- 4.2.1 Identify and describe in detail the work and the occupancy to be covered by the permit for which application is made.
 - 4.2.2 Describe the land on which the work is to be done, by a description that will readily identify and locate the building lot.
 - 4.2.3 Include a minimum of two sets of complete plans and specifications for the work to be covered by the permit and show the occupancy of all parts of the building.
 - 4.2.4 State the valuation of the proposed work including materials and labour and be accompanied by the required fee.
 - 4.2.5 State the names, addresses and telephone numbers of the owner and of the architect or engineer, where applicable, or other designer or contractor.
 - 4.2.6 Be accompanied by a written acknowledgement of the owner that he has retained an architect or professional engineer to carry out the field review of the construction where required by the Building Code and,
 - 4.2.7 Be assigned by the owner or his or her authorized agent who shall certify the truth of the contents of the application.

4.3 Where application is made for a demolition permit under Subsection 8(1) of the Act, the application shall,

4.3.1 Contain the information required by clauses 4.1 to 4.2 and

4.3.2 May be required to be accompanied by satisfactory proof that arrangements have been made with the proper authorities for the cutting off and plugging of all water, sewer, electric, telephone or other utilities and services.

4.4 Where application is made for a conditional permit under Subsection 8(3) of the Act, the application shall,

4.4.1 Contain the information required by clauses 4.2. to 4.2.7,

4.4.2 Contain such other information, plans and specifications concerning the complete project as the Chief Building Official may require,

4.4.3 State the reasons why the applicant believes that unreasonable delays in construction would occur if a conditional permit is not granted.

4.4.4 State the necessary approvals, which must be obtained in respect of the proposed building and the time line in which such approvals will be obtained.

4.4.5 State the time line in which plans and specifications of the complete building will be filed with the Chief Building Official.

4.4.6 Review and sign a Conditional Permit Agreement as prescribed by the Chief Building Official.

4.5 Where application is made for a transfer of a permit under clause 7(h) of the Act because of change of ownership of the property, the owner shall file the following information,

4.5.1 The form prescribed by the Chief Building Official.

4.5.2 The names and addresses of the former and new owner.

4.5.3 The date that the property was transferred; and

4.5.4 The confirmation of the continuation of or the particulars of any change in the arrangements for general review of the construction in accordance with Section 2.3., Design and General Review, of the Building Code.

4.6 CHANGE IN USE PERMITS

4.6.1 Every applicant for a change of use permit issued under Subsection 10(1) of the Act shall be submitted to the Chief Building Official and shall;

4.6.2 Describe the building in which the occupancy is to be changed, by a description that will readily identify and locate the building.

4.6.3 Identify and describe in detail the current and proposed occupancies of the building or part of a building for which the application is made,

- 4.6.4 Include plans and specifications which show the current and proposed occupancy of all parts of the building and which contain sufficient information to establish compliance with the requirements of the Building Code including floor plans, details of wall, ceiling and roof assemblies, identified required fire resistance ratings and load bearing capacities,
- 4.6.5 Be accompanied by the required fees,
- 4.6.6 State the name, address and telephone number of the owner, and
- 4.6.7 Be signed by the owner or his or her authorized agent who shall certify the truth of the contents of the application.

4.7 PLANS AND INSPECTIONS

- 4.7.1 Sufficient information shall be submitted with each application for a permit to enable the Chief Building Official to determine whether or not the proposed construction, demolition or change of use will conform with the Act, the Building Code and any other applicable law.
- 4.7.2 After the issuance of a permit under the Act, notice of any material change to a plan, specification, document or other information on the basis of which is not to be made without his or her written authorization.
- 4.7.3 Each application shall, unless otherwise specified by the Chief Building Official, be accompanied by two complete sets of plans and specifications required under this by-law.
- 4.7.4 Plans shall be drawn to scale on paper, cloth or other durable material shall be legible and without limiting the generality of the foregoing, shall include such works as set out in Schedule "C" to this by-law, unless otherwise specified by the Chief Building Official
- 4.7.5 Site plans shall be accurately drawn to scale, and when required by the Chief Building Official to demonstrate compliance with the Act, the Building Code or other applicable law, a copy of a survey prepared by an Ontario Land Surveyor shall be submitted. Site plans shall show:
 - 4.7.5.1.1 Lot size and the dimensions of the property lines and setbacks to any existing or proposed buildings,
 - 4.7.5.2 Existing and finished ground levels or grades,
 - 4.7.5.2.1 Existing right-of-ways, easements and municipal services were applicable.
- 4.7.6 Verification by an Ontario Land Surveyor of by-law compliance may be required before proceeding past foundation state, if required by the Chief Building Official.

5. PAYMENT OF FEES

Fees for a required permit shall be as set out in Schedule “B” to this By-law and are due and payable upon submission of an application for a permit.

Where the fees payable in respect of an application for a construction or demolition permit issued under Subsection 8(1) of the Act or a conditional permit under Subsection 8(3) of the Act are based on the cost of valuation of the proposed work, the cost of valuation of the proposed work shall mean the total cost of all work regulated by the permit, including the cost of all material, labour, equipment, overhead and professional and related services, provided that where application is made for a conditional permit, fees shall be paid for the complete project.

The Chief Building Official may place a valuation on the cost of the proposed work for the purposes of establishing the permit fee, and where disputed the applicant shall pay the fee under protest and, within six (6) months of completion of the project, shall submit an audited statement of the actual costs and where the audited costs are determined to be less than the valuation, the Chief Building Official shall issue a refund.

6. REFUNDS

6.1 In the case of withdrawal of an application or the abandonment of all or a portion of the work or the non-commencement of any project, the Chief Building Official shall determine the amount of paid permit fees that may be refunded to the applicant, if any, in accordance with Schedule “D” attached to and forming part of this by-law.

7. PRESCRIBED NOTICES AND INSPECTIONS

7.1 The owner or an authorized agent shall notify the Chief building Official at least two (2) business days which does not include the day the notice was given to each stage of construction for which notice in advance is required under the Building Code. In addition to prescribed notice contained in 1.2.5.1. Div C of the Building Code, notice of any solid fueled appliance rough-in 1.3.5.2.(1)(c) is also required.

Notice of completion is also required in accordance with subsection 11(2) of the Building Code Act.

7.2 Notice may be given in one of the following ways:
