Plot Plan - Sketch plot plan below, show all buildings and the clearly mark location of the property line and proposed entrance and indicating method used (i.e., painted wooden stakes, sticks with flagging etc.). **PLEASE SPECIFY THE DISTANCE FROM THE NEAREST INTERSECTION.** THE MUNICIPALITY WILL DEDUCT \$30 FROM THE DEPOSIT FOR EACH INSPECTION REQUEST THAT IS NOT ABLE TO BE COMPLETED DUE TO UNCLEAR MARKING.

1. DO NOT install any entrance without contacting the Road Superintendent for an inspection of the proposed location. Installation must be supervised by the Road Superintendent of the Municipality having jurisdiction governing the highway that you propose to enter (e.g. boundary roads / road work agreements where another Municipality may share road work on common roads, their Road Superintendent does not have the authority to grant an entrance way permit).
2. Culverts must be installed in accordance with the Ontario Provincial Standards. The Road Superintendent shall determine compliance with the installation and construction standards.
3. Entrances must be located so that a traffic hazard is not created because of limited sight lines on curve and grade.
4. If the location of the entrance interferes with the proper drainage of a Municipal Road, then a culvert having a minimum size of 24" x 15" must be installed. This is to be determined by the Roads Superintendent and or designate.
5. The applicant is liable for all costs for repair of any damage caused to the Municipal Roads in connection with the installation of the culvert and construction of entrances. Damage shall be repaired to the satisfaction of the Road Superintendent or shall be repaired by the Municipality and the cost of such repair will be charged to the applicant.
6. Five Hundred (\$500.00) Dollars must be deposited with the Municipality. Once the entrance has been installed and there is no damage to the Road, the deposit will be refunded.
7. **Every new entrance MUST have a 911 Emergency / Civic Address number** clearly visible at the entrance of the property. Number Signs and Posts are available for purchase at the Municipal Office; **fees must be paid at the time of application submission.**
8. Entrance Permit Inspections will not occur from November 30th to April 15th.
