Walk-in Space Limited at Clinics as Demand For Third Dose Increases

NIPISSING & PARRY SOUND, ON – The North Bay Parry Sound District Health Unit (Health Unit) is advising individuals looking to receive their first, second or third dose of the COVID-19 vaccine to book an appointment. With more eligible individuals being urged to receive their third dose of the COVID-19 vaccine at a shortened interval of 84 days, the availability for walk-ins has been limited to ensure physical distancing is able to be maintained at the clinics.

Individuals can book an appointment through a [participating pharmacy](#), online at Ontario.ca/BookVaccine, or by calling the Health Unit Call Centre at [1-844-478-1400](tel:1-844-478-1400) or [705-995-3810](tel:705-995-3810).

To help meet the demand for third doses, the Health Unit will be adding more appointment times and locations for COVID-19 vaccine clinics. Individuals can stay up-to-date with the Clinic Schedule and find more information at myhealthunit.ca/GetVaccinated.
