

Request for Proposal – Engineering Services for Bay Street

RFP 2025-06 Addendum #2

Q#1 Section 1.16 of the RFP references a 10% deposit for the “contractor’s proposal.” Could the Municipality confirm whether this requirement is applicable to this RFP?

A#1 This is not required please disregard 1.16

Q#2 Could the Municipality please confirm whether the proposal submission should consist of one PDF document that includes both the technical approach and financial/pricing details, or if separate technical and financial proposals are required?

A#2 The financial proposal to be submitted with the technical requirements

Q#3 Section 2.01 of the RFP outlines inspection and administration services during construction, referencing both a 10-week and a 6-week duration for full-time inspection. Could the Municipality please clarify the expected construction period?

A#3 TBD the Municipality is currently in the process of coordinating.
