

Request for Tender: Roadside Brushing

Tender 2020-05

Addendum #1

-
- Q1:** We run large tractor with swing booms and have a 25 foot reach like an excavator or a gradall. So my question is that would we be permitted to submit a tender for the scope of work for brushing in your municipality.
- A1:** **Or equivalent If can be proven to be able to complete the project to our specifications.**
- Q2:** On page 6, section 2, a) an excavator/gradal.....Can a tractor be used for this work?
- A2:** **Or equivalent If can be proven to be able to complete the project to our specifications.**
- Q3:** On page 10, notes, g) Are we ditching or should this be removed?
- A3:** **No Ditching**
- Q4:** On page 10, Schedule A) Brushing includes removal of brush, tree felling and stump removal for trees and shrubs within the ditch alignment. What is the maximum size of trees to be cut and is the brush to be removed from the ditch?
- A4:** **6" , to note no Stump removal**
- Q5:** On page10, Could you let me know if the length to be brushed (ditching in the chart) lane km or centerline km?
- A5:** **Centerline Km**
