

**Request for Proposal: Consultant – Design Recommendation, Design and Project Management 6.5m x 21.5m Culvert #11 Replacement West Poverty**

**2021-01 Addendum #2**

---

**Q1:** Can the Township confirm if full time contract Administration and inspection are required? If so, could an estimate length of time and estimated hours be supplied to ensure competitive bidding? example assume 3 week construction at 8 hours a day for 5 days a week.

**A1:** Full time administration and inspection is required for the whole length of the project.
