### 5. Family Fun Day

John intends to have some students from the public school to help him start snow carving on Friday and continue to carve throughout the weekend and on Sunday. Tim will be outside supervising children's games. Tim will email Ken Black and Melissa Sohm (balloon animals and face painting respectively) to set up in the hallway during family Fun Day so that there is space inside for the birds of prey demonstration. A firepit will be setup outside. Tim will make laminated signs for the rink to say that hockey is not allowed during family fun day. Emily will do snowshoeing. Diane will be available as a floater, both inside and out when needed.

### 6. Upcoming Events – Easter, Yuk Yuks

The MCDC will plan an Easter event, this will take place on the Saturday April 11 2020. Emily will call Science North to get quotes on education shows/demonstrations. We will do games where kids win prizes at the game itself rather than doing an Easter egg hunt or have kids win tickets that they then trade in for prizes, this was too complicated in past events. For food we will not be serving a full meal. We will have cookies, pastries, hot

drinks and juice. The committee will decorate the hall with cut-outs on the walls and daffodils (or similar Spring flower) as centre pieces. There will be crafts and colouring for little kids.

Yuk Yuks will have more detailed planning at the upcoming meeting in March. The committee tentatively plans to have a Yuk Yuks night on May 16<sup>th</sup> which is the Saturday of the Victoria Long weekend. The Committee believes that the high-ticket price may have been a deterrent to some people. By hosting the event on a weekend where cottagers are more likely to be in the area, more people could be drawn to attend. The event would have minimal food and the committee would charge roughly \$25 per ticket. Tim to contact Yuk Yuks to get a list of comedians who might be available.

#### Upcoming Projects:

The welcome to Magnetawan Signs were discussed. Tim has contacted the MTO Corridor Management sector in Huntsville to inquire about putting road signs up around the community. The terms are now 5-year terms for \$770 and the deadline to apply is March 31. Tim contacted Signcraft for some estimates. They recommend a 4x8 sign for highway use. And they will be contacting Tim to provide more details on estimates and options for sign materials, borders etc. Peacock Sign in Burks Falls is another place that did municipal signage and they will be contacted for estimates.

### 7. Election of Chair and Vice Chair

**R**

Emily Bolduc has tentatively agreed to be the chair for the MCDC and Angela Hoffman has tentatively agreed to be vice chair. They would like a description of duties and responsibilities of the chair and vice chair

Hello All

I have several ideas regarding the heritage site.

I think it's great to have it run as an information spot, but there is no way that students will have all of the information needed that people ask without support.

One idea I had was to have video taped by local people involved in different activities that people ask about

Eg Dave Wright talk about the bike trails

John talk about the fish hatchery

For now the student could be provided with a laptop or tablet to access videos

I think we need to have more pamphlets made in fishing, hiking, local attractions just for our area.

We need to add more bikes back to the community

Yes sign out the games but where do they go play?

We need to work in the geese problem

There should be no charge for the museum entrance

We need to eventually find a new building for the museum and take better care of our heritage

We could create a pamphlet with a guided walking tour around town with all the heritage sites

We could look at setting up a miniputt in the grassy area, a set that can be taken and put away in winter costs approximately \$5000

Can we have the library have story time again at the cabin

Can the museum sell mugs, pens, shirts postcards

Just a few of my ideas, we really need to build on the heritage that people love and support the tourism

Emily

Thank you Nicole for all of your efforts on our behalf. Enjoy this new adventure in your life. A welcome to Laura. I look forward to meeting you in person.

Emily has shared many of the ideas that I feel are positive. Right now it's looking like all will be operating in a reduced mode for this summer. When we can meet again we need to decide how to best implement our approach to promoting the area and enhance its historical aspects. I am pleased that council is looking at the development part of our mandate as a committee. We will have to see how far they are willing to let us go.

Looking forward to meeting again.

Good morning all,

I hope you are all staying well during this very unusual time.

As I think everyone is aware, the Municipality rescinded a by-law to create a separate entity to run the Heritage Centre. This now allows the Municipality to run the Heritage Centre under the Municipal Umbrella (which was essentially what was happening, just with the added work of doing separate books and payroll). We found especially with summer students this was very difficult as we had to have students fill out paperwork twice or didn't have coverage should one student be unable to come into work.

What the Municipality would like to do moving forward is find a great way to make the role of the Heritage Centre more fulsome in our community. We want to encourage people to visit and learn about the Heritage of Magnetawan while visiting town as well as have some innovative ideas to encourage locals to also visit and use the Heritage Centre.

Prior to Tim's departure, he and I spoke at length about his ideas for the Heritage Centre which included creating the Heritage Centre into a Heritage/Information Centre and having recreation equipment available for borrowing/renting at the location that is very centralized.
