

MUNICIPALITY OF MAGNETAWAN FLOODING & WATERCRAFT WAKE ALERT
UPDATE MONDAY JULY 14TH AS OF 10AM

**MUNICIPAL DOCKS WITH THE EXCEPTION OF AHMIC HARBOUR BEACH
ARE NOW OPEN**

Due to significant flooding, we are asking **all watercraft** to use extreme caution and respect while on the water.

Wake from **all watercraft** is pushing additional water onto already flooded properties, causing further damage to homes, docks, shorelines, and access roads.

REMINDER THE SPEED LIMITS NEAR SHORE

Within 30 metres (100 feet) of shore, the maximum speed limit is 10 km/h, unless otherwise posted.

Please follow these important guidelines:

- ✓ Slow down and reduce your wake, especially near shorelines and flooded areas.
- ✓ Avoid unnecessary boating during this high water period.
- ✓ Stay well away from shore – giving extra space helps reduce wake impact.
- ✓ Be mindful of submerged hazards that may now be hidden underwater.

WATCH YOUR WAKE-RESPECT THE LAKE!
