Subject: Consent Revised Map

Bradon,

I've included an attachment of your parcel (184 Silver Lake Road) with gridding to show a parcel that in total reflects approximately 1.12 acres in total. I've listed the approx.. measurements for the lot, however, a survey, once complete will affirm true measurements.

It is understood that if a support in principle is provided, you will move forward with an amended application reflecting the 1.12 acre lot to the Planning Board.

Please respond via email that you understand and confirm the proposed lot size, and I will work to have your application appear during the regular meeting of Council on August 2nd at 1:00pm.
Please note, decisions regarding consents are at the sole discretion of Council.

Kind regards,
Erica
