To: Mayor Sam Dunnett,

Members of Council of the Municipality of Magnetawan

From: The Neighick Road Group

Ahmic Harbour

At the recent meeting of the Neighick Road Group several issues arose that we hope our municipal council can address.

As fourteen concerned taxpayers, cottagers and three families who are full time residents, we call Ahmic Harbour our home. As a result we want our hamlet to be as attractive as possible. With this goal in mind,

- 1. We would like the concrete on the fire hall painted the same shade of brown as the siding at the rear of the building. And please paint the doors. Money was set aside in a recent budget to make improvements to the firehall. It seems the exterior of the building was overlooked. We drive by this building every day and improving its appearance would go a long way in making the entrance into our hamlet of Ahmic Harbour more attractive.
- 2. Coming into Ahmic Harbour at night and turning onto Ahmic Lake Road is dangerous since it is very dark. A light at this corner would greatly improve the situation. Perhaps a lantern-looking fixture in keeping with the "hamlet" designation of Ahmic Harbour would be nice. This could be solar or electric powered. As an aside, perhaps the sign posts at this corner could be refurbished and straightened out as well.

Council MTG. of Jul 24/19

Agenda Hom # 2.3.

- We often have to step in or straddle puddles when we pick up our mail.
 Can a small section of pavement be installed near the boxes. That would be helpful.
- 4. The intersection of Akomac Road and Ahmic Lake Road is problematic. The gravel on Akomac Road erodes into a large hole where it meets Ahmic Lake Road. Although this hole gets refilled periodically, it quickly reverts back to a large hole. An apron of paving should bridge the two roads as is usually done when a gravel road meets a paved one. Please look into addressing this problem and make our driving safer.

We thank the council for addressing these matters and realize that unless they are pointed out to those in charge, the concerns of the citizens are not always known. Our hamlet has well kept yards, beautiful flower beds and the main road is in great shape. The above-mentioned improvements would greatly enhance our surroundings.

We look forward to hearing from you regarding these matters.

Respectfully, Julie Boucher

Call for Nominations

Community Schools Alliance

Memo To: Members of the Community Schools Alliance

From: James Collard, Secretary-Treasurer, Community Schools Alliance

Thank you for being a member of the Community Schools Alliance and supporting our advocacy for schools in rural and northern Ontario.

Please be advised that in accordance with the Constitution of the Community Schools Alliance, the Secretary-Treasurer is inviting nominations to the Executive Committee of the Alliance.

If required, an election will be held at the Annual Meeting in Ottawa on August 18, 2019 during the AMO Conference. You will be advised of the location and time of the Annual Meeting as soon as that information is available.

A Nomination Form is included. Please forward this to all members of your council.

The names of all qualified individuals who are duly nominated will appear on the ballot for election to the Executive Committee.

Only individuals who were members of the Alliance by July 15, 2019 or elected officials of municipalities that were members of the Alliance by July 15, 2019 are eligible to be candidates for election to the Executive Committee of the Alliance.

Please print, complete and forward a completed Nomination Form to the Secretary-Treasurer at jim@collards.com.

A completed Nomination Form must be received by the Secretary-Treasurer no later than Friday, August 9, 2019. Nominations will not be accepted beyond that date.

The Constitution provides for up to eleven (11) members of the Executive Committee.

Section 5(g) of the Constitution establishes staggered terms for members of the Executive Committee. At this year's Annual Meeting up to three (3) members may be elected for three (3) year terms.

Section 5(i) of Constitution states: "The Chair, Vice-Chair and Secretary-Treasurer shall be elected by the members of the Executive Committee following the Annual Meeting."

RE:Hatchery trailer- costs to Kerstin & confirm Hatchery group not covered by municipal

policy. BRANDT JERRY Estimate# 41675.pdf

You are most welcome Kerstin:

Yes- ideally they can get their own liability for their specific operations via LCIS. I have noted your other email from John- (copy below) and checked both the 2018 RFP documents and all our old history and emails and the fish hatchery was never declared or added. Regrettably he has been misinformed or made the assumption of coverage. The hatchery operations aren't included under municipal liability.

Back in 2012 we were asked about the Almaguin Fish Improvement Association .. and gave the same response. See below.

Subject: Question about adding Almaguin Fish Improvement Assoc. to Magnetawan's policy

Hi Roger:

The Almaguin Fish Improvement Association does not meet the definition of a committee of council as they are not formed by or controlled by your council. Also their budget does not flow through the municipal treasury and it does not appear that a member of your council sits on their committee.

You should be very cautious about adding any outside volunteer groups. If they have a claims frequency now or in the future it would affect the municipality's insurance rates and/or availability of insurance.

There is an alternative for non profit groups that is reasonably priced. I'd suggest you provide this group (and any other groups looking for insurance) the JLT on-line quotation site. It is an insurance program for non-profit groups provided by Jardine Lloyd Thompsons. JLT is the program manager for our municipal products and have developed this insurance product specifically for the types of groups our municipalities deal with. It is called LCIS - Local Community Insurance Services.

The web site is www.lcis.ca quotes can be obtained directly from the site by clicking on "obtain a quote" and if they require help they can call 1-888-755-LCIS (5247)

Asenda Item # 2.8.

To: Kerstin Vroom **Subject:** ACHP trailer

Hi Kirsten, yes thats right. The municipality is constant...the Hatchery group is an informal group of volunteers, not a formal organization. Three of us are volunteer "directors" with a volunteer secretary/ treasurer. This creates a problem when we try to "own" something like the trailer we want to make into a new harchery. If a director registers the trailer in his name, the hatchery group would lose the trailer to his estate, creating a whole new situation. With ownership with the municipality, there will be continuity regardless of who is in the club.

Does that make sense to you? The Municipality already covers insurance for the volunteers while harvesting eggs on the water. We currently use the basement of the museum to house our hatchery. I realize the liability changes when we take the trailer containing the new hatchery on the road but it is just one more of several municipally owned vehicles on the road and this one would have very restricted (low mileage) useage with a limited number of authorized drivers.

I hope this clarifies the what and why for better understanding. Public appearances requiring road travel would not likely exceed 4 to 6 relatively local events.

This is terrific!

Thank you so much Cheryl.

If the group or members need to get their own liability insurance they would do this from here right?: You can refer them to the LCIS web site for a self serve liability quote. They write all types of non-profit groups at a very reasonable rate.

www.lcis.ca There is a 1-800 number on the site if they need assistance.

Hi Kerstin:

Nice to 'e meet' you too. (Email is my life here..lol) Welcome aboard. I believe you have already spoken with Tim Hutchison and he would be your normal contact for coverage questions and claims, but he is away today. Additions, deletions and certificates should come to me. Email is usually fastest.

Now for today's question, yes that does make a difference.

If the municipality is the registered owner of the trailer it can be added to your policy. There are two options:

- 1/ If plated for road use it has to be listed and rated on the automobile policy. Approx \$450 to \$500
- 2/ If no licence plate, it is classified as property/equipment for insurance purposes, roughly \$50.

Liability for Municipal ownership and use of the item is included at no extra charge, but you must note that any outside community group is not covered by the Municipal liability policy unless they are true municipal volunteers operating under your control and direction with funding coming through the municipality.

Regards

Cheryl

P.S. I can't give more accurate figures for the upcoming year as JLT is waiting for your renewal information before they can give us renewal pricing. I'll send a separate email with a reminder for the items we need asap.

Hello Cheryl! Nice to 'e meet' you.

Just to clarify – this group is purchasing the trailer and 'gifting' it to the municipality. We would retain ownership and insure it. This group would be able to use it.

Does that make a difference?

Hi Nicole:

I'm not sure if Tim responded or not & he is out today, so just in case, I will answer as well.

The cost to add the trailer would be minimal on your policy but the main issue is liability. In general we do not recommend you add community groups to the municipal policy. In this case with the item open to the public there is even more exposure.

Firstly the Insurance company will object as if they operate as a separate entity they should carry their own insurance. Secondly you expose all your rate payers to additional costs if they have a claim and cause your rates to go up. Thirdly if you do it for one group you create a precedent and other groups may want to be added as well.

You can refer them to the LCIS web site for a self serve liability quote. They write all types of non-profit groups at a very reasonable rate.

Good morning Tim and Cheryl,

A community group would like to have us purchase (on their behalf) and own the trailer attached that they will be using for the hatchery program in the municipality. This trailer will have hydro and lighting that will be available for the public to walk through to showcase what the Hatchery program is all about.

What would be the increase cost to the municipality for the liability as well as the fire etc on it?

Hi Nicole, here is the specification sheet for the ACHP hatchery trailer as promised. They are pressing somewhat for Jerry to pickup and pay, which is understandable.

Hopefully we can resolve ownership and registration quickly and then get insurance looked after. John

Proposal Submission Deadline: Thursday, June 13th, 2019 at 3:00p.m.

Section 1 Introduction and General Instructions

1.01 Introduction

The Municipality of Magnetawan is inviting proposals for the work of a Consulting Engineer (hereinafter referred to as "the Bidder") to produce an up to date Road Management Study report. The successful Bidder shall perform analysis and studies of Municipal roadways and traffic volumes and present their findings in an easily legible report.

This Request for Proposals document (and any other applicable attachments or addenda) is available in PDF format through the Municipality of Magnetawan's website at http://www.magnetawan.com/index.php/municipal-office/requests-for-proposals

Any information contained in the Request for Proposal that is changed by the Bidder (except for filling in the blanks) will be grounds for disqualification.

Magnetawan's Procurement Policy is available for review at the Municipal Office

1.02 Submission of Proposals

Proposals shall be submitted in the form and format specified in Section 3 and shall include the completed Form of Proposal included as Section 5 at the end of this document. A designated signing officer authorized to bind the Bidder to the provisions of their Proposal must sign the Form of Proposal. Any addenda issued by the Municipality of Magnetawan in accordance with Subsection 1.06 must be acknowledged by the Bidder on the Form of Proposal.

Each Bidder is asked to submit <u>THREE (3) identical sets</u> of the Proposal. All Proposals must be signed, sealed and received by:

The Municipality of Magnetawan PO Box 70, 4304 Hwy 520 Magnetawan, ON POA 1P0

Project Name: 2019-06 Consultant Roads Needs Study 2019

Proposals must be received no later than 3:00 p.m., local time, on Thursday, June 20th, 2019

Proposals must not be restricted by a statement added to the Form of Proposal or by a covering letter, or by alterations to the Form of Proposal supplied unless otherwise provided in the RFP.

The onus unequivocally remains with the Bidder to ensure that the Municipality of Magnetawan receives Proposals delivered or sent by courier prior to the Proposal Submission Deadline, in accordance with the submission process described in this section. Proposals received after the Proposal Submission Deadline will not be considered and will be returned unopened. Faxed or electronic submissions will not be accepted in response to this RFP.

1.03 Contacts

All questions or inquiries must be made in writing or email to the Lead Contact named below, by no later than 3:00 p.m. on Friday, June 7th, 2019:

Nicole Fraser PO Box 70, 4304 Hwy 520 Magnetawan, ON POA 1P0

deputyclerk@magnetawan.com

IMPORTANT: A Bidder may be disqualified if they make inquiries, between the Proposal issue date and the notification of the Award, in a manner other than that described in this RFP or to anyone involved in the process who is not the Lead Contact, including but not limited to the members of Council. This is to ensure that each Bidder receives the same information and that no Bidder receives unfair treatment during the RFP process.

1.04 Schedule

The schedule set out herein represents the Municipality of Magnetawan's best estimate of the schedule that will be followed, and it is intended to be a guideline.

The approximate schedule is as follows:

RFP issue date	Wednesday, May 15 th , 2019
Deadline for submission of questions (see Section 1.05)	Friday, June 7 th , 2019
Addenda posted on Municipality website (see Section 1.06)	Wednesday, June 12 th , 2019
Proposal Submission Deadline (see Section 1.02)	Thursday, June 20 th , 2019
Notification of Award/Action by the Municipality of Magnetawan	Thursday, June 27 th , 2019

1.05 Required Review and Clarification

Bidders shall carefully review this RFP. If questions concerning clarification of the contents of this document arise, the questions must be made in writing and received by the Lead Contact by 3:00 p.m. on Friday, June 7th, 2019. This will allow time for the issuance of any necessary addenda. Protests based on any omission or error or on the content of the RFP will be disallowed if these perceived faults have not been brought to the attention of the Lead Contact.

In submitting a Proposal, the Bidder acknowledges that they have read, completely understood, and accepted the terms and conditions of the RFP in full. The Municipality of Magnetawan is not responsible for any misunderstanding of the RFP.

1.06 Amendments to the RFP

The Municipality of Magnetawan may issue addenda to clarify and/or modify certain aspects of the RFP prior to the Proposal Submission Deadline. Addenda shall be posted by 3:00p.m. Wednesday, June 12th, 2019 to http://www.magnetawan.com/index.php/municipal-office/requests-for-proposals and shall be available in the Municipal Office.

1.07 Opening of Proposals

There will be no formal opening of proposals. Typically, a Request for Proposals is evaluated on a more comprehensive set of criteria than a Tender. As such, the contract will not be awarded at the opening, but only after the Evaluation Committee has examined all Proposals in detail and presented their recommendation to Council. Bidders will be notified of the date for the Council meeting at which the Award will be decided, and they are welcome to attend.

1.08 Reserved Rights of the Municipality of Magnetawan

The Municipality of Magnetawan reserves the right to:

- a. make public the names of any or all Bidders and their quoted price;
- b. request written clarification or the submission of supplementary written information in relation to the clarification request from any Bidder and incorporate a Bidder's response to that request for clarification into the Bidder's Proposal;
- c. adjust a Bidder's scoring or reject a Bidder's Proposal on the basis of
 - i) a financial analysis;
 - ii) information provided by references;
 - iii) the Bidder's past performance on previous contracts awarded by the Municipality of Magnetawan;
 - iv) the information provided by a Bidder pursuant to the Municipality of Magnetawan exercising its clarification rights under this RFP process; or
 - v) other relevant information that arises during the RFP process;
- d. verify with any Bidder or with a third party any information set out in a Proposal;
- e. check references other than those provided by any Bidder,
- f. disqualify any Bidder whose Proposal contains misrepresentations or any other inaccurate or misleading information, or any qualifications;
- g. disqualify any Bidder or the Proposal of any Bidder who has engaged in conduct prohibited by this RFP;
- h. make changes, including substantial changes, to this RFP provided that those changes are issued by way of addenda in the manner set out in this RFP;
- i. select the Bidder other than the Bidder whose Proposal reflects the lowest cost to the Municipality of Magnetawan or the highest overall score;
- j, cancel this RFP process at any stage;
- cancel this RFP process at any stage and issue a new RFP for the same or similar deliverables;
- 1. accept or reject any or all Proposals in whole or in part;
- m. discuss with any Bidder different or additional terms to those contemplated in this RFP or in any Bidder's Proposal;
- n. if a single Proposal is received, reject the Proposal of the sole Bidder and cancel this RFP process or enter into direct negotiations with the sole Bidder.

These reserved rights are in addition to any other expressed rights or any other rights which may be implied in the circumstances.

1.09 Not Responsible for Costs

The Municipality of Magnetawan shall not pay any costs associated with the preparation, submission, or presentation of the Bidder's Proposal. The Municipality of Magnetawan shall not be liable for any expenses, costs or losses suffered by the Bidder or any third party resulting from the Municipality of Magnetawan exercising any of its expressed or implied rights under this RFP.

1.10 Proposal Expiry Date

Bidders hereby acknowledge that their Proposals shall be irrevocable for a period of 90 days from the Proposal submission deadline. Extensions to this period may be granted with the mutual agreement of the Municipality of Magnetawan and the successful Bidder and may be initiated by either party.

1.11 Confidentiality and Ownership

Any information provided to the Bidder by the Municipality of Magnetawan before, during or after the project is completed shall be treated as confidential and shall not be used or communicated by the Bidder or any third party in any way unless otherwise identified or permitted by the Municipality of Magnetawan. The information, reports, documentation, plans, etc. that are produced by the successful Bidder in response to this project shall become the exclusive property of the Municipality of Magnetawan. However, intellectual property, such as specific tools, templates, processes, etc. that the Bidder provides as part of the deliverables remains the property of the Bidder.

1.12 Invoicing

The Bidder shall provide monthly invoices to the Municipality of Magnetawan for work performed the previous month. Invoices shall clearly state the work performed. It should be noted that the Municipality of Magnetawan's standard terms of payment are net 30 calendar days from the date of invoice.

1.13 Freedom of Information

Any personal information required in the Proposal is received under the authority of the Municipality of Magnetawan. This information shall be an integral component of the submission. All written Proposals received by the Municipality of Magnetawan become a public record. Once a Proposal is accepted by the Municipality of Magnetawan and the contract has been awarded, all information contained in the Proposals may be available to the public, including personal information. Questions about the collection of personal information and the Municipal Freedom of Information and Protection of Privacy Act, 1989, R.S.O. 1990, as amended may be directed to the Lead Contact.

1.14 Additional Requirements

- (a) The use of appropriate and credible sub-contractors by the Bidder to perform portions of the project is permitted only if the Bidder declares such use in the Proposal;
- (b) The successful Bidder shall, throughout the term of the contract, obtain and maintain in force a General Liability Insurance and/or Professional Liability Insurance coverage of not less than \$5,000,000 per occurrence inclusive, to indemnify and hold harmless the Municipality of Magnetawan against any liability for property damage or personal injury, including death, which may arise from the Bidder's operations under this contract;
- (c) The successful Bidder shall ensure that all services and products provided in respect to this proposal are done so in accordance with and under the authorization of all applicable authorities, municipal, provincial, and/or federal legislation, including but not limited to WSIB and all applicable responsibilities under Occupational Health and Safety Act.

1.15 Contract for Consulting Services

The successful Bidder shall enter into a Consulting Services Contract with the Municipality of Magnetawan following award of this RFP. The contract will cover a range of issues including but not limited to fees and rates, notice of staff changes, Contract term and renewal, and Contract cancellation.

The Contract will require the successful Bidder to acknowledge the Municipality of Magnetawan's right to direct specialized work, large projects, or other necessary projects to a competitive procurement process. If mutually acceptable terms and conditions can be reached between the successful Bidder and the Municipality of Magnetawan, the Contract shall be signed. In the event of a failure to arrive at a mutually acceptable Contract, the Municipality of Magnetawan may accept a Bid from a different Bidder or carry out the work in any other way deemed appropriate by the Council of the Municipality of Magnetawan.

Section 2 Scope of Work and Project Requirements

2.01 Municipality of Magnetawan Description

The Municipality of Magnetawan is situated in the east portion of the District of Parry Sound in the Province of Ontario and has a land area of approximately 530 square kilometres and a population of approximately 1,450 (2011) with a sharp seasonal increase during the summer months. The Village of Magnetawan and the Hamlet of Ahmic Harbour constitute the only two community centres within the Municipality. As at July 10th, 2013 (the date of completion of the last Roads Needs Study), there was 180.9 km of gravel road, 49.4 km of LCB and 2.2km of HCB.

2.02 Scope of Work

The Municipality of Magnetawan is interested in contracting a civil engineering consultant to study and analyze the municipal roadway system with particular attention, but not limited to the following:

- Traffic count on certain roads and calculated or estimated AADT
- Road classification as per O/Reg.231/02
- Road condition assessment and methodology used
- · Roadside conditions per drainage/ditching, brushing and signage.
- Road by road summary of required maintenance and recommended optimum timeline
- · Recommendations and suggestions

The results and findings shall be presented in an easily readable report, with data delineated in chart and graph form with explanatory text. Partial reports done for other clients may be submitted as part of the RFP for illustrative purposes showing report format.

2.03 Required Services

The Bidder may rely on sub-contractors to assist in meeting the Municipality of Magnetawan's needs in the above-mentioned service areas. Any such sub-contractors shall be identified in the proposal.

2.04 Municipality of Magnetawan Reserved Right to Outside Consultant

The Municipality of Magnetawan reserves the right to submit any engineering work, either within or outside of the services contracted through this RFP, to a competitive process. The successful Bidder shall be permitted to submit a bid for any such external competitive process.

Section 3 Proposal Submission Requirements

For the Municipality of Magnetawan to evaluate Proposals fairly and completely, Bidders shall provide <u>all</u> of the information requested in the format set out in the RFP. Failure to provide all required information as detailed in this section may result in the Bidder being disqualified or scoring poorly in the evaluation.

Each Proponent shall submit three (3) identical sets of their Proposal, containing the following items: 2019-06 Road Needs Study 2019

- An indication of the Bidder's understanding of the project scope and requirements, including how each of the specific required services shall be met;
- An overview of the Company submitting the proposal, along with an overview of any subcontractors which will be taking part in the work on behalf of the Bidder, and their legal/contractual relationship to the Bidder;
- An overview of the Bidder's experience and expertise in the areas identified in Section 2.03, as well
 as the expertise of any sub-contractors that will be involved as part of the Bidder's team. The
 Bidder shall include at least two (2) references that outline their previous or current Consulting
 relationships, of a similar nature as required in this RFP, with Ontario municipalities, including the
 reference contact name, email, and telephone number. The Municipality of Magnetawan reserves
 the right to contact these or any other references where appropriate. The Bidder may include
 additional references for specific areas/projects;
- Resume/Curriculum Vitae for the Bidder's Project Manager and any other staff proposed to be working on behalf of the Bidder in a significant role;
- Proof of qualifications (i.e., copies of professional certificates)
- A detailed financial breakdown of all relevant project costs, including a 2019 fee schedule for the
 various services, staff hourly and per diem rates, rates or fees for expenses and attendance at
 meetings with Municipality of Magnetawan staff or Council, and any other relevant fees or
 expenses; and
- A comprehensive list of the areas in which the Bidder could provide additional Engineering expertise.

Section 4 Evaluation of the Proposals

4.01 Evaluation Criteria, Process and Award

As part of the evaluation process, the Municipality of Magnetawan may contact one or more Bidders to clarify or obtain more information about their Proposal or to request the Bidder to exhibit or otherwise demonstrate the information contained therein. The purpose of these discussions will be to ensure full understanding of the requirements of the RFP and Proposal. Discussions will be limited to specific sections of the RFP identified by the evaluation committee. The Lead Contact will only hold discussions with Bidders who have submitted a proposal deemed to be reasonably acceptable for Award.

The Municipality of Magnetawan may make an Award on the basis of the Proposals received without further discussion with the Bidders. Therefore, each initial offer should contain the Bidder's best terms/information, including all required documentation as listed in this RFP.

The evaluation committee will recommend Award to Council for the Bidder achieving the highest combined score based on the rated criteria in 4.02 below.

4.02 Maximum Evaluation Points Summary

Mission Statement

"We are committed to the provision and promotion of services that assist individuals in attaining an optimum quality of life and that contribute to the well-being of the community."

Agenda Norm # 3.3.

Administration - Joe Bradbury

As this is my first quarterly report to the Board and Staff, I wish to say how pleased I am to be joining the District of Parry Sound DSSAB. This organization has a great reputation among the Northern DSSABs as being a leader in many areas of our programs with strong, competent and innovative staff. The Board, management and staff can be proud of their accomplishments and I hope to continue to build the organization and community over the coming years, through my passion and hard work for improving the lives of vulnerable people in our communities. The mission statement of the District of Parry Sound DSSAB, "we are commitment to the provision and promotion of services that assist individuals in attaining an optimum quality of life and that contribute to the well-being of the community", will continue to be our guiding light through the next few years as we work to adjust to new realities with our Provincial funding partners.

This new reality of funding constraint and integration from our Provincial funding partners also brings about opportunities. The transformation within the Ministry of Health and development of Ontario Health teams provides the District an opportunity to improve the coordination of health services with social services, especially in the area of mental health and addictions. The integration of employment services under the Ministry of Training, Colleges and Universities will allow DSSABs the ability to promote and negotiate their role as Service System Managers so that employment services are effectively helping people who need jobs and the appropriate supports to be able to obtain and keep employment. The alignment of employment services and training with economic development is crucial to making sure the refrain of "jobs without people and people without jobs" is tackled successfully.

I am looking forward to getting to know the DSSAB, the District of Parry Sound Community and finding opportunities for leading social services in building our communities.

Child Care Operations - Brenda Wiltshire

Early Learning and Child Care Centres

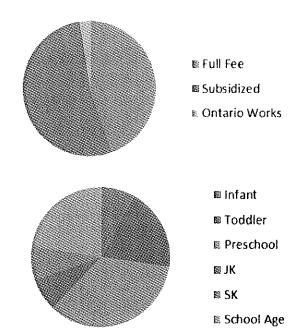

All the Directly Operated Early Learning and Child Care Centres participated in the Week of the Young Child offering a variety of special activities for the children to explore and experience. Programs hosted special visitors, invited parents to participate in the activities, and promoted the philosophy that children are capable and competent while exploring many environments and experiences. The centres have been wrapping up Seeds of Empathy visits where the children have learned the concept of empathy through direct experience watching a young infant grow over a period of months. First Steps expanded the experience to include a puppy where the children developed empathy while witnessing how animals react in differing situations. Now that the weather has warmed and children are outside exploring the playgrounds, there are lots of discussions about "pocket treasures" when they come indoors and planning of garden spaces soon to be planted. All program staff were able to participate in the annual Professional Development Day "Love Builds Brains" held on May 10th and have now completed "Setting the Stage" training which helps them to analyze room arrangements and materials and the contribution they make to children's development.

Home Child Care Program – The HCCP currently has seven potential new Providers moving through the screening process and hosted a Provider Workshop, "How Schema Play Supports Children's Learning and Development" facilitated by the Early Childhood Community Development Centre of Niagara.

Inclusion Support Services – Resources Teachers are actively involved in planning successful transitions to school for children entering Early Learning Kindergarten in September. In recent weeks they have offered Early ID screening clinics, participated in Welcome to Kindergarten events with community schools, and coordinated case conferences for families moving to the school system. Coordinated Service Planning continues to guide the ISS team in the transformation and development of seamless service for families which has led to the piloting of a new Individual Service Plan for the children referred to the program.

EarlyON Child and Family Centres - Many workshops and special events have taken place over the past three months including: Week of the Young Child, Inspiring Little Minds, Triple P, Moms to Moms, Welcome to Kindergarten, Prenatal classes and Early Literacy Specialist visits. We are working very closely with community partners such as Hands, OKP, and the Public Health Unit as well as, supporting the Whitestone Moms & Tots program with monthly visits from the Early Literacy Specialist where resources, activities and newsletters are offered to the families in attendance.

The Sound Community Hub EarlyON welcomed the Infant Development staff from Hands who spoke with parents to share information on infant developmental milestones that young children should be meeting. The Parry Sound District EMS staff reviewed Infant/Child CPR, choking, and minor first aid techniques with families in attendance.

Burk's Falls EarlyON program hosts a monthly breastfeeding circle facilitated by a Public Health Nurse from the NBPSD Health Unit and supported a prenatal class on April 2nd by sharing resources and information to expectant parents

French programming circles are continuing to be offered at various EarlyON satellite sites on a rotating basis where children are invited to actively participate in stories, songs, rhymes, finger plays and music and movement activities.

EarlyON facilitators are busy planning the various summer programs that will be offered across the district and will be reaching out to the communities with more information and schedules as details are confirmed.

Income Supports & Stability - Jeff Degagne

The Provincial Budget announcement on April 11th had many implications for the Ontario Works program. We were informed that funding for the Addiction Services Initiative would be ending as of July 31, 2019. We have already begun our wind down transition and will be continuing to work with our community partners to ensure proper supports are in place to support our clients during the transition.

Beginning in November 2019, the Transition Child Benefit will be discontinued. This benefit is available to Social Assistance families who are not receiving or only receiving a partial amount of the Ontario Child Benefit. As well, changes to the Earnings Exemption will begin in November. Currently, the first \$200 and 50% of earnings are exempt after 3 months. With the change, a client would keep their first \$300 and then 25% of earnings after that, after 1 month. These changes will likely lead to people moving from Ontario Works sooner, impacting those who are precariously employed.

At the start of May, the Ministry's expectations regarding the Rate of Recovery for Overpayments changed. Previously, the standard recovery rate was set at 5% of a client's entitlement. Now if an overpayment is created that was in the client's control, such as an Eligibility Review case, through the Enhanced Verification Process or through information not shared by the client, the standard rate of recovery is to be set at 10%. Clients can request a reduction based on hardship.

We are still awaiting direction on proposed changes to the Disability Definition.

The Additional Benefit Payrun was postponed from its initial start in May 2019. It has been pushed back to June 2019. We have been preparing staff for several months for this change and look forward to its implementation. It is hoped this change will reduce some administrative burden on staff.

Our Risk Based Intake prototype ended at the end of March 2019 and we are in the processing of working with the Ministry on our "Story of Change". The data we have been able to collect demonstrates the positive impact this process has had in terms of client satisfaction and staff administration. Our 'Story' will be used to inform the Ministry on future planning and support other sites with implementation. Although the prototype is over, we are continuing on with this process.

We are contracting with Clark Communications to implement an Asset Based Management computer system to support our employment program and integration. This program will allow matching of clients to specific jobs and training based on their profile. This will help us streamline our referral process and give us important data to ensure we are getting the best possible outcomes for the people we serve. The program includes a common assessment tool that will allow staff to gain a clearer picture of a client's barriers thus allowing for quicker referrals to services.

Starting in March, we began hosting a Case Worker from the Bracebridge ODSP office. Our District is the only district without an ODSP office. We have used this as an opportunity to enhance our relationship with ODSP and also allow an opportunity for clients to meet with a worker and get any questions answered they may have.

Staff in South River continue to run our Mothers Peer Group workshops on a monthly basis. Our workshops for single males have also been gaining momentum and our last session jumped to 8 members. These workshops focus on life skills and soft skills in an effort to improve employability.

Our pilot with the YMCA in Parry Sound to run the Youth Job Connect program ran from April 1st to 18th. Clients received paid training and moved into a paid job placement. There were 4 clients successful in completing the program. The program also included some 'Getting Ahead' principles. We are working with the YMCA on a 'Meals & Money' program for the end of June.

Ontario Works East did an In Service at Employment North in Sundridge in April. The goal was to inform their staff on the support we can offer our mutual clients and open the lines of communication to work together to help our clients obtain meaningful and sustainable employment. The information was very well received.

The SAMS update took place over the May long weekend. The look and usability of the system was updated, much like a smart phone update. We spent the past several months ensuring staff were familiar with the changes as well as technical readiness. The change appears to have been implemented with minimal issues.

In May, I attended the Employment Ontario Integration Market Sounding Day. Earlier this year, the Ministry of Children, Community & Social Services and the Ministry of Training, Colleges and Universities announced the planned integration of Employment Ontario and the Ontario Works and ODSP Employment Program. This session allowed the MTCU to share information and gather information from interested parties. The hope is to have 3 pilot sites selected in the fall of 2019.

The Ontario Works caseload has declined slightly as of the end of April 2019. We expect with the arrival of the warmer weather that more of our clients will move into seasonal employment opportunities. This is typical for the District.

According to the Labour Market Group, there were 196 job postings in March, up 87 from February. Sales and Services was the largest occupational category.

Child Care Service Management

On April 25th, we held our Community Consultation on our 5 year Early Years Plan. We hosted over 30 key stakeholders from various social service and community agencies, as well as Service Canada and Almaguin Community Economic Development. Our Consultant that is assisting us with the plan, Bev Bourgot, facilitated the discussion and the feedback and insights offered will be very valuable as we move into the latter stages of the process in developing our outcomes in four key areas: Improving Accessibility, Improving Responsiveness, Improving Affordability and Improving Quality.

As part of this process, we gathered feedback from the district at large via an online survey. We had an excellent response rate of 272 people, made up of parents, educators and other partners. This feedback will also assist us in the development of our plan.

On May 10th, we hosted our district wide Early Learning Professional Development Day "Love Builds Brains". We hosted Early Childhood Educators from our Directly Operated Centres, our external operators and our partners from the School Boards. Eddy Robinson, an Anishinaabe/Muskegowuk Cree, is an advocate for many Indigenous Communities locally, provincially and nationally. He gave a powerful and emotional presentation during the morning. Kathy Louma and Debby Brewer from Nipissing-Parry Sound Children's Aid Society presented in the afternoon on the effects of trauma on the brains of young children. Overall, it was a fantastic day and very educational for all involved.

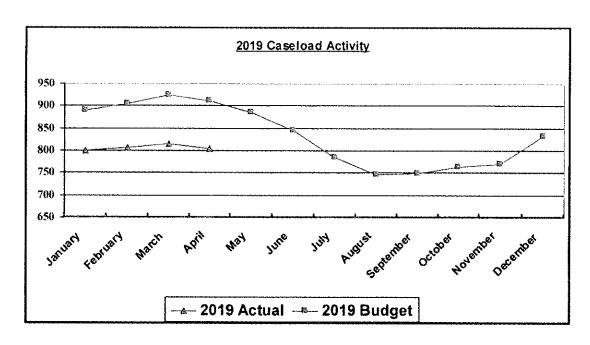

OLAF (Online Application for Child Care Fee Subsidy) is being piloted by several sites currently. When implemented, it will provide another channel to increase access for new applicants for child care fee subsidy.

We have been putting a renewed focus on our Quality Assurance program. Our Childcare Service Management Supervisor has begun visiting both our Directly Operated and our External Operators to observe and support programs in providing high quality care to children in the district.

We recently met with the Parry Sound Friendship Centre to review the 2nd Quarter of our 'Journey Together' Indigenous Early Learning Centre Miigwansag (Little Feathers). The centre opened in October and has successfully gone through the licensing process. Construction is slated to begin on the playground in June.

As we enter the summer season, which is a busy time for our Summer Recreation Program Operators, our DSSAB High Five Trainers will be providing a training session on June 29th for staff of those programs. As part of the Service Agreement requirements, each program must have 75% of their recreation program staff trained in High Five with the exception of programs accredited by the Ontario Camping Association. High Five training includes participants in and out of district wanting to obtain certification for 'Principles of Healthy Child Development' (PHCD).

We currently have 4 In District Service Agreements with Childcare Operators and 8 In District Service Agreements with Summer Recreation Programs. We also have 12 Out of District Service Agreements with Childcare Operators and 2 Out of District Service Agreements with Summer Recreation Programs.

Housing Services - Pam Nelson

Housing & Integrated Services

In early spring, the West Parry Sound Economic Development Office and The Labour Market Group hosted a "Housing Summit" with the intention of creating new housing to assist the local workforce in finding homes. This event was well attended with over 90 participants including engineers, land owners, local business owners and construction companies. Our Director of Social Services provided an informative presentation showcasing census statistics for West Parry Sound communities; including average market rents and the necessary income to support rental or home ownership costs. Looking to the future, we are maintaining the lines of communication with our economic development officers to ensure that the drive to create more housing remains active while providing advice, suggestions and information when necessary.

Non-Profit Providers

The Director of Social Services and the Supervisor of Housing Programs attended board meetings of Parry Sound Non-Profit Housing and Georgian Bay Native Non-Profit Housing Corporation in the months of February and March.

Investment in Affordable Housing - Housing Allowance

We are supporting 30 individuals with the IAH – Housing Allowance. Housing Programs is currently assisting Housing Allowance recipients in completing their annual reviews. The current funding year runs July 2018 to June 2019. Applicants, who meet the Ministry's eligibility criteria, receive \$225 per month to assist them with rental costs. This program is due to end in August 2020.

Investment in Affordable Housing - Affordable Housing

Affordable units can be found throughout the District. We have eight active affordable landlords and are currently determining eligibility for a new project, Almaguin Manor, in Burk's Falls. Occupancy is scheduled to commence in November 2019. The Manager of Housing & Integrated Services and the Housing Advocate attended a walk through of Almaguin Manor and were in attendance for the community engagement event to field questions about the process for applying for affordable units. The event was well received with over 120 attendees.

Strong Communities Rent Supplement Program

We are currently supporting 18 individuals and families throughout the District. A rent supplement is paid by the DSSAB to a landlord to bridge the gap between market rent charged for a unit and the amount a tenant can pay based on family income.

Home Ownership and Ontario Renovates Programs

The Home Ownership and Ontario Renovates programs were introduced to the District of Parry Sound residents in 2012. Home Ownership offered successful applicants access up to a \$10,000 forgivable 20 year down payment loan. Ontario Renovates offered successful applicants access to funds to repair, update or make their home accessible. This is a 10 year forgivable loan; the average loan in the District is \$12, 800. We are currently maintaining the remaining files and are no longer accepting new applications.

Housing & Homelessness Plan Update: Year 5

Our Annual Housing & Homelessness Plan Update will be finalized and ready for distribution over the next few weeks. This year's update showcases the hard work and dedication that our staff have put toward reaching our three priorities outlined in the 10 year Housing and Homelessness Plan. We have included some high level results from our "Let's Make it Count" enumeration completed in 2018. Preparations for the 2020 Enumeration are currently underway. We are looking at various options to increase Community Partner participation and polling locations that will capture the intended participants.

Homelessness Prevention Program and Integrated Services

The Homelessness Prevention Program in partnership with the Sudbury Credit Counselling Services hosted an income tax clinic on March 25th and 26th in the Parry Sound Office. They were able to assist approximately 61 clients and community members in filing their taxes.

The Homelessness Prevention Community Relations Worker and Assessment Case Worker attended the Parry Sound High School to provide education to the housing class, taught by Patty Jenkins. Staff explained the process for applying for housing, the size of the Parry Sound District and the services the DSSAB can provide.

Housing Operations - Sharon Davis

Esprit Place Family Resource Centre

The first quarter has been a busy one for Esprit Place, completing 33 intakes, 540 hours of direct service to clients, and providing 472 warm, safe bed nights to women and 474 warm, safe bed nights to children. We spent 66 days at capacity, and 38 days over capacity, and the average length of a resident's stay was 22 days.

In January, Esprit Place partnered with Muskoka Women's Advocacy Group to host training at Deerhurst Resort on Navigating Difficult Client Relationships. Esprit had approximately 15 staff attend, Front line Counsellors, Transitional Support Workers, Child Witness Outreach Worker, Admin staff, as well as relief

Counsellors

In March we had 6 volunteers from Royal Bank of Canada come in to bake some lasagnas and tidy our play room! After that they've also promised a \$2,000 donation!

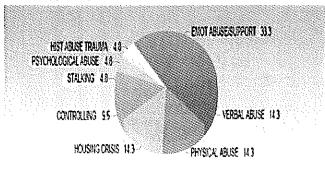

The DART (Domestic Assault Review Team) conference was held in March at the Sherwood Inn in Port Carling. This is an annual 2 day conference with many speakers on Domestic Violence, Sexual Violence, Indigenous cultural information sharing, and many networking opportunities. Approximately 8 staff from Esprit attended.

March 8th was International Women's Day, and this year Esprit partnered with Women's Own Resource Centre in South River to support their event. It was a great day with many community partner booths, mini-workshops for people to participate in throughout the day, prizes, draws, etc.

At the shelter for International Women's Day we had a pizza dinner and movie night to celebrate.

Parry Sound District Housing Corporation

Tenant Services

March 2018: Social Housing is now referred to as Community Housing

Community Paramedicine Program continues to attend all seven apartment buildings for monthly wellness clinics and home visits.

In January, staff attended Navigating Difficult Client Relationships one day training session. This training was held in partnership, by Esprit Place and Women's Advocacy Group Muskoka.

Applied Suicide Intervention Skills Training (ASIST) is a two-day interactive workshop in suicide first aid. ASIST teaches participants to recognize when someone may have thoughts of suicide and work with them to create a plan that will support their immediate safety. Staff from Tenant Services attended within the month of February.

The Paramedicine Co-ordinator attended the apartment buildings to deliver a Slip and Fall Prevention workshop. It was well received and very timely considering the extreme winter weather this year.

A celebration was held in January to honor a tenant on her 100th birthday!

The Canadian Mental Health and Addiction Transitional Support Worker continues to provide support to tenants residing in Community Housing. Currently the TSW is working with 49 tenants across the district. Since the partnership began in July 2018 there has been a reduction in police and EMS response to the buildings.

In March, Orkin Pest Control attended each building for a tenant education on Beg Bug Prevention. It was informative and the tenants were very interested and asked many questions. We considered this session to be a pro-active approach to identifying and taking action against potential future infestations.

In April, staff participated in cleaning up our Beechwood DSSAB property in recognition of Earth Day.

2019 Q2 Shareholder Update

Our goal of zero loss time accidents company-wide continue to be met.

The Annual Shareholders meeting was held on June 7th in Huntsville to review 2018 accomplishments and present plans for the future. At this meeting Irene Zaguskin was approved as a new Director on the Board.

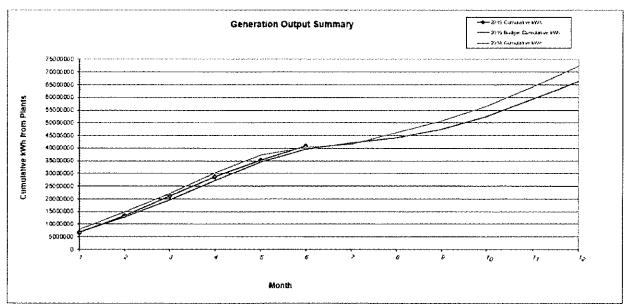

One of the biggest events over the past quarter was the devastating flooding, mainly in Muskoka. Our Manager of Operations, Bryan Ingram, who participated on the Emergency Control Group was₄

personally thanked by Prime Minister Trudeau for his outstanding contribution during this event—many thanks to the Town of Bracebridge for putting his name forward. The last major flooding of 2013 resulted in lessons learned for Bracebridge Generation which prevented damage and kept the plants operational during this latest event. Many staff of Lakeland also contributed time in assisting those in need during this difficult time. At the end of the flood our generation plants were inspected and a severe turbine issue was found at our Bracebridge Falls site. The turbine has been removed from the plant and sent away for repairs resulting in approximately 3 months lost production (with resulting lost revenues ~\$480K) and is planned to be back on-line in late July. Since the machine is disassembled, we have taken advantage of the opportunity to perform the 10-year detailed maintenance after only 7 years.

To the end of Q2, waterpower generation production is 2% ahead of budget due to good availability of water and an extended Spring.

The Board was updated by our Project Manager on the company's highest risk: cybersecurity. Management is developing a plan and budget for future years to ensure personal records and company assets are protected.

Planning continues on the \$9.5M SPEEDIER 'net zero' project in Parry Sound. Environmental registering has commenced for the solar installation at the landfill.

New distribution rates across Lakeland Power have been implement as of May 1st which will result in \$600K lower revenues to the company but on the flip side this money is being put back into the

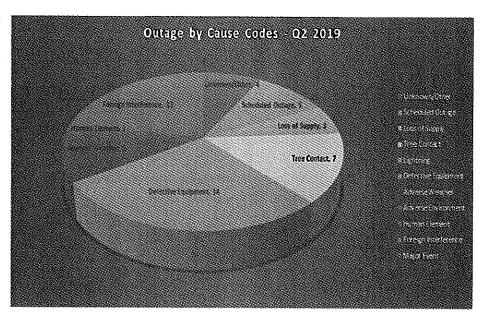

pockets of our customers. The reduced rates in large part are due to the synergy savings experienced after the merger with Parry Sound.

L-R Lakeland representatives: Brian Elliott, Jennifer Montpetit, Sharon Shipston

In 2018 Lakeland Power was Ontario's first distribution company to host a Facebook event to improve customers service. For these efforts the company was recently presented a Customer Service Award by the Electricity Distributors Association other distribution companies are now following suit with their own Facebook Live events.

in serving 13,866 customers through the second quarter of 2019, each experienced average of 0.028 outages averaging 3 minutes. Preventive maintenance tree trimming has been completed in Bracebridge and currently being done in Huntsville.

We continue to perform due diligence on a potential generation plant acquisition in Quebec with our prospective partners from that province.

Lakeland Energy/Networks has completed our Connect to Innovate fibre rollout in Bracebridge and Huntsville in conjunction with partner contributions from the province and federal government. A consultant's marketing recommendations and pricing structures are now being implemented for our triple play services (phone, TV, internet). Through Q2, the company connected an additional 461 customers to our fibre network for a total of 3,483 customers. Currently Lakeland Networks wholesales its TV offering but is making application to become its own TV provider over the next couple of months to improve margins. Other products and services are also being considered, including wireless technologies in efforts to continually grow the company.

Our fibre network has been completed in Wasauksing First Nation (WFM) located on Parry Island with almost 90% of the homes being connected. As we assisted WFN with their Connect to Innovate federal funding application, we are pleased to report that this project is the first one completed in Canada and consists of the fastest speeds under this funding.

The company's first ever Employee Satisfaction survey was completed resulting in 92% of employees feeling 'good' or 'very good' being an employee of Lakeland. An all staff breakfast was held in June to review health & safety, company Vision, 2018 accomplishments, 2019 goals, employee satisfaction results, innovation projects, etc. While Lakeland has 4 distinct companies, many positions overlap with communications between the companies being crucial. There is a significant benefit of a team gathering to understand where we are going and who is responsible.

The Honourable Doug Downey, Attorney General of Ontario Ministry of the Attorney General 720 Bay Street 11th Floor Toronto, ON M7A 2S9

Dear Honourable Sir:

Re: Resolution Regarding Enforcement for Safety on Family Farms

Please be advised that Warwick Township Council adopted the following resolution at their regular meeting on June 17, 2019:

WHEREAS agriculture is the second largest industry in Ontario, contributing \$13.7 billion annually to Ontario's GDP and is essential for putting food on the tables of millions of people here and around the world;

AND WHEREAS in recent months there has been a steady increase in harassment of farmers and livestock transporters by activists opposed to animal agriculture and the consumption of animals:

AND WHEREAS the protests have become blatantly illegal in nature with extremist groups trespassing onto private property, unlawfully entering into buildings and removing animals without fear of prosecution and even promoting and publishing their crimes on social media;

AND WHEREAS maintaining proper biosecurity is essential to ensure the health and well-being of the animals cared for on these agricultural operations;

AND WHEREAS the recent attacks on farmers homes and businesses have resulted in no criminal charges laid, leaving farmers feeling unprotected by the Ontario legal system and afraid for the welfare of themselves, their families, their employees and the animals they care for:

NOW THEREFORE BE IT RESOLVED THAT the Council for the Corporation of the Township of Warwick requests that Hon. Doug Downey work with his fellow MPP's and agricultural leaders to find a better way forward to ensure stronger enforcement of existing laws - or new legislation - to ensure the safety of Ontario's farm families, employees and animals; Council MTG of Jul 24/19

AND BE IT FURTHER RESOLVED THAT this motion be circulated to Hon. Doug Downey, Ministry of the Attorney General, Hon. Doug Ford, Premier of Ontario, Hon. Sylvia Jones, Solicitor General and Hon. Ernie Hardeman, Minister of Agriculture, Food and Rural Affairs and all Municipalities in the Province of Ontario, AMO, and ROMA.

- Carried.

Yours truly,

The Honourable Christine Elliott Deputy Premier and Minister of Health and Long-Term Care Hepburn Block, 10th Floor 80 Grosvenor Street Toronto, ON M7A 1E9 christine.elliott@pc.ola.org

Dear Premier Ford and Minister Elliott:

At its regular Board meeting on June 26, 2019, the Board of Health for the North Bay Parry Sound District Health Unit passed the following resolution related to the public health transformation initiative in northeastern Ontario:

Whereas, since November 2017, the boards of health in Northeastern Ontario, namely the Boards for Algoma Public Health, Public Health Sudbury & Districts, Porcupine Health Unit, North Bay Parry Sound District Health Unit, and Timiskaming Health Unit, have proactively and strategically engaged in the Northeast Public Health Collaboration Project to identify opportunities for collaboration and potential shared services; and

Whereas, the Northeast Public Health Collaboration Project work to date has been supported by two one-time funding grants from the Ministry of Health and Long-Term Care (Ministry); and

Whereas, subsequent to the proposed transformation of public health announced in the April 11, 2019, provincial budget, the work of the Collaboration has been accelerated and reoriented as the Northeast Public Health Transformation Initiative with the vision of a healthy northeastern Ontario enabled by a coordinated, efficient, effective, and collaborative public health entity; and

Whereas, the Board understands there will be opportunities for consultation with the Ministry on the regional implementation of public health transformation;

> Council MTG. of Jul 24/19 Agenda Item # 4.2. .../2

Therefore Be It Resolved, that the Board of Health for the North Bay Parry Sound District Health Unit is committed to the continued collaboration of the boards of health in Northeastern Ontario and looks forward to ongoing Ministry support for this work; and

Furthermore Be It Resolved, that the Board, having engaged in this work since 2017, anticipates sharing with the Ministry its experiences so that other regions may benefit and further anticipates providing to the Ministry its expert advice on public health functions and structures for the Northeast; and

Furthermore Be It Resolved, that this motion be shared with the Honourable Doug Ford, Premier, the Honourable Christine Elliott, Minister of Health and Long-Term Care, Dr. David Williams, Chief Medical Officer of Health, Vic Fedeli, MPP – Nipissing, Norm Miller, MPP – Parry Sound-Muskoka, John Vanthof, MPP – Timiskaming-Cochrane, the Association of Local Public Health Agencies, Ontario Boards of Health, and member municipalities.

Sincerely yours,

THE CORPORATION OF THE MUNICIPALITY OF MAGNETAWAN BY-LAW NO. 2019-48

Being a By-law to confirm the proceedings of Council July 10 and 24, 2019.

WHEREAS Section 5(3) of the *Municipal Act*, 2001, S.O. 2001, c.25, as amended, requires a municipal Council to exercise a municipal power, including a municipality's capacity, rights, powers and privileges under Section 9, by by-law unless the municipality is specifically authorized to do otherwise:

AND WHEREAS the Council of the Municipality of Magnetawan deems it desirable to confirm the proceedings of Council and to ratify decisions made at its meeting hereinafter set out;

NOW THEREFORE the Council of the Corporation of the Municipality of Magnetawan enacts as follows:

1. Ratification and Confirmation

THAT the action of the Council of the Municipality of Magnetawan at its meeting(s) for the aforementioned date(s) with respect to each motion, resolution and other action passed and taken by this Council at its meetings, except where otherwise required, is hereby adopted, ratified and confirmed as if such proceedings and actions were expressly adopted and confirmed by its separate By-law.

2. Execution of all Documents

THAT the Mayor of the Council of the Municipality of Magnetawan and the proper officers of the Municipality of Magnetawan are hereby authorized and directed to do all things necessary to give effect to the said action or to obtain approvals where required, except where otherwise provided, and the Mayor and Clerk are hereby authorized and directed to execute all necessary documents and to affix the Corporate Seal of the Municipality to such documents.

READ A FIRST, SECOND, AND THIRD TIME, passed, signed and the Seal of the Corporation affixed hereto, this 26th day of July, 2019

THE CORPORATION OF THE MUNICIPALITY OF MAGNETAWAN
Mayor
CAO/Clerk
Council MTG. of Jul 25
