

Request for Proposal – Roadside Mowing

RFP 2025-01 Addendum #1

Q#1: I'm looking to get some information regarding the Roadside Mowing tender out for submission. I see that there wasn't another award given between 2020 and 2025, was the 2020 successful bidder renewed thru 2024?

A#1: Yes, through they were the successful quote for a few years as were only taking quotes during that time period.
