

Request for Proposal – Winter Sand

2022-05 Addendum #1

Q#1: How does that work for the deposit cheque if we submit an electronic submission?

A#1: Under Section 1.16 Additional Requirements it states there is a choice of either submitting a cheque and the cheque has to be here at the Municipal Office before the deadline or providing a Bid Bond as is stated under Section 1.16

Q#2: It also does not state the email to submit the electronic submissions to?

A#2: An email address has been provided on the Cover Page and page 3 as Lead Contact: Scott Edwards email publicworks@magnetawan.com

Q#3: Wanted to make sure I understand correctly that we have to submit 10% on the total of all 3 years

A#3: That is correct it would be on the 10% of the Total 3 years being a 2 + 1 operational year
