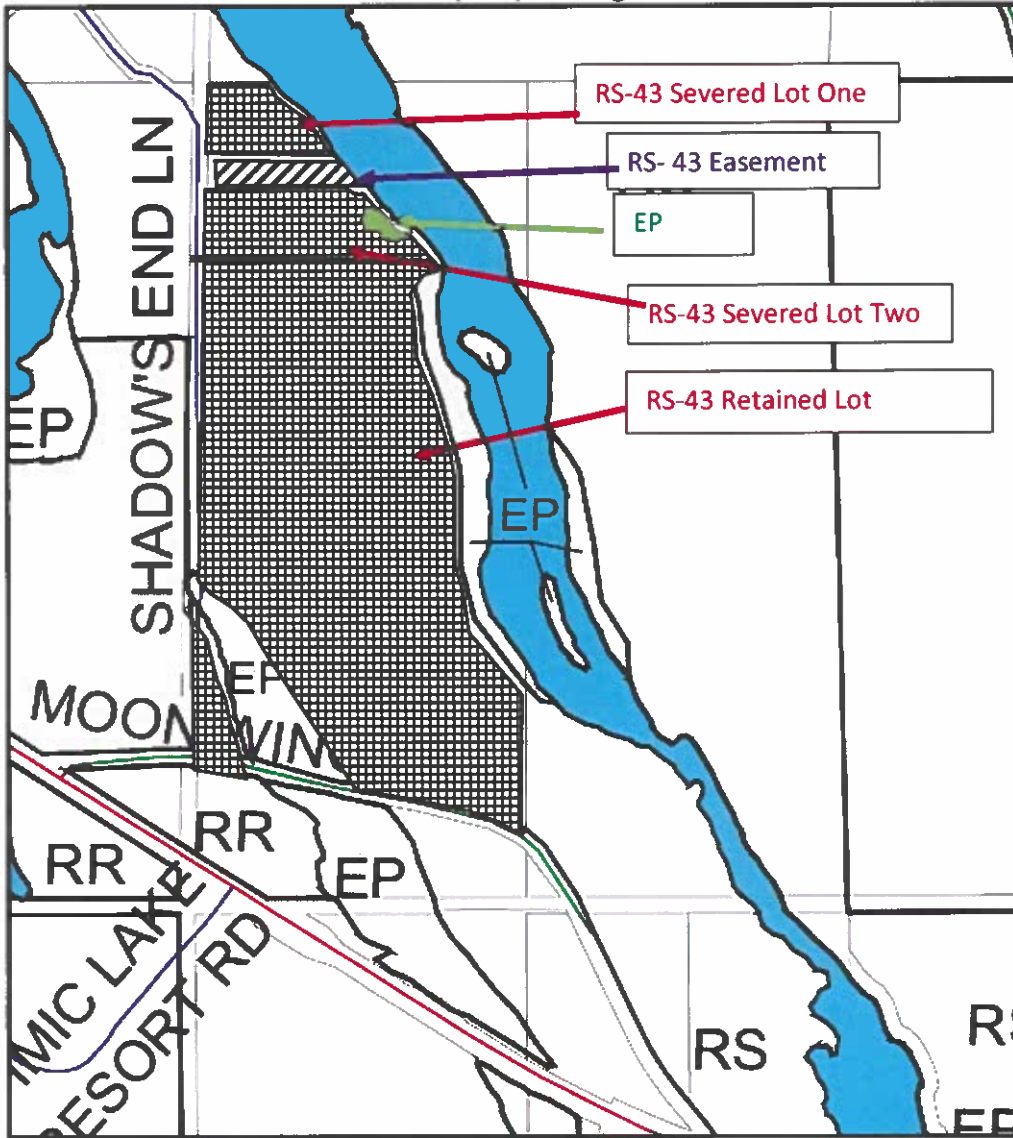

READ A FIRST, SECOND AND THRID TIME, passed, signed and the Seal of the Corporation affixed hereto, this 6th day of May, 2026.

**THE CORPORATION OF THE
MUNICIPALITY OF MAGNETAWAN**

Sam Dunnett, Mayor

Kerstin Vroom, CAO/Clerk

SCHEDULE 'A'
 Part Lot 15, Concession 9,
 Croft Township
 Municipality of Magnetawan

 Lands to be Rezoned from the Shoreline Residential (RS) Zone to the Shoreline Residential Exception Forty Three (RS-43) Zone

 Lands to be Rezoned from the Shoreline Residential (RS) Zone to the Environmental Protection Zone

This is Schedule 'A' to Zoning By-law 2026-
 Passed this 6th day of May 2026.

THE CORPORATION OF THE MUNICIPALITY OF MAGNETAWAN

BY-LAW NO. 2026-

Being a By-law to authorize borrowing for the Fire Hall

WHEREAS Section 407 of *the Municipal Act, 2001, S.O 2001, C.25*, as amended, provides that a municipality may at any time during a fiscal year authorize temporary borrowing, until the taxes are collected and other revenues are received, of the amounts that the municipality considers necessary to meet the expenses of the municipality for the current year and of the amounts, whether or not they are expenses for the year, that the municipality requires in the year.

AND WHEREAS Section 407 (2) of *the Municipal Act, 2001, S.O 2001, C.25*, as amended, limits the total amount that may be borrowed from all sources at any one time, except with the approval of the Ontario Municipal Board.

NOW THEREFORE the Council of the Corporation of the Municipality of Magnetawan hereby enacts as follows:

1. Borrowing By-law

The signing authorities of the Corporation of the Municipality of Magnetawan are hereby authorized to borrow from time to time of promissory note or bankers' acceptance during the year current year such amounts as may be necessary to meet, until the taxes are collected and until other revenues are received, the current expenditures of the Municipality and other amounts that are stated in Section 407 (1) of *the Municipal Act, 2001, S.O 2001, C.25*, as amended.

2. Instruments

A promissory note or bankers' acceptance made under Section 1 of this By-law shall be signed by the Treasurer and by the Head of Council or other such person authorized by By-law.

3. Lenders

The Lenders from whom amounts may be borrowed under the authority of this By-law shall be the Kawartha Financial Services, a division of Libro Credit Union Limited, and other such tender(s) and reserve funds of the Municipality as may be determined from time to time by Council resolution.

4. Limit on Borrowing

Except with approval of the Ontario Municipal Board, the total amount borrowed at any one time plus any outstanding amounts of principal borrowed and accrued interest shall not exceed:

- a) from January 1 to September 30 in the year, fifty per cent (50%) of the total estimated revenues of the Municipality as set out in the budget adopted for the year.
- b) from October 1 to December 31 in the year, twenty-five per cent (25%) of the total estimated revenues of the Municipality as set out in the budget adopted for the year.

Page 275 of 277

For the purposes of this By-law, the estimated revenues of the Municipality shall not include revenues derived from or derivable from:

- any borrowing, including any issue of debentures;
- a surplus, including arrears of taxes, fees, or charges; or
- a transfer from the capital fund, reserves, or reserve funds.

5. Borrowing Documents Required

At the time any amount is borrowed under this By-law, the Treasurer shall ensure that the Lender is or has been furnished with a certified copy of this By-law, a certified copy of the resolution mentioned in Section 3 determining the Lender, if applicable, and a certified copy of the estimates of the Municipality adopted for the current year and also showing the total of any amounts borrowed from any and all sources under authority of Section 407 of *the Municipal Act, 2001, S.O 2001, C.25*, as amended.

6. Pending Adoption of the Budget

Until the budget is adopted in the current year, the limits upon borrowing under Section 407 (2) of *the Municipal Act, 2001, S.O 2001, C.25*, as amended, shall be calculated temporarily using the estimated revenues of the Municipality, as adopted in the previous year's budget.

7. Directive to Treasurer

The Treasurer is authorized and directed to apply in payment of any or all amounts borrowed under this By-law together with interest, any or all of the funds collected or received, either on account or realized in respect of the taxes levied for the current year and preceding years, or from any other source that may be applied under prevailing legislation for such purpose.

8. Repeal of Previous By-Laws

That By-law 2026-05 is hereby repealed.

9. Effective Date

That this by-law shall take force and effect on 1st day of January 2026

READ A FIRST, SECOND, AND THIRD TIME, passed, signed and the Seal of the Corporation affixed hereto, this 6th day of May 2026.

THE CORPORATION OF THE MUNICIPALITY OF MAGNETAWAN

BY-LAW NO. 2026-

Being a By-law to confirm the proceedings of Council May 6, 2026

WHEREAS Section 5(3) of the *Municipal Act, 2001, S.O. 2001, c.25*, as amended, requires a municipal Council to exercise a municipal power, including a municipality's capacity, rights, powers and privileges under Section 9, by by-law unless the municipality is specifically authorized to do otherwise;

AND WHEREAS the Council of the Municipality of Magnetawan deems it desirable to confirm the proceedings of Council and to ratify decisions made at its meeting hereinafter set out;

NOW THEREFORE the Council of the Corporation of the Municipality of Magnetawan enacts as follows:

1. **Ratification and Confirmation**

THAT the action of the Council of the Municipality of Magnetawan at its meeting for the aforementioned date(s) with respect to each motion, resolution and other action passed and taken by this Council at its meetings, except where otherwise required, is hereby adopted, ratified, and confirmed as if such proceedings and actions were expressly adopted and confirmed by its separate By-law.

2. **Execution of all Documents**

THAT the Mayor of the Council of the Municipality of Magnetawan and the proper officers of the Municipality of Magnetawan are hereby authorized and directed to do all things necessary to give effect to the said action or to obtain approvals where required, except where otherwise provided, and the Mayor and Clerk are hereby authorized and directed to execute all necessary documents and to affix the Corporate Seal of the Municipality to such documents.

READ A FIRST, SECOND, AND THIRD TIME, passed, signed and the Seal of the Corporation affixed hereto, this 6th day of May 2026.
