

- 1) What sort of commercial services should the municipality focus on developing within downtown Magnetawan and Ahmic Harbour?
 - More permanent services, gym/retail
 - Daycare, retail, fitness/pharmacy
 - Pharmacy
 - Good mix seasonal, coffee shop
 - Retail professional, retail
 - Retail and food
 - Daycare, transportation

- 2) In your opinion, what are the top three things Magnetawan needs to highlight to encourage people to live in Magnetawan?
 - More businesses, housing, cleaned up main street
 - More lenient, trying to keep people here
 - Don't charge extra for camper trailer for summer season
 - Accessibility
 - Sense of community, people helping people, town support activities, ie. Farmers Market, movie night.

- 3) Should there be a grant system, funded by the Municipality, to support businesses with improvements for accessibility, façade improvements and or business signs for Village businesses?
 - I believe the grant system to support accessibility and or improvements to business would be beneficial

- Yes for accessibility
- Yes our downtown core needs to look good
- Yes but BIA may be too difficult for business to afford need different funding model, have standards for look and feel, architectural guidelines

4) Do you support a mix of commercial and residential uses within buildings to help foster economic growth and the current housing crisis?

- Yes, allows for more small business
- Yes, yes, yes
- Yes, too expensive to run business in separate building
- Yes, should be allowed anywhere is suitable in building
- Yes, typical model, commercial upfront ground floor
- Yes adhere to by-law is a necessity, business consistent with property.
