

## **Request for Proposal – Surface Treatment**

### **(Double Lift Tar & Chip)**

#### **RFP 2026-02 Addendum #1**

---

**Q#1:** Looks like you will have a separate tender for surface treatment in 2027 then? Seems no surface treatment on this one, just all of the preparation, if I am correct?

**A#1:** That is correct as for the surface treatment we are looking to 2027 but are looking for cost for the 2027 budget
