

**Request for Proposal – Steel Tracked Hydraulic  
Excavator with Brush Head  
RFP 2024-03 Addendum #5**

**Q#1:** We have several extended warranty packages available for powertrain only and or full machine and with different allotted hours. Are you looking for extended warranty information on powertrain only or full machine? Is there a hours target you would like to see?

**A#1:** The Municipality of Magnetawan are looking at full warranty not just the power train warranty. The Municipality recommends that all bidders include all warranty packages available as a comparison to aid in the decision making process.
