

Request for Tender: Guide Rail Inventory

Tender 2020-09 Addendum #1

Q1: Section 1.11 Invoicing, Subsection C- in lieu of weight tickets for material, we provide packing slips with itemized materials and quantities, will this suffice.

A1: Yes

Q2: Section 2.07 Completion Date – November 6, 2020 are we to coordinate delivery any time prior to this date or you would like the material for this specific date

A2: **Once awarded this can be coordinated**

Q3: Section Notes: FREIGHT & SHIPPING – would you like ALL material to be delivered at once? This would be the most efficient and cheapest method, however if you require delivery in separate shipments – it can be accommodated. Please advise.

A3: **Delivered at once preferred**

Q4: What is the specific delivery address?

A4: **18 Miller Road, Magnetawan P0A 1P0 “Not Miller Street”**

Q5: Section 2.03 Core Key Deliverable/Requirements, Subsection B – if successful, will you be prompting myself for the Workman’s Safety Insurance Board coverage, seeing as this is to be submitted at maximum 10 days after acceptance, will you be sending a complete list of the required documents to the successful bidder?

A5 **The Municipality will not be prompting the successful bidder and a complete list of required documents will not be sent to the successful bidder. Correspondence between the Public Works Superintendent is encouraged.**

Q6 If using wood posts, you will require wood blocks rather than plastic blocks

A6 **Correct, please change plastics blocks in Segment #1 through Segment #3 to the following:**

Segment #1 Wood Post =Wood Blocks

Segment #2 2 Wood Posts=2 Wood Blocks

Segment #3 13 Wood Posts=13 Wood Blocks
