OPENING BUSINESS

1.1 Call to Order

The meeting was called to order at 1:00 p.m.

1.2 Adoption of the Agenda

RESOLUTION 2025-114 Hetherington-Bishop

BE IT RESOLVED THAT the Council of the Municipality of Magnetawan adopts the agenda as presented.

Carried.

1.3 Disclosure of Pecuniary Interest

Mayor Sam Dunnett stated that should anyone have a disclosure of pecuniary interest that they could declare the nature thereof now or at any time during the meeting.

*Councillor Hetherington declared pecuniary interest for Agenda Item 2.9 DRAFT Motion Almaguin Community Hatchery Program Insurance.

1.4 Adoption of the Previous Minutes

RESOLUTION 2025-115 Kneller-Hetherington

BE IT RESOLVED THAT the Council of the Municipality of Magnetawan adopts the minutes of the Council meetings on April 16, 2025, and Planning Act Public Meeting on April 16, 2025, as copied and circulated.

Carried.

PLANNING ACT MEETING

Zoning By-law Amendment Application – Saunders – 2=34 Magnet Road

Consent Application – Stockdale – Con 5 Pt Lot 15

Consent Application – Marszewski – Con 3 and 4 Lots 26 and 27 (3363 Highway 520)

RESOLUTION 2025-116 Hetherington-Hind

BE IT RESOLVED THAT the Council of the Municipality of Magnetawan recesses the regular meeting to hold a public meeting pursuant to Section 53 and Section 34 of the Planning Act to consider a Consent Application for the creation of new lots and a Zoning By-law Amendment described as:

- *Saunders – Zoning By-law Amendment*
- *Stockdale – Consent Application*
- *Marszewski – Consent Application*

Carried.

RESOLUTION 2025-117 Kneller-Hetherington

WHEREAS the Council of the Municipality of Magnetawan receives the report from Erica Kellogg, Deputy Clerk – Planning and Development regarding Zoning By-law Amendment Application 2025-01, Saunders (4944 030 00302344 0000);

AND WHEREAS the Applicant seeks relief from Zoning By-law No. 2001-26 as amended, Section 3.1 i) ii) to permit an accessory structure to be located in the rear yard (Magnet Road) without meeting the required 10m setback;

AND WHEREAS the Applicant seeks relief from Zoning By-law No. 2001-26 as amended, Section 3.1 s) to permit an accessory structure with a total accessory structure lot coverage exceeding the maximum permitted coverage of 5%;

AND WHEREAS the Applicant seeks relief from Zoning By-law No. 2001-26 as amended, Section 4.2.2 vii) to permit an accessory structure with a total lot coverage exceeding the maximum permitted coverage of 15%;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Municipality of Magnetawan: Support the Zoning By-law Amendment subject to a building permit, permitting the establishment of an accessory structure with:

- a. a maximum 4m setback to the rear yard at the northwest corner of Magnet Road;*
- b. a maximum 8.8m setback from the rear yard at the northeast corner of Magnet Road;*
- c. a maximum lot coverage of 16.25%;*
- d. a maximum accessory lot coverage of 7.5%.*

Carried.

RESOLUTION 2025-118 Bishop-Hind

WHEREAS the Municipality of Magnetawan has received a request to support an application for consent to create 1 new lot located on 15th/16th Side Road, which is a year round municipally maintained road, Magnetawan (Stockdale 4944 030 00412001). The properties are legally described as Croft CON 5 PT LOT 15, hereinafter referred to as "the Lands";

AND WHEREAS the Municipal planning consultant has provided a report in support of the application with conditions;

NOW THEREFORE BE IT RESOLVED THAT the Committee of Adjustment for the Municipality of Magnetawan supports in principle the consent application for the "Lands", subject to the following conditions:

- That the foregoing conditions be fulfilled within two years of the notice of decision of the Committee of Adjustment;
- Draft Reference Plans to be approved by the Municipality prior to registration;
- Two (2) true certified paper copies of the registered plans and electronic versions for the proposed severed lots prepared by an Ontario Land Surveyor with a certification that it is a true copy be provided to the Municipality for review and approval which conforms substantially with the applications as submitted;
- Draft copy of the deeds (with all schedules) to be approved by the Municipality prior to registration;
- A copy of the original executed transfers (deeds) with all schedules be provided to the Municipality;
- Confirmation from the North Bay Mattawa Conservation Authority (NBMCA) that the proposed Severed and Retained Lot can be adequately serviced by individual on-site septic systems;
- Payment of all taxes, municipal legal fees, planning fees and fees as per the current Fees and Charges By-law, Park Land Dedication By-law and all other fees associated with the processing of these applications;
- That the Applicant receive confirmation from the Municipality of a suitable location for an entrance to the Severed and Retained lots from 15th/16th Side Road;
- That the Applicant apply for and be approved for a Zoning Amendment to rezone the proposed severed lot from Rural to Rural Residential to bring the proposed Severed Lot into compliance with the Zoning By-law.

Carried.

RESOLUTION 2025-119 Kneller-Hetherington

WHEREAS the Municipality of Magnetawan has received a request to support an application for consent to create 2 news lot located on 3363 Highway 520 which is a provincially maintained road, Magnetawan (Marszewski 4944 010 00138600). The properties are legally described as Chapman CON 3 and 4 LOT 26 and 27, hereinafter referred to as "the Lands";

AND WHEREAS the Municipal planning consultant has provided a report in support of the application with conditions;

NOW THEREFORE BE IT RESOLVED THAT the Committee of Adjustment for the Municipality of Magnetawan supports in principle the consent application for the "Lands", subject to the following conditions:

- That the foregoing conditions be fulfilled within two years of the notice of decision of the Committee of Adjustment;
 - Draft Reference Plans to be approved by the Municipality prior to registration;
 - Two (2) true certified paper copies of the registered plans and electronic versions for the proposed severed lots prepared by an Ontario Land Surveyor with a certification that it is a true copy be provided to the Municipality for review and approval which conforms substantially with the applications as submitted;
 - Draft copy of the deeds (with all schedules) to be approved by the Municipality prior to registration;
 - A copy of the original executed transfers (deeds) with all schedules be provided to the Municipality;
 - Confirmation from the North Bay Mattawa Conservation Authority (NBMCA) that the proposed Severed and Retained Lots can be adequately serviced by individual on-site septic systems;
 - Payment of all taxes, municipal legal fees, planning fees and fees as per the current Fees and Charges By-law, Park Land Dedication By-law and all other fees associated with the processing of these applications;
 - That the Applicant receive confirmation from the Municipality of a suitable location for an entrance to the Severed and Retained lot from Wurm Road or Lake Cecebe Road both of which are Municipally maintained roads;
 - That the Applicant apply for and be approved for a Zoning Amendment to rezone the proposed Severed Lot 2 to comply with the minimum lot size and minimum lot frontage of the Zoning By-law the existing lot deficiencies to being the proposed Severed Lot into compliance with the Zoning By-law.
- Carried.

PLANNING ACT PUBLIC MEETING
WEDNESDAY, MAY 14, 2025
1:00PM

The Planning Act Public Meeting of the Corporation of the Municipality of Magnetawan was held at the Magnetawan Community Centre with the following present:

Mayor Sam Dunnett
Deputy Mayor John Hetherington
Councillor Brad Kneller
Councillor Bill Bishop
Councillor Jon Hind

Staff: CAO/Clerk Kerstin Vroom, Deputy Clerk Erica Kellogg, Deputy Clerk Laura Brandt, Treasurer Stephanie Lewin and Public Works Superintendent Scott Edwards were present for the entire meeting.

The meeting was called to order at 1:10 p.m.

BE IT RESOLVED THAT the Council of the Municipality of Magnetawan recesses the regular meeting to hold a public meeting pursuant to Section 53 and Section 34 of the Planning Act to consider a Consent Application for the creation of new lots and a Zoning By-law Amendment described as:

- *Saunders – Zoning By-law Amendment*
- *Stockdale – Consent Application*
- *Marszewski – Consent Application*

Carried

Mayor Dunnett explained the purpose of the Public Meeting.

Deputy Clerk Erica Kellogg explained how Notice was given.

SAUNDERS

Zoning Application – Saunders, Croft, Plan M391 Lot 4, (34 Magnet Road)

Present: Applicant Ed Saunders

Public Comments were made to the application and presented as an “on desk” item.

Councillor Hind posed questions to sight lines for the property and commented to concerns regarding future use of the road including widening of the road known as Magnet Road. Mayor Dunnett informed Council he made a site visit with Superintendent Edwards prior to the application appearing before Council. Mayor Dunnett viewed the proposed structure and discussed the potential snow load and site lines. Mayor Dunnett commented there were no concerns from his perspective.

WHEREAS the Council of the Municipality of Magnetawan receives the report from Erica Kellogg, Deputy Clerk – Planning and Development regarding Zoning By-law Amendment Application 2025-01, Saunders (4944 030 00302344 0000);

AND WHEREAS the Applicant seeks relief from Zoning By-law No. 2001-26 as amended, Section 3.1 i) ii) to permit an accessory structure to be located in the rear yard (Magnet Road) without meeting the required 10m setback;

AND WHEREAS the Applicant seeks relief from Zoning By-law No. 2001-26 as amended, Section 3.1 c) to permit an accessory structure with a total accessory structure lot coverage exceeding the maximum permitted coverage of 5%;

AND WHEREAS the Applicant seeks relief from Zoning By-law No. 2001-26 as amended, Section 4.2.2 vii) to permit an accessory structure with a total lot coverage exceeding the maximum permitted coverage of 15%;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Municipality of Magnetawan:

Support the Zoning By-law Amendment subject to a building permit, permitting the establishment of an accessory structure with a maximum a 4m setback to the rear yard at the northwest corner of Magnet Road.

Motion Carried.

STOCKDALE

Consent Application – Stockdale, Croft, Con 5 Pt Lot 15 (no civic address)

Present: Applicant Tom Stockdale

No Public Comments were made to this application.

The Applicant informed Council the purpose of the application is for estate planning purposes, to provide land for each owner.

Councillor Bishop sought clarification on the required rezoning of the severed lands. Deputy Clerk – Kellogg indicated the rezoning is due to the insufficient size of the severed lands that will be zoned from Rural to Rural Residential.

WHEREAS the Municipality of Magnetawan has received a request to support an application for consent to create 1 new lot located on 15th/16th Side Road, which is a year round municipally maintained road, Magnetawan (Stockdale 4944 030 00412001). The properties are legally described as Croft CON 5 PT LOT 15, hereinafter referred to as “the Lands”;

AND WHEREAS the Municipal planning consultant has provided a report in support of the application with conditions;

NOW THEREFORE BE IT RESOLVED THAT the Committee of Adjustment for the Municipality of Magnetawan supports in principle the consent application for the “Lands”, subject to the following conditions:

- That the foregoing conditions be fulfilled within two years of the notice of decision of the Committee of Adjustment;
- Draft Reference Plans to be approved by the Municipality prior to registration;
- Two (2) true certified paper copies of the registered plans and electronic versions for the proposed severed lots prepared by an Ontario Land Surveyor with a certification that it is a true copy be provided to the Municipality for review and approval which conforms substantially with the applications as submitted;
- Draft copy of the deeds (with all schedules) to be approved by the Municipality prior to registration;

- A copy of the original executed transfers (deeds) with all schedules be provided to the Municipality;
- Confirmation from the North Bay Mattawa Conservation Authority (NBMCA) that the proposed Severed and Retained Lot can be adequately serviced by individual on-site septic systems;
- Payment of all taxes, municipal legal fees, planning fees and fees as per the current Fees and Charges By-law, Park Land Dedication By-law and all other fees associated with the processing of these applications;
- That the Applicant receive confirmation from the Municipality of a suitable location for an entrance to the Severed and Retained lots from 15th/16th Side Road;
- That the Applicant apply for and be approved for a Zoning Amendment to rezone the proposed severed lot from Rural to Rural Residential to bring the proposed Severed Lot into compliance with the Zoning By-law.

Motion Carried.

MARSZEWSKI

Consent Application – Marszewski, Chapman Con 3 and 4, Lots 26 and 27, (3363 Highway 520)

Present: Agent Ted Williams

No Public Comments were made to this application.

Members of Council had no concerns or comments to the application.

WHEREAS the Municipality of Magnetawan has received a request to support an application for consent to create 2 news lot located on 3363 Highway 520 which is a provincially maintained road, Magnetawan (Marszewski 4944 010 00138600). The properties are legally described as Chapman CON 3 and 4 LOT 26 and 27, hereinafter referred to as “the Lands”;

AND WHEREAS the Municipal planning consultant has provided a report in support of the application with conditions;

NOW THEREFORE BE IT RESOLVED THAT the Committee of Adjustment for the Municipality of Magnetawan supports in principle the consent application for the “Lands”, subject to the following conditions:

- That the foregoing conditions be fulfilled within two years of the notice of decision of the Committee of Adjustment;
- Draft Reference Plans to be approved by the Municipality prior to registration;
- Two (2) true certified paper copies of the registered plans and electronic versions for the proposed severed lots prepared by an Ontario Land Surveyor with a certification that it is a true copy be provided to the Municipality for review and approval which conforms substantially with the applications as submitted;
- Draft copy of the deeds (with all schedules) to be approved by the Municipality prior to registration;
- A copy of the original executed transfers (deeds) with all schedules be provided to the Municipality;
- Confirmation from the North Bay Mattawa Conservation Authority (NBMCA) that the proposed Severed and Retained Lots can be adequately serviced by individual on-site septic systems;
- Payment of all taxes, municipal legal fees, planning fees and fees as per the current Fees and Charges By-law, Park Land Dedication By-law and all other fees associated with the processing of these applications;
- That the Applicant receive confirmation from the Municipality of a suitable location for an entrance to the Severed and Retained lot from Wurm Road or Lake Cecebe Road both of which are Municipally maintained roads;

- That the Applicant apply for and be approved for a Zoning Amendment to rezone the proposed Severed Lot 2 to comply with the minimum lot size and minimum lot frontage of the Zoning By-law the existing lot deficiencies to being the proposed Severed Lot into compliance with the Zoning By-law.

Motion Carried.

(hereinafter called the "MUNICIPALITY")
OF THE SECOND PART

WHEREAS the lands that are the subject to this Agreement are the lands described in Schedule "A" attached hereto and as specifically shown on the plan identified in Schedule "B" and which lands are referred to herein as "said land";

AND WHEREAS the OWNER has obtained a provisional consent from the Committee of Adjustment for the Municipality of Magnetawan on September 25th, 2024, File B02/24, MAGNETAWAN;

AND WHEREAS one of the conditions of the approval of this consent is that the Owner enter into a Consent Agreement for the severed and retained lands to ensure the mitigation measures and recommendations contained in the Planning Justification Report prepared by Morgan Planning & Development Inc. dated June 14th 2024, be implemented through Consent Approval with the Municipality of Magnetawan;

NOW THEREFORE THIS AGREEMENT WITNESSED that, in consideration of the premises and for other good and valuable consideration (the receipt of which is hereby acknowledged), the parties hereto covenant and agree with one another as follows:

1. SCOPE OF AGREEMENT

1.1 DESCRIPTION OF LANDS

The land affected by this Agreement are the lands described in Schedule "A" attached hereto, and as specifically shown on Schedule "B" attached hereto and referred to herein as "said lands".

1.2 CONFORMITY OF AGREEMENT

The OWNER covenants and agrees that all new work performed on the subject lands shall be in conformity with:

- a) The provisions of this Agreement;
- b) Severance Sketch Schedule 'B';
- c) All applicable Municipal By-laws and all applicable Provincial and Federal legislation.

2. REGISTRATION OF THE AGREEMENT

- 2.1 The OWNER agrees that all documents required herein shall be submitted in a form suitable to the MUNICIPALITY and suitable for registration.
- 2.2 The Agreement shall be registered on title to the subject lands as provided for by Section 53(12) and 51(26) of the Planning Act R.S.O. 1990, by the Municipality, at the expense of the OWNER.
- 2.3 The OWNER agrees to reimburse the MUNICIPALITY for all administrative and professional costs incurred in preparing, executing and registering this Agreement.
- 2.4 The OWNER agrees not to make any application or request to deregister this Agreement without the authorization in writing from the MUNICIPALITY.
- 2.5 All offers of Purchase and Sale shall contain a clause advising the potential purchaser of this Agreement.

3. ISSUANCE OF BUILDING PERMITS

- 3.1 The OWNER agrees to not request the Chief Building Official to issue a building permit to carry out the development until the Agreement has been registered on title to the subject lands and a registered copy of same has been provided to the MUNICIPALITY.
- 3.2 It is agreed that if the OWNER fails to apply for a building permit or permits to implement this Agreement within two (2) years after registration, then the MUNICIPALITY, at its option, has the right to terminate the Agreement and require that a new Consent Agreement be submitted for approval and execution.

4. DEVELOPMENT PROVISIONS

- 4.1 The OWNER agrees to develop the subject lands in accordance with this Agreement and as depicted in the approved plan referenced in Schedule "B" attached hereto, and agree that no work will be performed on the subject lands except in conformity with all provisions of this Agreement.
- 4.2 The OWNER agrees that external lighting facilities on the subject lands and buildings will be designed and constructed so as to avoid the illumination of adjacent properties and

agrees to only use a level of illumination that is consistent with the natural beauty of the surrounding properties. All lighting shall be dark sky compliant lighting.

- 4.3 The OWNER further agrees to provide and maintain appropriate construction mitigation measures during any construction activity to ensure that there are no adverse environmental impacts on the natural heritage features, including the lake.
- 4.5 The OWNER further agrees to provide for the grading of change in elevation or contour of the land and the disposal of storm, surface and wastewater from the land and from any buildings or structures thereon as shown on Schedule "B" and will ensure that the natural drainage is not altered in any way that will cause damage to any adjacent lands, public highway or waterbody. The installation of storm water management works and the final grading of the subject lands, including any and all necessary ditching, culverts and construction mitigation measures will be provided by the OWNER.
- 4.6 The OWNER further agrees that the Consent Agreement, Schedule "B", shows the locations a suitable building envelope. Except for minor deviations necessitated by conditions, topography, and deviations for structural orientation, no building envelope will be located on the subject lands except in accordance with Schedule "B".
- 4.7 The OWNER agrees to ensure that the natural drainage is not altered in any way that will cause damage to the vegetative buffers, any adjacent lands, or any river, stream, waterbody or to any public road.

5. **OTHER REQUIREMENTS**

- 5.1 The OWNER agrees that nothing in this Agreement shall relieve him or her from complying with all other applicable agreements, by-laws, laws or regulations of the MUNICIPALITY or any other laws, regulations or policies established by any other level of government. Nothing in this Agreement shall prohibit the MUNICIPALITY or its Chief Building Official from instituting or pursuing prosecutions in respect of any violations of the said by-laws, laws or regulations.

6. **BINDING PARTIES, ALTERATION, AMENDMENT, EFFECT, PENALTY**

- 6.1 This Agreement may only be amended or varied by a written document executed by the parties hereto and registered against the title to the subject lands.
- 6.2 Following the completion of the works, the OWNER shall maintain to the satisfaction of the MUNICIPALITY, and at his or her sole expense, all the facilities or works described on Schedule "B".
- 6.3 This Agreement shall ensure to the benefit of and be binding upon the respective successors and assigns of each of the parties hereto.
- 6.4 The Agreement shall come into effect on the date of execution by the MUNICIPALITY.

6.5 Nothing in this Agreement shall relieve the OWNER from complying with all other applicable by-laws, laws or regulations of the MUNICIPALITY or any other laws, regulations or policies established by any other level of government. Nothing in this Agreement shall prohibit the MUNICIPALITY from instituting or pursuing prosecutions in respect of any violations of the said by-laws, laws or regulations.

6.6 The definitions of Municipality of Magnetawan Zoning By-law 2001-26, as amended, shall be used to define any terms used in this Agreement.

7. **CONDITIONS PRIOR TO EXECUTION OF AGREEMENT BY THE MUNICIPALITY**

7.1 Prior to the execution of this Agreement by the MUNICIPALITY, the OWNER shall:

- a) Taxes — have paid all municipal tax bills issued and outstanding on the said lands;
- b) Postponements to this Agreement — have delivered to the MUNICIPALITY all postponements of any prior encumbrances so that this Agreement will be first priority against the said lands;
- c) Land Ownership — be the registered owner in fee simple of the lands described in Schedule 'A'.

8. **NOTICE**

8.1 Any notice, required to be given pursuant to the terms hereto, shall be in writing and mailed or delivered to the other at the following addresses:

OWNER'S NAME AND ADDRESS:

Daniel and Susan Jolic

1 Executive Summary

The Municipality of Magnetawan has retained Greer Galloway to provide engineering consultation services for the work on the Replacement of bridge #17, on Miller road in the municipality of Magnetawan. This preliminary design report outlines the existing conditions, key considerations, and recommended approach for replacing the structure. The project aims to enhance roadway safety, improve hydraulic performance, and ensure long-term durability while adhering to regulatory and environmental requirements.

The assessment of the existing bridges has identified structural deterioration necessitating a full replacement. Greer Galloway has conducted a detailed evaluation of structural integrity, geotechnical conditions, and hydraulic capacity to develop an effective design solution. The preliminary design considers various factors, including regulatory approvals and environmental impacts, ensuring that the selected replacement approach meets all functional and compliance requirements.

The proposed replacement design prioritizes sustainability, cost efficiency, and resilience. Careful consideration has been given to material selection and construction methodologies to optimize long-term performance and ease of maintenance. The preliminary cost estimates and procurement strategy have been developed to align with project timelines and budget constraints, ensuring a streamlined transition to the detailed design phase.

As the retained consultant, Greer Galloway has prepared a comprehensive review of the design options and alternatives for the structure's rehabilitation which has been presented in this report.

Following a chosen option, the next steps include securing final regulatory approvals, advancing the detailed design, and preparing procurement documents. Greer Galloway will continue to work closely with the Municipality of Magnetawan and other key stakeholders to ensure the successful implementation of the project.

The key findings during our initial review were as follows:

- Existing bridge is in poor condition and requires replacement or extensive repairs.
- Remaining life expectancy of repaired structure compared to cost appears less cost-effective than replacement of structure.
- Two-lane expansion would provide opportunities for future growth and increase the utility of the crossing.

Based on the pre-existing conditions and geotechnical findings, a few different options were considered and explored. These options were: replace the existing bridge with a new, two-lane bridge, replace the existing bridge with a new, one-lane bridge, complete extensive repair /rehabilitation program on the existing bridge.

A review of each option has been presented in this report.

2 Introduction

2.1 Project Background

The Miller Road Bridge (Bridge 17), located at 911 Address #643 near Magnetawan, Ontario, is a single-lane concrete structure built in 1930. Serving as a key crossing point, it spans approximately 12 metres with a 4.11-metre-wide deck. Geotechnical investigations revealed soft, moisture-sensitive soils and a high water table, with bedrock located at approximately 7.3 For any new construction, it is recommended that a micropile foundation or other deep foundation system be used. Preserving existing drainage features and ensuring subgrade integrity during construction are critical. Given these subsurface complexities, the project demands precise engineering solutions to ensure long-term stability and environmental protection.

Routine bi-annual inspections have identified structural deficiencies in multiple elements of the bridge, necessitating rehabilitation or replacement. Based on the findings in the 2024 OSIM Inspection report prepared by Greer Galloway, the bridge has deteriorated to the point where we feel that replacement is the most viable solution. Additional recommendations, based on the geotechnical investigation, are to lengthen the bridge to support it on new micropile foundation while being able to leave the existing abutment walls in place, which will in turn maintain the existing hydraulic profile.

2.2 Objectives of the Assessment

- Ensure adequate hydraulic capacity.
- Maintain or improve navigation and environmental conditions.
- Assess floodplain and erosion impacts.
- Review existing subsoil conditions.
- Evaluate alternative bridge replacement options.

3 Existing Conditions

3.1 Site Description

The project site is a concrete bridge structure located at 911 Address #643 on Miller Road, near Magnetawan, Ontario (coordinates: 45.722503, -79.607744). The bridge currently consists of a single-lane drivable concrete deck with a width of 4.11 metres and an estimated thickness of

130 mm. The deck spans approximately 12 metres in length. It is anticipated that this site will be upgraded with a newly constructed or widened bridge structure.

Figure 1: Location of Magnetawan Bridge #17 – Miller Road

3.2 Geotechnical and Environmental Considerations

A geotechnical investigation was completed by Terraspec in March of 2025. Boreholes were placed at either end of the bridge. The geotechnical investigations revealed soft, moisture-sensitive soils and a high water table, with bedrock located at approximately 7.3 metres below the deck. These conditions present challenges for conventional foundations due to dewatering complexity and soil instability. It is anticipated that any attempt at conventional footings and excavation would be challenging due to collapse of saturated soils and dewater needs. A micropile foundation system drilled into bedrock is recommended to improve structural reliability while minimizing dewatering needs. The site's subsoils are unsuitable for structural fill but may be reused as general subgrade material.

As all options involve retaining the existing abutments in place, there is no need for in-water works during demolition or construction of the new bridge. Debris platforms shall be used to access the bridge span during construction to prevent debris from entering the watercourse. Silt

fence and turbidity curtain shall be installed as required to protect the watercourse during construction.

The full geotechnical report is included in Appendix A.

3.3 Regulatory and Permitting Considerations

- DFO Approvals

3.4 Hydrological and Hydraulic Considerations

The proposed alternatives all involve maintaining the existing abutment walls without modifying the channel width or shape. As such, there will be no change to the hydraulic performance of the channel and a detailed hydraulic analysis is not required.

4 Alternative Culvert Replacement Options

As part of the design process, a range of alternative culvert replacement options have been evaluated to determine the most suitable solution for the site. These alternatives will include like-for-like replacement, installation of a larger culvert to increase hydraulic capacity, use of coated twin culverts, and structural alternatives such as a precast box culvert or open-bottom arch. Each option will be assessed in detail with respect to hydraulic performance, constructability, environmental impact, and cost-effectiveness, ensuring the final recommendation supports both functional requirements and long-term value for the Township.

4.1 Option 1: Replace with 2-lane concrete bridge on pre-cast girders

- Description: Replace the existing bridge with a new, 2-lane wide (8.5m), concrete deck on girder construction, extending 5m beyond the existing abutments on each side, supported by micropiles.
- Hydraulic Performance: Maintains existing flow conditions.
- Constructability: Full closure of the roadway required. Could be staged to allow for single lane traffic after completion of stage 1.
- Cost Estimate: \$1.6 Million
- Life Span – 75 years

4.2 Option 2: Replace with a single lane concrete bridge on pre-cast girders.

- Description: Replace the existing bridge with a new, 1-lane wide (6m), concrete deck on girder construction, extending 5m beyond the existing abutments on each side, supported by micropiles.
- Hydraulic Performance: Maintains existing flow conditions.
- Constructability: Full closure of the roadway required until project completion.
- Cost Estimate: \$1.3 Million
- Life Span – 75 years

4.3 Option 3: Rehabilitation of the structure in-place.

- Description: Complete a comprehensive rehabilitation program to fully repair the existing structure. This will include, at minimum, partial and full depth removals and patching of concrete. Replacement of existing bearings, railings, approaches.
- Hydraulic Performance: Maintains existing flow conditions.
- Constructability: Full closure of the roadway required until project completion.
- Class D Cost Estimate: \$900,000
- Life Span – 15-20 years

5 Preferred Alternative and Justification

Greer Galloway's recommended choice is Option 1: Replace with a 2-lane concrete bridge on (steel/concrete) girders. Though more expensive than the other two options, this option provides the most value for the money considering life expectancy, possibility for staged construction, and the utility of a two-lane bridge providing capacity for projected future growth.

- Selection of the most feasible option based on:
 - Cost-effectiveness
 - Life expectancy
 - Utility
 - Future growth opportunity
 - Environmental impact
 - Cost-effectiveness
 - Regulatory compliance

6 Construction and Implementation Considerations

6.1 Proposed Construction Methodology

- Construction staging and traffic management – Will recommend a full road closure for a couple of weeks.
- Existing bridge will need to be fully demolished prior to start of construction activities.
- Possibility of staged construction, if there is interest from the town or pushback from public for full closure of entire duration of construction, allowing for a single lane to be opened prior to full bridge opening.
- Piling to be completed at each side, prior to forming and pouring abutments.
- Girders to be pre-fabricated offsite and flown onto abutments prior to form and pour of bridge deck and guards.

6.2 Erosion and Sediment Control Measures

- Best management practices (BMPs) for minimizing environmental impact. – Turbidity curtain, silt fencing (may have to explore turtle sweeps as part of the process prior to construction to ensure no nesting occurs).

6.3 Maintenance and Longevity Considerations

- Expected lifespan of two-lane bridge is 75 years.
- Long-term monitoring and maintenance requirements.

7 Conclusions and Recommendations

Greer Galloway's structural team has reviewed the

 <p>Municipality of Magnetawan</p>	<p>REPORT TO COUNCIL</p>
To:	Mayor and Council
From:	Deputy Clerk Laura Brandt
Date of Meeting:	June 4, 2025
Report Title:	Outcome of 1 st Annual Magnetawan Leekfest

Recommendation: That Council receives and approves this report as presented and directs Staff to organize the 2nd Annual Magnetawan Leekfest and to include the amount of \$10,000 in the 2026 budget line 1-4-2600-2015 (Events).

Background: Council passed motion 2024-374 receiving and approving the report 1st Annual Magnetawan Leekfest from Deputy Clerk Laura Brandt as presented and directed Staff to organize the new event and to include the amount of \$10,000 in the 2025 budget line 1-4-2600-2015 (Events).

Evaluation: There were seven entries in the Soup Contest which is amazing for our first event. The Municipality worked with the North Bay Parry Sound District Health Unit to ensure that all food regulations and guidelines were followed, and Staff moved forward with the contest in similar likeness as the judging of food entries in Fall Fairs. The Health Unit does not allow the consumption of soups that are not made in a commercial kitchen as well as a person making the soup must have their Food Handlers Certificate. Entries were dropped off on Friday evening and judging was conducted by members of Council and one volunteer. Contest winners were announced by MPP Graydon Smith and Mayor Sam Dunnett.

The Patsy Cline Tribute Band and the Lance Dobinson Elvis Tribute musical acts entertained guests with live music for all ages and they were very well received by attendees. Staff have also booked the Christian Hutt Trio (Patsy) for the upcoming 2025 Music in the Park Series and Lance Dobinson has entertained residents at our 2024 Music in the Park.

Local food trucks, the Banger and the Mini Donut Truck, supplied an abundance of great food as well as carnival treats like cotton candy, snow cones and popcorn were available near the bouncy castles. The outdoor bar area was run by Legends and it was well received by residents who could sit in an outdoor patio atmosphere while listening to our musical artists. Crowd Barriers were purchased for the outdoor bar area and these barriers will be able to be utilized for future events. 300 bowls of free leek soup were given out to attendees, and they had a choice of four types of leek soup! Councillor Kneller suggested that a donation jar be put at the serving window so that attendees could donate monies to our local Community Pantry. This initiative raised \$316.80.

Kids of all ages young and old enjoyed the multiple bouncy castles as well as the airbrush face painting and balloon twister! Over 100 kids got twisted balloons as well as 100 kids received face

painting! Kids as well could find Laura and answer a skill testing question – What another name for a leek was? It was great fun listening to the variety of answers and many young ones practiced the night before with parents! 60 coupons were redeemed at the Carnival Games for free prizes.

We had 27 booths plus our Magnetawan Fire Department attend the event. Feedback from vendors has been positive as they felt it was well attended and planned. One vendor who could not attend donated an Engraved Bear Chair with the Leekfest Mascot which will be kept in our lobby.

We had two presenters who spoke about backyard gardening and traditional life skills that were well received by audiences. Both presenters received positive feedback from audience members, and both felt that the event was well run.

One photobooth station was set up in the hallway to encourage attendees to take photos with the hashtags: #magnetawan and #magswhereitsat as well as a municipal information table was set up.

A “Swag” booth was set up in our Community Centre Coat Room which was run and organized by our students and was very busy throughout the day selling hats, t-shirts, sweaters, stickers, magnets and bags! The Municipality had all the merchandise made locally by Silverscreen Printing who donated some of the merchandise (blue hats & magnets). Merchandise is only sold at the event with the intention of growing the attendance of the event. The merchandise was well received and some attendees were sending items to family members as far as France! Leftover inventory will be accounted for as an asset in our financials by the Treasury Department and will be able to be sold next year. The total Swag sales were \$3,500. Staff have also submitted a copyright application to Innovation, Science and Economic Development Canada to ensure that our logo is protected from third party use without permission.

Advertising for the event was provided through Municipal social media platforms, electronic mailing list, digital signs as well as posters outside the Municipal Office and Community Boards. Paid Facebook Ads were also distributed on Facebook and lawn signs were purchased from Signcraft to distribute throughout the Municipality to promote the event. The lawn signs are reusable as we are able to change the date on the signs. As well radio ads were broadcast on the local Parry Sound Moose FM and advertisements were included in the Great North Arrow. Additionally, Explorers Edge and the Great Canadian Wilderness shared messaging regarding the event and the representatives from Great Canadian Wilderness attended the event. Staff estimate that there were 500-700 attendees at the event.

The event was organized in-house with one Department Head, two Parks Staff, six Students and two volunteers helping the day of for set up and tear down.

Financial:

Item	Amount
Kidzone (Bouncy Castles, Facepainter, Balloon Twister)	\$5,000.00
Prizes Carnival	\$135.60
Free Soup Give Away	\$1,000.00
Bands	\$2,500.00
Mascot Contest	\$300.00
Advertising (Facebook Ads, Great North Arrow and Radio)	\$1,282.88
Decorations & Supplies (Bowls, Napkins, Spoons) \$233.22	\$233.22
Liquor License	\$150.00
Copyright Application	\$63.00
Soup Contest Prizes	\$250.00
Crowd Barriers	\$2,422.00
Porta Potty Rental	\$420.00
Total Costs	\$13,756.70
Possible NOHFC Grant Funding	\$3,000.00
2025 Budget	\$10,000.00
Overage	\$756.70

Council had approved a budget of \$10,000. Staff submitted an application to the NOHFC Community Events Grant Funding Stream. The application was successful in making it to the second stage but due to the Provincial Election the process had halted. Staff reached out to the NOHFC and even though the event has been held, the Municipality is still eligible to be successful in the Stage Two process and could receive a potential grant of \$3,000. The cost to run the event was \$13,756.70 not including merchandise.

Conclusion: Staff received many positive comments about the success of this new event from attendees, presenters and vendors! Staff recommends that due to the success of this event that it become an annual event and \$10,000 be budgeted for 2026 with the date being moved to the second Saturday in May 2026.

Respectfully Submitted

Laura Brandt

Deputy Clerk Recreation and Communications

REPORT TO COUNCIL

To:	Mayor and Council
From:	Deputy Clerk Laura Brandt
Date of Meeting:	June 4, 2025
Report Title:	2025 Donation Chainsaw Carvings

Recommendation: That Council receives and approves this report regarding the 2025 Donation Chainsaw Carvings as presented and directs Staff put a public call/contest out to Community Organizations to submit a proposal to assist Council in their decision making process as to who will receive the chainsaw carvings as a donation to help fundraise for their community initiatives.

Background:

In 2023 the Municipality was gifted four chainsaw carvings carved during our 2023 Family Day Event from Jake Rhodes, Northern Artistry in Woods. These carvings were donated to Habitat for Humanity for their first build and \$5,000 (500 tickets at \$10/ticket) was raised through this initiative. In 2024 Jake gifted three chainsaw carvings that were carved during our 2024 Family Day Event and Council passed Motion 2024-177 approving the recommendation to put a public call out for community organizations to submit their proposal to Council for a fundraising campaign utilizing the carvings. Carried.

Council donated the carvings to the Magnetawan Public Library, Magnetawan Horticultural Society and the United Church.

Once again Jake attended our 2025 Family Day Event and he was able to carve three pieces during the event that he has once again donated to the Municipality.

Evaluation:

There are many community groups and initiatives that would benefit from the proceeds of the carving and it may be hard for Council to pick one group or initiative above the other as all these groups and their initiatives contribute equally to the fabric of our community making it a great community to live, work and play in.

Some examples of are:

Magnetawan Library

Magnetawan Horticultural Society

Magnetawan Lions' Club

Magnetawan Agricultural Society

Magnetawan Friendship Club

Magnetawan Public Central School Breakfast Club

Almaguin Fish Hatchery

Almaguin Pride

Magnetawan Firefighter Association

Wheels to Meals

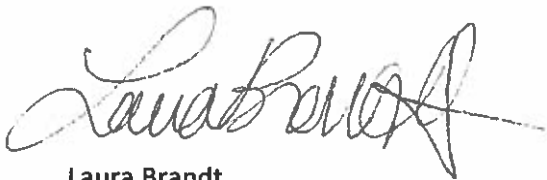

Magnetawan Community Pantry

To help assist Council in their decision making a public call/contest could once again be put out to Community Organizations to submit a proposal of how they would use the carvings to fundraise and what they would do with the proceeds. The call out would include criteria that they would have to be an organization that does great work in the Municipality of Magnetawan, how they would maximize utilizing the carvings for fundraising and what the monies raised would be used for and how their project would contribute to our community. This could be a fun way to promote community organizations and encourage new initiatives which would benefit our residents.

Financial Implications: The cost of Jake's appearance fee for the Family Day Event was included in the 2025 Budget.

Staff Recommendations: Staff recommends putting a public call/contest out to Community Organizations to submit a proposal to assist Council in their decision making process as to who will receive the chainsaw carvings as a donation to help them fundraise for their community initiatives.

Respectfully Submitted,

Laura Brandt

May 23, 2025

To: Mayor, Sam Dunnett and Members of Council, Municipality of Magnetawan, ON
CC: Steve Robinson, Parks and Maintenance Manager, Municipality of Magnetawan, ON

Dear Mayor Dunnett and Members of Council,

I write on behalf of the Cecebe Waterways Association to express our thanks for the use of Centennial Park, Magnetawan to host our annual Regatta. As well, **I write to request permission from the Council to reserve Centennial Park to hold our 44th annual Regatta on Sunday August 3, 2025 for the period of 9:30 a.m. to 4:00 p.m.**

Our Regatta includes land, swimming, and canoe races. We hire a lifeguard for the day and have a fully qualified first aid volunteer on duty as well. This year we would likely set up around 9:30 am and disperse by 4:00 pm. If allowed we will obtain a public health permit and use the covered picnic area to serve hot-dogs and soft drinks between 11 and 2. We would supply all our own equipment, including a barbecue and coolers. We will do a full clean up after our event, including ensuring that all garbage is appropriately stored for removal. Our events are open to all who sign a waiver and while we are a large gathering there is still room for others who wish to enjoy the park along with us. Our 2024 Regatta engaged over 200 participants and volunteers. We will rent two portable toilets again in 2025.

While the purpose of our Association is not to raise funds to donate to charity, CWA has regularly donated to the local foodbank, the Magnetawan Library, the Magnetawan Lions Club, and the local Boy Scouts.

Our more than 250 members are pleased to support local businesses in Magnetawan and to be part of this vibrant community. We are grateful that Magnetawan has such a spacious park and that we have had access to it for many years to host this important yearly gathering of our members and guests.

Yours truly,

(1) c* and will be used to create a record available to the general public.

Parry Sound Provincial Offences Act

Court Manager's Report Q1 2025

Staffing

We are pleased to announce Carolyn Laurier's successful completion of her 6-month probationary period. Serving as POA Court Clerk for the Town, Carolyn has quickly become an invaluable asset to our team. She has already positively contributed to court efficiencies and organization and has shown great tact with our Judiciary and external partners.

James Anderson Retirement

James Anderson's last day as POA Part 1 prosecutor is May 31, 2025. Mr. Anderson has served as the POA Prosecutor for the District for 25 years.

I wish to express my sincere gratitude for the professionalism and dedication he has exhibited during his tenure. His unwavering commitment to excellence and integrity has set a high standard and served as an inspiration to all around him.

His contributions to POA Court Services have been immensely valued. He has consistently demonstrated a meticulous approach to his work, ensuring the efficient and fair handling of cases which has greatly bolstered the credibility and efficiency of our operations. His proactive nature and willingness to go above and beyond have been instrumental in driving improvements and fostering a collaborative working environment.

The commitment he has shown not only to his responsibilities but to the overreaching goals of our services has not gone unnoticed. His efforts have significantly impacted our community, ensuring that justice is served, and public trust in our systems is maintained. The relationships that he cultivated with colleagues are a testament to his collaborative spirit and leadership.

The district has been fortunate to benefit from his insights and dedication and his presence within our team will certainly be greatly missed.

POA Part 1 Prosecutions

Beginning June 2, 2025, Michelle Scott will be the POA Part 1 prosecutor. Mrs. Scott has acted as Mr. Anderson's backup in recent years, assisting with overflow cases and serving as his substitute in court when necessary. Mrs. Scott has extensive experience collaborating with our staff, the judiciary, West Parry Sound OPP and various other enforcement agencies within our district. The handover of files from Mr. Anderson to Mrs. Scott is almost complete and will surely be a seamless transition.

Canada Post Strike

POA may face a similar postal strike situation as it faced November 15, 2024, which created some significant short-term backlogs. It is expected that to mitigate potential prejudices in POA proceedings caused by disruptions in postal services, the Ontario Court of Justice will issue an order similar to that ordered in 2024, to extend specific time limits under the Act. Key measures may include extensions for mailing Notices of Intention to Appear, handling defaulted convictions, and adjusting fine payment deadlines. POA Parry Sound suspects that these timelines will be prolonged by 30 days following the conclusion of the strike.

Such an order would impact several operational processes such as the Fail to Respond dockets/convictions, driver's licence suspensions, and collections activities.

Consequently, routine daily and month-end reports would be deferred until 30 days after the strike ends.

POA Collections

The Municipal Court Manager's Association (MCMA) includes multiple specialized committees, among which is the Collections Committee. In recent years, the Collections Committee established the POA Collections Innovation Working Group (Working Group). This group consists of representatives from various municipalities across the

province, aiming to ensure comprehensive representation of municipal interests. The group's objective is to collaborate directly with the Ministry of the Attorney General (MAG) to advocate for advancements in the municipalities' capabilities to collect fines related to provincial offences. The Working Group has recently begun collaborating with organizations such as the Association of Municipalities of Ontario (AMO) and the Association of Municipal Managers, Clerks and Treasurers of Ontario (AMCTO) to garner additional support in lobbying MAG.

The Working Group, in collaboration with the MCMA Board of Directors (Board), developed a project charter outlining key priorities for POA collections. This charter was presented to MAG to identify shared priorities, focusing on those within MAG's jurisdiction that primarily involve legislative amendments, thereby circumventing technological changes which typically result in significant delays. In recent months, the Board and Working Group have achieved an unprecedented level of engagement with MAG, representing a considerable advancement.

These advancements are embodied in a mutually agreed-upon list of top priorities for POA collections, which MAG has adopted as legislative reform initiatives. These reforms are designed to enhance municipalities' capabilities to collect outstanding and aged fines, as well as to establish policies for increased enforcement.

#ACCELERATE ACTION

Jen Grant is an award nominated stand up comedian as well as a dynamic key note speaker. Originally from Ottawa, Jen was honoured to be profiled in Ottawa Life Magazine as one of the top 25 People in the Capital.

A story telling, observational style of comedian, Jen Grant is both unique and relatable. She writes about life and she will have you laughing until you're crying. In her uplifting talk, Jen will tackle a variety of topics, including honouring oneself. It will not only increase confidence but also demonstrate how regular people can affect positive change on a global and personal scale.

As a keynote speaker Jen is engaging, inspiring, entertaining and informative. The audience will leave with not only a message and tools to help inspire change in their lives but also with sore cheeks from laughing so hard.

Number of children with a preferred start date within 1 month, 2-6 months, 6 months to a year, or more than a year.

**Ontario Works Intake - Social Assistance Digital Application (SADA) & Local Office
Ontario Works Applications Received**

ODSP Participants in Ontario Works Employment Assistance

The OW Caseload is up slightly to **640** cases. We are providing **38** ODSP participants Person-Centred Supports. We also have **58** Temporary Care Assistance cases. **46** applications were received through the province's Ontario Works Intake Unit (OWIU).

Employment Services Transformation & Performance Outcomes

On March 1st, 2025, as part of the province's Employment Services Transformation, we officially entered Integrated Employment Services model (IES) along with our Northeast DSSAB partners with our new Service System Manager College Boreal. This means that employment assistance for Social Assistance recipients now moves under the Employment Ontario umbrella. We are responsible for providing Person Centered Supports to SA Recipients in 4 key areas;

- Crisis & Safety-homelessness, personal safety
- Health-medical, mental health counselling, addiction treatment
- Life Skills-Literacy and Basic Skills such as budgeting, time management
- Community Supports-Housing, transportation and legal support

With this change, we have new Performance Outcomes that will be reported on monthly going forward.

MEDIA RELEASE

FONOM Applauds "Tariff and Northern" Focus of 2025 Ontario Budget

Temiskaming Shores, ON – The Federation of Northern Ontario Municipalities (FONOM) is encouraged by the Province's 2025 Budget, tabled today by Ontario's Minister of Finance, the Honourable Peter Bethlenfalvy. FONOM believes this year's Budget reflects a "Tariff and Northern" approach, offering a strong foundation for future growth and investment in Ontario's North.

FONOM is particularly pleased to see an increase in the funding envelope for the Connecting Link Program and the creation of a new special fund to support major infrastructure projects along connecting links of regional and national significance. Additionally, introducing a dedicated Pothole Fund for smaller northern and rural communities is a welcome and practical investment in road safety and reliability.

The Province's recommitment to completing the twinning of Highway 69, with ongoing land acquisitions, is another critical step in improving Northern transportation. While no construction dates were announced for the long-anticipated 2+1 highway initiative, first proposed in November 2022, FONOM is encouraged that the Province no longer refers to the need for a pilot project, suggesting progress in implementation.

Further positive developments in the Budget include funding for GO Transit refurbishments that will directly benefit Thunder Bay and the Nipissing District, and targeted financial support for Northern Colleges in the 2025-2026 fiscal year. FONOM also welcomes the Province's continued investment in skilled trades, particularly supporting the Mining, Forestry, and Industrial sectors vital to the northern economy.

Notably, expanding the Provincial definition of "Northern Ontario" to include the District of Muskoka marks a significant shift. FONOM welcomes this change and looks forward to working collaboratively with Muskoka on shared priorities that benefit the broader northern region. The continued growth of the Northern Ontario Heritage Fund Corporation (NOHFC) is another

1-2

positive signal of the government's commitment to long-term regional development.

"Today's Budget sends the right signals to communities across the North," said FONOM President Danny Whalen, "we're seeing tangible investments in infrastructure, transportation, education, and economic development. While there's still work to be done—particularly on the 2+1 highway—this Budget makes us optimistic."

FONOM looks forward to continued collaboration with the Province as these commitments are implemented.

FONOM is an association of some 110 districts/municipalities/cities/towns in Northeastern Ontario mandated to work for the betterment of municipal government in Northern Ontario and strive for improved legislation respecting local government in the North. It is a membership-based association that draws its members from northeastern Ontario and is governed by an 11-member board.

RESOLUTION NO. 2025-01

Increase in Provincial share for Mandated Public Health Programs

WHEREAS, the Office of the Chief Medical Officer of Health and the Ministry of Health are undertaking a review of the funding approach for local public health agencies; and

WHEREAS, many northern Medical Officers of Health and Health Units have supported resolutions asking to be included or consulted during the review; and

WHEREAS, seven of the Northern Medical Officers of Health signed a letter to Minister Sylvia Jones, titled **Perspectives from Northern Ontario for the Public Health Funding Review**, which shared some perspectives unique to the North regarding the current Public Health Funding review; and

WHEREAS, Municipalities have been long-standing financial partners in public health; and

THEREFORE BE IT RESOLVED that the membership of the Federation of Northern Ontario Municipalities ask the Minister of Health that FONOM have an equal role in discussions concerning the funding review of the Public Health Mandated Programs; and

FURTHER BE IT RESOLVED, that a copy of this resolution be sent to the Deputy Premier and Minister of Health Sylvia Jones, the membership of FONOM, AMO, and the seven Northern Medical Officers of Health that signed the letter, **Perspectives from Northern Ontario for the Public Health Funding Review**

RESOLUTION NO. 2025-02

Policing costs for all communities

WHEREAS, Northern Ontario municipalities face insurmountable challenges to fund both upfront investments and ongoing maintenance of their capital assets, including roads, bridges, water/ wastewater and municipally owned buildings, including recreational facilities, libraries and other tangible capital assets

WHEREAS, Northern Ontario municipalities' operating needs consume the majority of property tax revenue sources

WHEREAS, Northern Ontario municipalities are facing monumental infrastructure deficits that cannot be adequately addressed through property tax revenue alone

WHEREAS, in 2015, the provincial government moved to standardized billing for all non-contract O.P.P. (5.1) locations

WHEREAS, the annual cost of the Ontario Provincial Police, Municipal Policing Bureau for small rural non-contract (5.1) municipalities is approximately \$428 million

WHEREAS, before a one-time Provincial support transfer, Municipalities across Northern Ontario in 2024 received notices from the OPP with an average annual increase of 17.8%, representing 7.7% of the municipal tax levy

WHEREAS the estimated annual cost of the Ontario Provincial Police, Municipal Policing Bureau for Municipalities in the Northeast is \$43 million

WHEREAS, the police levy in 2025 to the four large cities in Northeastern Ontario is \$174 million after grants

THEREFORE BE IT RESOLVED THAT the Federation of Northern Ontario Municipalities calls on the Ontario Government to commit to phasing in a \$100 million Policing Grant over the next three years for the 157 northern communities. After the third year, the fund will increase by the minimum of the annual Consumer Price. Each community should receive a base amount of \$60,000, with the remaining funds allocated based on population. (Note: If the sum of the base amount and the population-based allocation exceeds the amounts received in 2024 notifications from the OPP, plus the annual Consumer Price Index (CPI), the funding for that community will be capped to avoid surplus situations.)

FURTHER BE IT RESOLVED THAT this resolution be forwarded to Premier Doug Ford, the Minister of Solicitor General Michael Kerzner, the Minister of Finance Peter Bethlenfalvy, the Membership of FONOM and NOMA and the Association of Municipalities of Ontario

Carried

Examples on the next page

Below is an example of the impact the funding would have on three of the 157 communities in Northern Ontario. The base year uses the 2025 OPP Billing Invoice or approved Budget. I estimated the CPI to be 3% in years two and three, compounded annually. The Cap amount in the example is a raw estimate, as many of those that did not respond to my OPP survey were smaller communities.

Year one - \$34 million

$$157 * \$60,000 = \$9,420,000$$

$$\$34,000,000 - \$9,420,000 = \$24,580,000$$

$$\$24,580,000 / 900,000 \text{ people} = \$27.31 \text{ per person}$$

Community of 1513 (cap \$284,949.50)

$$\$60,000 + (1513 * \$27.31) = \$101,320.03$$

Community of 8,057 people (cap \$2,561,265.98)

$$\$60,000 + (8,057 * \$27.31) = \$280,036.67$$

Community of 41,145 people (cap \$21,027,721.92)

$$\$60,000 + (41,145 * \$27.31) = \$1,183,669.95$$

Year two - \$67 Million

$$157 * \$60,000 = \$9,420,000$$

$$\$67,000,000 - \$9,420,000 + \$2,000,000 \text{ (estimated cap surplus)} = \$59,580,000 +$$

$$\$59,580,000 / 900,000 \text{ people} = \$66.20 \text{ per person}$$

Community of 1513 (cap \$293,497.98)

$$\$60,000 + (1513 * \$66.20) = \$160,160.60$$

Community of 8,057 people (cap \$2,638,103.95)

$$\$60,000 + (8,057 * \$66.20) = \$593,373.40$$

Community of 41,145 people (cap \$21,658,553.57)

$$\$60,000 + (41,145 * \$66.20) = \$2,783,799$$

Year three - \$100 Million

$$157 * \$60,000 = \$9,420,000$$

$$\$100,000,000 - \$9,420,000 + \$3,000,000 \text{ (estimated cap surplus)} = \$93,580,000$$

$$\$93,580,000 / 900,000 \text{ people} = \$103.97 \text{ per person}$$

Community of 1513 (cap \$302,302.91)

$$\$60,000 + (1513 * \$103.97) = \$217,306.61$$

Community of 8,057 people (cap \$2,717,247.06)

$$\$60,000 + (8,057 * \$103.97) = \$897,686.29$$

Community of 41,145 people (cap \$22,500,310.77)

$$\$60,000 + (41,145 * \$103.97) = \$4,287,846.65$$

RESOLUTION NO. 2025-03

Provincial/Municipal Fiscal Review

WHEREAS, current provincial-municipal fiscal arrangements are undermining Ontario's economic prosperity and quality of life

WHEREAS, nearly a third of municipal spending in Ontario is for services in areas of provincial responsibility, and expenditures are outpacing provincial contributions by nearly \$4 billion a year

WHEREAS municipal revenues, such as property taxes, do not grow with the economy or inflation

WHEREAS unprecedented population and housing growth will require significant investments in municipal infrastructure

WHEREAS municipalities are being asked to take on complex health and social challenges – like homelessness, supporting asylum seekers and addressing the mental health and addictions crises

WHEREAS, inflation, rising interest rates, and provincial policy decisions are sharply constraining municipal fiscal capacity

WHEREAS property taxpayers – including people on fixed incomes and small businesses – can't afford to subsidize income re-distribution programs for those most in need

WHEREAS the province can, and should, invest more in the prosperity of communities

WHEREAS municipalities and the provincial government have a strong history of collaboration

THEREFORE BE IT RESOLVED that the Federation of Northern Ontario Municipalities requests the Province of Ontario commit to undertaking with the Association of Municipalities of Ontario and the Federation of Northern Ontario Municipalities a comprehensive social and economic prosperity review to promote the stability and sustainability of municipal finances across Ontario

FURTHER BE IT RESOLVED that a copy of this motion be sent to Premier Ford, the Honourable Rob Flack, the Minister of Municipal Affairs and Housing, the Honourable Peter Bethlenfalvy, the Minister of Finance, the membership of FONOM, and to the Association of Municipalities of Ontario.

Carried.

RESOLUTION NO. 2025-04

Expand Extended Producer Responsibility to the ICI Sector

WHEREAS under Ontario Regulation 391/21: Blue Box, producers are fully accountable and financially responsible for their products and packaging once they reach their end of life and are disposed of, for 'eligible' sources only

WHEREAS producers are not responsible for collecting products and packaging sold to the industrial, commercial, and institutional sectors, which include the provincial government and our member municipalities

WHEREAS the products and packaging mentioned in the previous paragraph either end up in landfills or are recycled by the industrial, commercial, and institutional sectors, often at a cost

WHEREAS the landfill capacity in Ontario is nearing a critical point, and the process to site or create a landfill is both lengthy and costly

WHEREAS under the current Extended Producer Responsibility Regulation, a can of soda consumed at home and placed in the Blue Box is considered an "eligible" source, meaning producers are responsible for its recycling. However, if the same soda can is consumed by the same individual at Queen's Park, it is deemed "ineligible." In this case, the government is responsible for managing the collection, transportation, and processing of the recycling, as well as covering all associated costs

THEREFORE BE IT RESOLVED THAT the Federation of Northern Ontario Municipalities hereby request that the province amend Ontario Regulation 391/21: Blue Box so that producers are responsible for the end-of-life management of recycling products from all sources, including Industrial, Commercial, and Institutional (ICI) properties

AND FURTHER BE IT RESOLVED THAT this resolution be forwarded to the Honourable Todd J. McCarthy, Minister of the Environment, Conservation and Parks, the membership of FONOM and AMO.

Carried.

SECONDED BY: Marc Dupuis

RESOLUTION NO. 2025-05

An addition to the Ministry of Transportation

WHEREAS the topography and climate of Ontario, North and West of the Canadian Shield, is uniquely different from that of the balance of the Province

WHEREAS due to that topography, it is more costly to construct or maintain 100 km of Highway in Northern Ontario than the balance of the Province

WHEREAS the highway network in Northern Ontario is vital to connecting our citizens to health care, employment, groceries, and recreation

WHEREAS Highway 11, Highway 17, and Highway 69 are our 400 systems, and the municipal share of Connecting Link has become prohibitive for all communities

WHEREAS the Province of Ontario has made and continues to make a significant investment in the Ontario Northland and bring back the Northlander

WHEREAS every senior politician in Ontario and the balance of Canada noted the Raw Earth Elements deposits in the Ring of Fire. FONOM wants to note that the transportation of the Raw Earth Elements will travel through Northern Ontario

WHEREAS the Nuclear Waste Management Organization has selected the community of Ignace for the location of Canada's deep geological repository for spent nuclear fuel. Therefore, the fuel will be transported through Northern Ontario.

WHEREAS on November 10, 2022, the Province announced, 'Ontario Moving Ahead with First-Ever 2+1 Highway in North America'; on July 14, 2023, the Ministry of Transportation announced, 'Ontario Starting Work on 2+1 Highway', and during the recent campaign, Premier Ford announced his government would 'extend the 2+1 highway another 220 kilometres from Temiskaming Shores to Cochrane'

WHEREAS of May 2025, the Minister has not announced a start date for construction of the initial 2+1 Highway

WHEREAS the annual Ontario Road Safety Annual Report Selected Statistics does not provide a breakdown by region

WHEREAS the 2023 Ontario Road Safety Annual Report Selected Statistics reported that there were 1,504 large truck accidents in Ontario with 107 fatalities

WHEREAS large truck accidents occur daily in Northern Ontario, often resulting in death

WHEREAS accidents in Northern Ontario are the cause of many lengthy closures or detours using municipal infrastructure not designed for highway traffic

WHEREAS many FONOM members have commented that there is a lack of response to their concerns or inquiries from the Ministry and/or regional staff, which is concerning to the Board

THEREFORE IT WAS RESOLVED that the Federation of Northern Ontario Municipalities should ask the Premier to either appoint a Deputy Minister of Transportation for Northern Ontario or create an Associate Minister responsible for Northern Ontario Transportation. FONOM believes Northern Ontario will be the economic engine that drives Ontario and Canada for the next 100 years and that the Province needs a dedicated team focused on improving today's network while planning for and acting on future requirements

AND FURTHER BE IT RESOLVED this resolution be sent to Premier Ford, the Minister of Transportation, the Hon. Prabmeet Singh Sarkaria, the Membership of FONOM, NOMA, ROMA, and the Association of Municipalities of Ontario

Carried.

MEMO

To:	Erica Kellogg, Deputy Clerk - Planning & Development Municipality of Magnetawan
From:	Jamie Robinson, BES, MCIP, RPP and Patrick Townes, BA, BEd
Date:	May 21, 2025
Subject:	Proposed Bill 17 – Protect Ontario by Building Faster and Smarter Act, 2025

PURPOSE

To provide a high-level overview of legislative and regulatory changes proposed in *Bill 17: Protect Ontario by Building Faster and Smarter Act, 2025* that was released for comments on May 12, 2025.

BILL 17: PROTECT ONTARIO BY BUILDING FASTER AND SMARTER ACT, 2025

The vision of the proposed legislation includes an emphasis on removing unnecessary barriers to make it easier and faster to build new homes and infrastructure. The initiatives include increased certainty throughout the development approval process, including streamlined processes to further reduce barriers and costs associated with development.

The Ministry of Municipal Affairs and Housing released *Bill 17* and are seeking feedback on the proposed legislation and policy changes. Written comments regarding proposed changes can be submitted on the Environmental Registry of Ontario - **ERO #025-0450**. The deadline for written comments is June 11, 2025.

There are also proposed regulations prepared for some of the legislative and policy changes. Comments are due by June 26, 2025 for the following items:

Written comments regarding the proposed regulations for Complete Application requirements can be submitted on the Environmental Registry of Ontario - **ERO #029-0462**.

Written comments regarding the variation to minor variance regulations can be submitted on the Environmental Registry of Ontario - **ERO #025-0463**.

Upon review of this memo, if you are considering submitting comments on the ERO postings, we would be happy to provide you with policy guidance for your submission.

The following is a brief overview of the proposed legislative and policy changes contained within *Bill 17*. The proposed changes have not been finalized and are subject to change through the process.

1. DEVELOPMENT CHARGES

Based on feedback that the Province received from the municipal and building sectors, changes to simplify and standardize development charges are proposed. The Province is going to work with municipalities to reduce fees that can add to the cost of a new home.

If enacted, the payment of development charges may be deferred from the time of a building permit to the time of an occupancy permit. Existing rental housing and institutional developments that have deferred their development charges would be exempt from interest payments. In cases where an occupancy permit is not required, securities could be required at the time of building issuance. The type of security that could be required will be prescribed by regulation at a later date.

Currently the development charges are frozen as of the date that a Zoning By-law Amendment or Site Plan Control application is submitted, however the new regulation would introduce the ability for the rate to be lowered if rates change through the process. Long-term care homes will be exempt from paying development charges and a reduction in development charges by a municipality will no longer require a background study or consultation.

The proposed changes will permit the Minister to make regulations (which have not yet been released) in relation to the following:

- Expand the requirement that municipalities must spend or allocate 60% at the beginning of each year to all services covered by the *Development Charges Act*;
- Define local services to standardize what infrastructure is captured under development charges versus local services;
- Prescribing limits and exceptions to eligible capital costs, including land costs;
- Merging related service categories for the purpose of development charges credits, expanding the ability of developers to receive credits for the construction of infrastructure; and,
- Following consultation, prescribing a methodology to calculate the benefit to existing development of new infrastructure. Also known as "BTE", the amount that existing development benefits from new infrastructure reduces the amount that can be charged to new development in a Development Charges By-law.

2. PLANNING ACT

The purpose of updating the municipal development process is to streamline and standardize municipal requirements that effect housing development, while increasing accountability and innovation.

The proposed changes include regulations for what constitutes a complete application and if a report submitted in support of an application is prepared by a qualified professional (not yet

specified) it will be deemed to meet the requirements of a complete application. The proposed regulations regarding a complete application currently would exclude the ability to request the following items:

- Sun/Shadow: information and material related to the impact of shadows cast by a proposed development on the subject land and on surrounding lands including streets.
- Wind: information and material related to the potential impacts of a proposed development on wind conditions in surrounding areas.
- Urban Design: information and material concerning the urban design of a proposed development, including how a proposed development aligns with municipal urban design guidelines or policies.
- Lighting: information and material related to lighting and lighting levels on the site, including the location and type of lighting fixtures proposed on the exterior of the building and on the site.

Municipalities would require written approval from the Minister before adopting an Official Plan Amendment to change the requirements of a complete application.

Requirements for a Minister's Zoning Order (MZO) would be amended if *Bill 17* is enacted, which will give the Minister the authority to impose conditions that must be met before a use permitted by a MZO comes into effect. The Minister's conditions could involve actions for municipalities and/or proponents, which will improve accountability and ensure that projects are meeting provincial interests.

Changes to permitted as of right permissions is proposed to be expanded to permit schools on urban lands that are zoned for residential uses. Further, flexibility is proposed to required setbacks in Zoning By-laws for example. There is a proposed regulation that would allow specific variations to the Zoning By-law with as-of-right permissions. For example, the current regulation would allow for a variation of 10% or less in a Zoning By-law. In this case, if a required setback on a property was 5 metres, a setback of 4.5 metres would be acceptable and would comply.

3. BUILDING STANDARDS

If *Bill 17* is enacted, it will have the effect of updating the *Building Code Act* to prevent municipalities from passing by-laws in regard to the construction or demolition of buildings. This would ensure that the same standards would apply across the Province. This will standardize construction requirements, which could result in faster approvals and reduce costs by developers not having to re-design their products to each municipality's specification. A municipality would not be able to request information that goes above and beyond the requirements of the Ontario Building Code.

4. INFRASTRUCTURE DEVELOPMENT

Ontario is reviewing the Ministry of Transportation's (MTO's) corridor management permitting process and standards to ensure that the current practices are aligned with government

policies. The Province is evaluating the feasibility of standardizing road building standards throughout Ontario.

The MTO is to review their current Corridor Management process and standards to ensure that they are aligned with the government priorities and supporting policies. The Ministry will provide options and recommendations on highway corridor setback standards, building and land use permits, encroachment permits, and access management permits with a proposed implementation plan by the end of July 2025.

Municipalities and stakeholders will be consulted by MTO by the Fall of 2025 to discuss a framework for greater harmonization and clarified governance of municipal standards. This will increase construction efficiencies and streamline procurement processes through more efficient design and technical review.

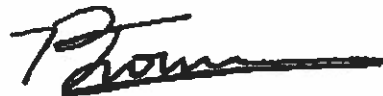

The Ministry of Municipal Affairs and Housing issued a technical briefing on the proposed legislative changes. For additional information on the proposed changes, the technical briefing can be found at the following link: [Protect Ontario by Building Faster and Smarter Act, 2025](#)

Please do not hesitate to contact our office if you have any questions regarding the proposed legislative changes, or need assistance in preparing responses to the ERO postings.

Attn: Laura Brandt

Dear Laura,

Please accept our sincerest gratitude for the donation to the pantry.

We also want to thank the council and staff for continuing to support our desire to have the pantry indoors in the winter to avoid items freezing.

What started out as a project of St Paul's Lutheran and Trinity United in our churches shared ministry has blossomed into a true Community Pantry.

Thank you again for your ongoing support
Nancy on behalf of the Pantry Committee

Timber Wolf

Ray's Notebook – Wolves

Timber Wolves, like this one, were once the most widely distributed mammals on earth. Human persecution and loss of habitat have restricted wolf populations to the more remote and wild lands of the earth. The wolves were photographed in Canada and Alaska. In an effort to reduce disturbances to the wolves, I no longer specify locations.

Visit <http://www.raydoan.com/6212.asp> to see this and other Wolves on the web.

Parks students
Roads students

Project Number: # 020277711

Constituency: Parry Sound-Muskoka

Subject: Result of the Assessment of Your Canada Summer Jobs Application

Service Canada would like to thank you for your application to the Canada Summer Jobs (CSJ) program.

After assessing your application, we regret to inform you that we are unable to offer you funding at this time.

Please note that due to a high volume of applications and limited funding, not all projects could be funded. However, if funds become available, we will contact you to proceed with next steps. If you do not want to be considered for funding if funds become available, please let us know at the email address below.

All projects approved for this program year will be posted on the [Government of Canada website](#).

We appreciate your interest in the CSJ program and encourage you to apply next year. For information on future funding opportunities, please visit the Employment and Social Development Canada [funding page](#).

If you have any questions, please contact us at the email address below.

Sincerely,

Fayyaz, Ushbah
Service Canada

Subject: Funding Decision - CPRA Green Jobs - ON-GJ505
Importance: High

1 parks student
35 hrs/week
from June 27th to
August 31st

Dear Laura,

Thank you for submitting your application to the Canadian Parks and Recreation Association (CPRA) Green Jobs Initiative. This program is funded by the Government of Canada through Parks Canada, as part of their commitment to the Youth Employment and Skills Strategy (YESS) program.

On behalf of CPRA, I regret to inform you that **Municipality of Magnetawan** was not successful in securing funding this year. We received many outstanding applications and, unfortunately, due to a drastic reduction in funding from previous years, we were unable to fund all eligible organizations.

We are seeking funding for future years of this very successful program. Should we acquire that funding, we recommend you strengthen your application to ensure a better chance for success. In most cases, applications that were not funded would benefit from a better description of how the job will be green in nature or greater detail about how they will outreach to ensure they hire a youth facing barriers to employment.

Should you have any questions, please do not hesitate to contact your Regional Project Manager, Krystyna Lazar, whom I have cc'd on this email.

Sincerely,

Colleen Decker
Senior Program Manager
Green Jobs Initiative

ICYMI In Case You Missed It! Council Highlights May 14, 2025

To read the complete minutes, agenda packages and by-laws please visit our website at www.magnetawan.com

Council passed resolution 2025-131 donating \$500 to the Almaguin Pride Network in 2025 and will join communities across Canada to celebrate Pride Month in June!. To find out more about the Almaguin Pride Network and their events visit their website at www.almaguinpride.com!

Council passed Resolution 2025-132 receiving correspondence from the Almaguin Highlands Secondary School. Council also approved a donation in the amount of \$500 for the Graduation Awards Program!
CONGRATULATIONS TO ALL OUR GRADUATES!

Council passed resolution 2025-133 receiving correspondence from the Women's Own Resource Centre. Council also approved their funding request in the amount of \$1000. For more information on the important work that the Women's Own Resource Centre does for our community visit their Facebook page <https://www.facebook.com/womensownresource/>

Council passed 2025-27 Cemetery By-law to include niche interments in our new Columbarium! For more information about the new Columbarium email cemetery@magnetwan.com

GREAT NEWS! Staff applied for grant funding and were successful in their application to the Summer Employment Opportunities Program and the Trans Canada Trail Grant Funding. The approved project for funding will offset the cost of Student wages working at the Museum and Trail Clean Up!

That you should check the Fire Rating before you burn. Currently the Municipality does not have a permit system, but you are required to burn according to the By-law!

SAVE THE DATE

The next open public meeting of Council including the Super Senior presentation is June 4, 2025, at 1:00 pm at the Magnetawan Community

THE CORPORATION OF THE MUNICIPALITY OF MAGNETAWAN

BY-LAW 2025-

BEING A BY-LAW TO PROVIDE FOR THE EXECUTION OF A CONSENT AGREEMENT, AS A CONDITION OF AN APPROVED CONSENT, WITH THE OWNERS OF THE LANDS: 5993B HIGHWAY 124. (JOLIC), CON 8 PT LOT 18 FORMERLY IN THE GEOGRAPHIC TOWNSHIP OF CROFT, NOW IN THE MUNICIPALITY OF MAGNETAWAN, ROLL: (4944030005043000)

WHEREAS, an application for a Consent was approved by the Council with the condition of a consent agreement being entered into and registered on title, pursuant to Section 45 (9.1) of the Planning Act, R.S.O. 1990, regarding the aforementioned lands;

AND WHEREAS, Council is granted the power pursuant to Section 53(12) and 51(26) of the Planning Act, R.S.O. 1990, to enter into an agreement to be registered against the land to which the consent applies;

AND WHEREAS, Council is entitled to enforce the provisions of such an agreement against the owner of the land, pursuant to Section 51(26) of the Planning Act, R.S.O. 1990;

AND WHEREAS, Council is satisfied that the proposed development of the lands is appropriate and in conformity with the Municipality's requirements;

NOW THEREFORE BE IT RESOLVED the Council of the Corporation of the Municipality of Magnetawan hereby enacts as follows:

1. That the Municipality of Magnetawan enter into a consent agreement substantially in the form attached hereto as "the Agreement."
2. That the Mayor and the Clerk are hereby authorized to execute the Agreement and all documents in connection with the Agreement.
3. The Municipality's solicitor is hereby authorized to register the Agreement against the title of the lands to which it applies.

READ A FIRST, SECOND, AND THIRD TIME, passed, signed and the Seal of the Corporation affixed hereto, this 4th day of June, 2025.

MUNICIPALITY OF MAGNETAWAN**

Mayor

CAO/Clerk

THE CORPORATION OF THE MUNICIPALITY OF MAGNETAWAN

BY-LAW NO. 2025-

Being a By-law to confirm the proceedings of Council June 4, 2025

WHEREAS Section 5(3) of the *Municipal Act, 2001, S.O. 2001, c.25*, as amended, requires a municipal Council to exercise a municipal power, including a municipality's capacity, rights, powers and privileges under Section 9, by by-law unless the municipality is specifically authorized to do otherwise;

AND WHEREAS the Council of the Municipality of Magnetawan deems it desirable to confirm the proceedings of Council and to ratify decisions made at its meeting hereinafter set out;

NOW THEREFORE the Council of the Corporation of the Municipality of Magnetawan enacts as follows:

1. Ratification and Confirmation

THAT the action of the Council of the Municipality of Magnetawan at its meeting for the aforementioned date(s) with respect to each motion, resolution and other action passed and taken by this Council at its meetings, except where otherwise required, is hereby adopted, ratified, and confirmed as if such proceedings and actions were expressly adopted and confirmed by its separate By-law.

2. Execution of all Documents

THAT the Mayor of the Council of the Municipality of Magnetawan and the proper officers of the Municipality of Magnetawan are hereby authorized and directed to do all things necessary to give effect to the said action or to obtain approvals where required, except where otherwise provided, and the Mayor and Clerk are hereby authorized and directed to execute all necessary documents and to affix the Corporate Seal of the Municipality to such documents.

READ A FIRST, SECOND, AND THIRD TIME, passed, signed and the Seal of the Corporation affixed hereto, this 4th day of June 2025.

**THE CORPORATION OF THE
MUNICIPALITY OF MAGNETAWAN**

Mayor
