Fire Truck Donated to the Firefighters Without Borders Canada - Bombero Project

The Magnetawan Fire Department donated a fire truck to Firefighters Without Borders Canada - Bombero Project that arrived to the Punta Cana area on October 23rd, 2020. Firefighters Without Borders is a non-profit organization dedicated to helping fire departments around the world get a "hand-up" so that they are prepared to handle the next emergency. They work to provide tailored training to best equip each individual fire department.

On the fire truck's first day of service, it helped with:

Forest Fire

Hardware
Store Fire

It is amazing to see the impact and difference our donation has already made!
