

# Significant Weather Event (SWE)

Significant Weather Event  
**WARNING**

## SWE WARNING

Environment Canada has issued a storm alert warning. Municipal staff will be monitoring the forecast and approaching weather conditions for the possibility to declare a Significant Weather Event.

Significant Weather Event  
**WARNING  
CANCELLED**

## SWE WARNING CANCELLED

The Significant Weather Event Warning impacting the Municipality of Magnetawan has been cancelled. Please continue to use caution as conditions may vary from area to area.

Significant Weather Event  
**DECLARED**

## SWE DECLARED

The Municipality of Magnetawan has declared a Significant Weather Event in the area with respect to existing or potential storm conditions continuing until further notice.

- All highways, roads, and sidewalks maintained by the Municipality are considered to be in a “state of repair” until further notice.
- Drivers and pedestrians should use an appropriate level of caution when travelling during this event and avoid unnecessary travel.
- Crews continue to work diligently to ensure public safety, but it may take longer than normal to maintain the roadways and sidewalks normally maintained during this season. Your cooperation is appreciated.
- Garbage and recycling collection service may also be affected during this SWE and it may take longer than usual to complete collection due to the storm. Residents are advised to be patient while crews continue to collect.
- Leisure programs and Municipal events may also be impacted by the SWE. Updates for scheduled events will be posted as required. Visit our website at [www.magnetawan.com](http://www.magnetawan.com).
- The road conditions are in a state of repair, please use caution and judgement while travelling on the roads.

Significant Weather Event  
**UPDATE**

## SWE UPDATE

- The Municipality will provide updates when changes occur.
- Crews continue to maintain Municipal streets in effort to keep all arterial and collector roads clear and passable.
- Visibility and road conditions within the Municipality vary from fair to poor at times.
- Motorists are encouraged to remain off the roads and drive only if necessary, with extreme caution.
- Sidewalks normally maintained may be affected by the SWE. Pedestrians are encouraged to be mindful of these conditions while walking.

Significant Weather Event  
**ENDED**

## SWE ENDED

The significant weather event impacting the Municipality of Magnetawan has ended. Please continue to use caution as conditions may vary from area to area.
