

- 1) What does 'small town vibe' mean to you? Is this a feeling you would like for your community?
  - Means clean well-kept houses which may have businesses
  - Neighbors helping neighbors/ quaint and not urban looking – yes
  - Agree
  - Walking trails, touristy, artsy/welcoming community events such as the movie night/ evening events for adult and kids
  - Small town vibe to me means 1. Less traffic, more pedestrians 2. Walk to stores, services 3. Physical space reflects the municipality's natural environment (trees, vegetation, parks/gathering place) and its history. Yes.
  
- 2) What services or programs would you like to see offered at our public library to make it a community hub?
  - Library, speakers on topics of interest
  - Great library – evening crafts and book club
  - Teatime and crafts again
  - Consider using the adjacent community centre for 'theatrical' readings of plays (e.g. Inherit the Wind) and for book club meetings to discuss novels selected.

3) How should current green space be used within the municipality?  
Do you feel the municipality needs more green space, can you suggest a location?

➤ Get to know you night

4) How and where can the municipality improve access and diversification of recreation infrastructure or programming?

➤ From a land use perspective, all municipal owned land near water shoreline should have public use. Example: Relocate LCBO to create green space. Consolidate LCBO boat launch to govt docks. Adds to Locks, Lions Park, provides great view of historic Anglican church for visitors, residents.
