

Request for Proposal – Surface Treatment (Double Lift Tar & Chip) 2024-02 Addendum #1

Q#1: Section 2

2.01 Scope of Work

“Preparation work RE Grading and Compacting to be completed by the Municipality Of Magnetawan Roads Department.”

Can you please Clarify the above statement and whether this includes all Schedules of the Proposal:

- Schedule A- Double Tar and Chip
- Schedule B- Granular A Application
- Schedule C- 2” Minus Application
- Schedule D- Pulverizing Ahmic Lake Rd
- Schedule E- Pulverizing North St/ Grindstone Rd

A#1: This statement means that the Municipality Staff and Equipment will do the grading and compacting once pulverized and required gravel applied. To note Noth St and Grindstone Rd is only to be Pulverized and no further work required by the Contractor in regards to Gravel and or Surface Treatment..

- Schedule A- Double Tar and Chip Yes -Grading/Compacting by the Municipal Roads Dept.
- Schedule B- Granular A Application Yes -Grading/Compacting by the Municipal Roads Dept.
- Schedule C- 2” Minus Application Yes -Grading/Compacting by the Municipal Roads Dept.
- Schedule D- Pulverizing Ahmic Lake Rd Yes -Grading/Compacting by the Municipal Roads Dept.
- Schedule E- Pulverizing North St/ Grindstone Rd Yes --Grading/Compacting by the Municipal Roads Dept.

Q#2: Will there be restricted hours to accommodate Township working hours?

A#2: The Municipal Roads Dept can accommodate keeping in mind the Residents/Tourist weekends if and when at all possible.
